Baby bonnets in all styles at Mrs. Sturgeon's.

What is the reason the republican ticket is sure to come out ahead? Because it is running a high gear.

The coming 4th, of July will be celebrated at the Fairview Hall Grove. Look out for more information next week.

Mrs. G. O. Nolan and children left Monday morning on the Forest Grove stage on a visit to her mother at Monmouth.

Mr. G. R. Edmunds, of Brandon, Coos County, came in last Friday and is visiting his sons Dwight and Geo. Edmunds.

There is no sound reason for a republican scratching a man on the ticket. From Governor to Constable all are good nominations.

Joe Freeman left Monday evening for Portland. He intends to enlist and go with the rest of the brave boys of Oregon, to fight for his country.

Wash veiling at Mrs. Sturgeon's.

C. B. Hadley and daughter Mand returned from Salem Sunday evening. Mand has been attending school at that place and will spend her vacation at home.

Read the able letter of Hon. T. H. Tongue in this issue, and then go to work and see that the man who stands at his post of duty regardless of his own personal chances, is elected.

Last Friday while working in Al Whitten's camp, Henry Mills slipped and fell while striking a blow with his ax. By a quick movement he checked a good deal of the force of the blow, but got enough to cut his instep very badly.

Jerry Murphy is laid up with a badly cut ankle. He was trimming a great Severance's camp on the Miami, when his ax glanced from a knot and struck him on the ankle joint, causing a deep and painful wound.

Letcher and Jenkins have just received the best kit of tools and material for the repairing of bicycles that money could purchase and are prepared to do all kinds of work on bicycles at short notice and in a workmanlike manner. A share of your patronage is respectfully solicited.

Mrs. Hayes school closed last Friday. The highest class were given the same examination that was given to the teachers at the May examination. Erwin Harrison passed with an average of 80 per cent and Blaine Hayes an average of 78 per cent.

Remember that a vote for Tongue is a vote to sustain the administration and the conduct of the war, while a vote for Vestch is a vote to cripple and weaken the government at a critical time by depriving it of the power to borrow money needed for the soldiers.

More new goods received at Mrs. Sturgeon's.

The candidates are circulating freely. The republican candidates are at par and are taken every where at their own "intrinsic value" but the pops are flat and most of them are at a heavy discount. Experts say that the materials of which the fusion ticket is composed are not well fused and it is believed that that kind of candidates will be demontezed and no more coined hereafter.

Mr. P. Brant is quite ill.

Extra fine white skirts at Mrs. Sturgeon's.

Mrs. W. J. May was ill for several days last week.

Dwight Edmunds was on the sick list this past week.

An old man by the name of Peterson, who for some time has been on the county died on Wednesday and was buried at public expense.

Dr. W. A. Wise expects to be at his office, ready for business about the 10th of June. All those who want a tooth pulled or filled, or any dentistry work done will find him ready for business.

W. W. Curtis is in town looking after business interests. He is greatly pleased over the action of Candidate Huff in paying taxes for the Corporation in which he is interested and hopes that Mr. Huff's example may prove contagious.

Everybody who goes to Woods and wants anything in the line of Camper's supplies, groceries, provisions, and especially fishing tackle will do well to patronize Al Southmayde. He keeps a fine stock and smiles genially on his customers that they are bound to come again and patronize him forever after.

On Monday Mrs. John Maroff and Mrs. Fred Page and little boy met with what might have been a very serious accident. The ladies were on their way to the Fairview Cemetery and when opposite the Fairview creamery, the whistle blew frightening the horse, which turned quickly, upsetting the buggy, throwing Mrs. Maroff out. The horse then kicked himself loose from the buggy and ran away. The ladies suffered some bruises and the little boy's arm was broken.

Bro Johnson grows eloquent in denunciation over our use of the word "must" in connection with the election of certain candidates and proceeds in grandiloquent style to recite the declaration of independence. If we had known that Bro. Johnson was loaded and that he goes off so easy we would have touched him gently and merely said that it is absolutely essential to the well being and credit of this County and State that the confusionists be defeated. Webster defines the word in part as follows: "to be necessary or essential to the character or end proposed;" "to be necessitated." It was in the above sense that we used it—just as any other newspaper uses it—provided its editor understands the English language.

When a person begins to grow thin there is something wrong. The waste is greater than the supply and it is only a question of time when the end must come.

In nine cases out of ten the trouble is with the digestive organs. If you can restore them to a healthy condition you will stop the waste, put on new flesh and cause them to feel better in every way. The food they eat will be digested and appropriated to the needs of the system, and a normal appetite will appear.

Consumption frequently follows a wasting of bodily tissue because nearly all consumptives have indigestion. The Shaker Cordial will restore the stomach to a healthy condition in a vast majority of cases. Get one of their books from your druggist and learn about this new and valuable remedy.

When the children need Castor Oil, give them Laxol, it is palatable.

For Sale. Ladies' Bicycle. Inquire at Sturgeon's Drug Store.

A Warning. It has been credibly reported to me that at the election two years ago a certain well known unscrupulous individual who resides in Tillamook, sent out over the county to people whom he thought could be thus influenced, marked ballots, pretending that they were marked and sent out by me, thus using the confidence the people have in me to accomplish his own selfish ends. I wish it distinctly understood that this was done without my knowledge or consent and the public is hereby warned against a similar trick at this coming election. JESSE SONGER.

Geo. Lamb is in town.

Dr. Tatom of Sheridan will be in Tillamook City on June 15 and will remain two weeks.

Mrs. Theo. Steinhilber and daughter returned on the last steamer from an extended visit in Portland.

C. B. Hadley, is digging a drain from his cellar under the Saloon building recently purchased from Brinn Bros.

Hon. M. E. Pogue is doing some excellent work for the Republicans in this County. To hear him is to be convinced. He will speak in Tillamook on Friday night.

A Whopper. Nailed. It having been reported that G. R. Huff, the regular Union nominee for County Judge, is not a taxpayer, we submit the following assessment copied from a assessment roll for 1897: G. R. Huff, of 184, Sec 27, 1 2 3 4 5 6 7 8 9 10 acres. 1/2 of 1844 Sec 26, 1 2 3 4 5 6 7 8 9 10 100 acres. Value \$500.00 Notes and accounts, 35.00 Household property, 30.00 Gross value \$565.00. Exemption \$65.00. Net assess ment, \$500.00. Poll tax \$3.00. Property tax \$13.50. Total \$463.50. —Tillamook Leader.

The HEADLIGHT looked up the above matter and found the "Leader's" article false from beginning to end. G. R. Huff did own the land in question but on Nov. 6th, 1897 he sold it to David Whitney, Jr., the deed being placed on record Nov. 15th, 1897. There was no tax levied against the land till Feb. 11th 1898 and it was not assessed to Mr. Huff but to Mr. Whitney. A short time since Mr. Huff heard that he was being opposed as a non-taxpayer and he at once went to the Court house and asked the clerk where he should go to pay his taxes. Being directed to the Sheriff's office he went and paid the taxes on Mr. Whitney's land and now exhibits the receipt to the people who are asked to vote for him, as evidence of the fact that he is a taxpayer. And now W. W. Curtis, agent for Mr. Whitney, is after that receipt and proposes to have it.

Mr. Huff is either in such dense ignorance that he does not know anything about the laws of taxation, or else he is trying to deceive the public. Either proposition is not particularly favorable to his candidacy for the office of County Judge. If Bro. Johnson, of the Leader, tells a few more whoppers, he will be eligible to membership in the Ancient Order of St. Annias.

## Decoration Day.

Decoration day services were held under the auspices of the G. A. R. at the Opera House at 1 o'clock P. M. last Monday. The stage was decorated with flags, fit emblems of the day. The G. A. R. were about 25 strong and held seats of honor on the stage.

Mr. W. H. Reynolds P. C. acted as chairman and read the program which we give in full as follows: Reading of General Order, C. N. Drew. Prayer, Rev. Dixon. Remarks by Mayor B. L. Bobly. Song Columbia, By Choir. Remarks by Judge W. H. Cooper and T. H. Coyne. Solo and Chorus "Just Before the Battle Mother" Remarks by W. L. Brooks, W. J. May and T. B. Handley.

By Choir, Recitation "Stand up for the Flag" DE Goodspeed Bring Flowers Ethel Todd The Best Tribute Oscar Ethel Driving Home the Cows Rose Clements Decoration Day Ida Coyne Somebody's Darling Hazel Brown Song of Liberty Frankie Drew The Old Flag Forever Annie Oliver Do You Know What it Means, Annie Waldvogel The Flag is Passing James Hiner Ode to Decoration Day Grace Ford

Mr. Reynolds then introduced Mr. C. N. Drew, who wore the blue and Mr. W. W. Jacobs, who wore the gray and fought under Gen. Lee. Their remarks were brief and to the point. The two men had fought in the same battles during the war, but their acquaintance began since they came to the state of Oregon. Dr. May's remarks were especially appreciated by the audience. He was in Portland at the time when the Oregon boys left for the war and gave a very graphic description of some of the scenes he witnessed. He also told of visiting the Old Soldiers Home at Beaverton, a few miles out of Portland, and how we Uncle Sam is taking care of the brave men who once gave up everything that was near and dear to them for their country's sake.

The program by the children was very good. Little Ethel Todd with her basket of flowers of all kinds and colors was one of the features. Little Hazel Brown's recitation of "Somebody's Darling" was remarkably good for one so young, and brought a tear to many an eye, as they thought of the dear ones that have gone, perhaps never to return. Taken all in all the exercises were unusually fine and all those who assisted in making them so deserve a word of praise. The exercises concluded by singing "America".

See the new ad of the Ocean Park Camp ground in this issue. Ocean Park Camp ground is one of the prettiest and best located places of its kind in the state and those desiring to come to the coast will do well to go to Ocean Park.

Sheriff Alderman, Homer Mason, G. W. Sappington and Howard Cary attended the meetings held by the republicans at Woods on Saturday and Oretown on Monday, returning to town on Tuesday.

Under the head of "Two Salaries at Once" a pop paper at Salem makes a virulent attack on a certain republican who at one time held the office of County Superintendent of Schools and at the same time that of Principal of the Harrison St. school in Portland. The pop paper claims that all this was very dishonest on the ground that no man whatever his ability could attend to both offices at the same time. The paper says "It is apparent that no one can perform both duties, or in honesty draw both salaries. Just so. And it is for just this reason that the republicans of this county are opposing the re-election of Mr. Walker the pop candidate for school superintendent in this county."

Bro. Johnson of the Leader in reply to our statement that all sound money democrats would vote the republican ticket counts up the votes for Palmer for President and concludes that there are only six sound money democrats in the County and none in Hoquarton and Tillamook. Of course Bro. Johnson is a newcomer in Tillamook but he can hardly be ignorant of the fact that the two most prominent men in the County Democratic Convention this year are gold standard men and one of them spoke on the same platform with the Editor of the HEADLIGHT, for M. Kinley. If Bro. Johnson wants to learn sound financial ideas we can refer him to several other sound money democrats. The reason there were no gold standard democrat votes in Hoquarton precinct is that like the sensible men they are those democrats voted for McKinley.

## Patriotic Entertainment.

## Latest War News.

SATURDAY. Two transports have been secured to carry 2500 troops to Manila.

Two big balloons brought over from France will be used in the Cuban campaign.

The troop transports have been spoken a d all the troops are reported well and making good headway toward Manila.

Garcia, the Cuban commander is closing in on Santiago.

During a bomb-drover's shell burst on the Baltimore, the Spanish reported her blown up, but was learned that no damage was done.

WEDNESDAY The first battle in front of Santiago harbor occurred on Sunday between the American fleet augmented by the torpedo boat Porter and an additional cruiser, and the Spanish forts at the mouth of the harbor, reinforced by one of the ships of Cervantes' fleet. Scley's entire squadron was in action. The battle was opened by the Iowa, which attacked one of the Spanish forts. The Spanish warship replied to the Iowa's fire but was soon driven to the shelter of an adjacent headland and was seen no more. The ships then turned their attention to the forts at the mouth of the harbor. The bombardment was terrific. At almost every shot great masses of masonry mingled with the boltes of the Spanish soldiers were thrown into the air. When the bombardment ceased the walls of the forts had been demolished. It is not known what the Spanish loss was but it must have been enormous. It is thought that few Americans if any were killed and few wounded. No damage was done to any of our warships. The Spaniards displayed their usual poor marksmanship. The news was brought to Key West by a dispatch boat and details are lacking. Two Spanish torpedo boats, under cover of darkness, tried to destroy the American fleet but were discovered and made a narrow escape into the harbor. The battle, it is expected will be continued.

THURSDAY. The invasion of Cuba will begin at once with an army of 2,000 men. 50,000 more will follow in a short time.

The Spanish troop ship Alphonso XIII has been captured by the American auxiliary cruiser St. Paul. Seventeen shots were fired by the St. Paul before the Spanish surrendered. The details of the capture have not yet been officially communicated.

The Monitor Monitorok has also been ordered to Manila and is getting ready for the trip.
