A Suffering Soldier.

This veteran fought for his country; suffered untold hardships, and returned with health shattered. Many a brave soldier has the same history. To-day this one rejoices in a new-found strength and tells his experience to benefit others.

No man is better known and liked in that rich tier of Illinois counties, of which Peoria is the centre, than genial Chester S. Harrington, of Princeville, Ill.

Mr. Harrington is a veteran of the late war. Like many another brave soldier, he suffered not only during that service, but for years afterwards from diseases contracted then.

For years his health was shattered; his sufferings increased. He was unable to gain relief, but now he tells a story which is of profit to many.

"I served three years in the 124th Illinois, enlisting at Kewanee, Ill.," said he. "I was in Libby Prison and suffered like many another Northern soldier.

"The strain of army life did its work in undermining my health, although the collapse did not come for some time after. "For fifteen years I suffered from general debility and nervousness so badly that I could not sleep. Indigestion resulted and my misery increased.

"My eyes began to fail, and as my body lost vitality my mind seemed to give way. I could scarcely remember events that happened but a few weeks before.

"For two years I was unfitted for business. I was just able to creep around during part of this time, and there were many times when I could not get up.

"My brother is a doctor, but all his efforts to help me failed to give any relief. "I tried a number of remedies without avail. Finally, having read articles regarding cures that had been effected by Dr. Williams' Pink Pills for Pale People, I decided to try them. That was in 1896. I bought a box and took the pills according to instructions.

"Four days later I had the happiest hours I had known for years. That night I went to sleep easily and slept soundly as a child and awoke refreshed.

"After I had taken four boxes of the pills, I found that I was cured and had also increased 27 pounds in weight.

"This greatly surprised my friends, who thought my case was a hopeless one. I began my work again and have continued ever since in excellent health.

"Another valuable gain to me was, that while I was taking these pills I had been cured of the smoking habit, which had formed when I was a boy and had clung to me all these years. The craving for tobacco left me and I have never experienced it since.

"I cannot say enough for these pills and have recommended them to many."

To verify this statement Mr. Harrington made affidavit to its truthfulness before Lincoln M. Coy, Notary Public.

Dr. Williams' Pink Pills for Pale People strike at the root of disease by acting directly upon the impure blood. Their power is marvelous and many wonderful cures have been made. Druggists consider them a potent remedy, and all sell them.
