A Mother's Misery.

The story of this woman is the every day history of thousands who are suffering as she did; who can be cured as she was; who will thank her for showing them the way to good health.

The most remarkable thing about Mrs. Nellie J. Lord, of Stratford Corner, N. H., is that she is alive to-day.

No one, perhaps, is more surprised at this than Mrs. Lord herself. She looks back at the day when she stood on the verge of death and shudders. She looks ahead at a life of happiness with her children, her husband and her home with a joy that only a mother can realize.

Mrs. Lord is the mother of three children, two of whom are twins; until the twins came nothing marred the joy of her life.

Then she was attacked with heart failure and for a year was unable to attend to the ordinary duties of the home. In describing her own experience Mrs. Lord says:

"I had heart failure so bad I was often thought to be dead.

"With this I had neuralgia of the stomach so bad it was necessary to give me morphine to deaden the pain.

"Sometimes the doctors gave me temporary relief, but in the end it seemed as if my suffering was multiplied.

"Medicine did me no good and was but an aggravation.

"I was so thin my nearest friends failed to recognize me.

"No one thought I would live.

"I was in despair and thought that my

days were numbered. My mother brought me Dr. Williams' Pink Pills for Pale People and the first box made me feel better. I continued the treatment and to-day I am well.

"When I commenced to take the pills I weighed 120 pounds; now I weigh 146 and feel that my recovery is permanent.

"I owe my happiness and my health to Dr. Williams' Pink Pills. My husband was benefited by them. I have recommended them to many of my friends and will be glad if any word of mine will direct others to the road of good health."

Dr. Williams' Pink Pills for Pale People have cured many cases of almost similar nature.

The vital elements in Mrs. Lord's blood were deficient. The haemoglobin was exhausted. She was unfit for the strain she was compelled to undergo. Her nervous system was shattered and her vitality dropped below the danger point.

A collapse was inevitable.

Dr. Williams' Pink Pills cured her by supplying the lacking constituents of health by filling the veins with blood rich in the requisite element of life. The heart resumed its normal action; the nervous system was restored to a state of harmony, and the neuralgia affection disappeared.

Dr. Williams' Pink Pills are sold by druggists everywhere, who believe them to be one of the most efficacious medicines the century has produced.
