Oregon fires the first political... she owes it to herself that her voice be heard in no uncertain tones in support of the administration.

On the 16th. day of February, 1893, Mr. Veatch, then in the Oregon Senate, was opposing a bill to equip the National Guard.

was promptly put down on the spot, but the maligner of our Union army and the opponent of our citizen soldiery is now seeking the votes of those same boys in blue to put him in Congress, when he is pledged to vote against raising funds to pay and equip our armies today, and where he can gratify his instinctive hatred for the boys in blue.

A small politician in the southern part of the county affects to sneer at Hon. T. T. Geer's reputation as a farmer, and says that he is supporting an aged relative on his farm. That may be so.

Hon. Thos. H. Tongue might have secured for himself some additional votes by making a series of brilliant speeches in his district this spring, but the country needs his services in Washington, and as a true patriot he remains at his post of duty.

Hons. H. H. Hewitt of Albany and G. H. Burnett of Salem republican candidates for Circuit Judges of this district are the excellent lawyers. They are thoroughly honest and capable men and have made friends wherever they have gone during the past year.

Hon. Thos. H. Tongue has made a brilliant record in Congress. He has used every endeavor for the good of his constituents. He has the confidence of the administration and the respect of all his associates in Congress.

Every one of our farmers, irrespective of party, has the most profound respect for Hon. T. T. Geer republican candidate for Governor and everybody who is interested in the honor and well being of the state should vote for him in preference to fusionist free silver, soldier hating Willie King.

Chas. Ray, is the only capable candidate for the office of County Commissioner. The office is one of the greatest importance and we cannot afford to take any chances.

When you go to vote next Monday be sure to put a mark opposite the name of H. H. Alderman for sheriff. There is no better sheriff in Oregon today than Mr. Alderman. He is clean, capable, honest and obliging and deserves to be and will be re-elected.

Don't forget to vote for O. H. Irvine for District Attorney if you want one of the most capable lawyers in the state to fill the position. Irvine is the man for the office and this county as far as possible will see that he gets it.

Judge Moore the republican candidate for Associate Justice of the Supreme Court is too well known to need any recommendation at our hands. We predict that republicans and fusionists alike will do themselves honor, by re-electing Judge Moore to his exalted position.

Do you want to vote to tie the hands of the government at this time; to refuse it the sinews of war; to compel it to flood the country with fiat money with which to pay the soldiers; to debase the currency and plunge the country into financial ruin? If so, vote for Veatch for congress.

If you are in favor of an honest dollar and a chance to earn it; if you want Republican Senators from the State of Oregon; if you want a capable man in the next Oregon legislature, vote for Hon. J. W. Maxwell for joint representative.

Homer Mason will be the next Clerk. Homer is a graduate from a business college and an experienced man of business and thoroughly qualified for the office. A vote for him will be a vote for the right man.

The most important office in the state in many respects is that of State Superintendent of public instruction. Mr. Ackerman the republican candidate is thoroughly qualified for the office and should be elected.

A vote for Geo. B. Lamb for county Superintendent is a vote for a man who will personally visit every school in the county and who will bring to bear on his work all the most improved ideas and methods. Vote for him.

The people of this county will be pleased to assist Clatsop county in electing one of its favorite sons Secretary of State. F. I. Dunbar is all right and will get his full share of votes in Tillamook county.

H. H. Leeds, candidate for State Printer, is well known to the newspaper fraternity as a man of unusual qualifications for the office to which he aspires. He deserves every vote in the state.

When making out your ballot don't forget Jasper Smith republican candidate for member of the State Board of Equalization. Mr. Smith will be an honor to Tillamook county.

Don't forget to vote for G. W. Sappington for County Judge. Mr. Sappington is thoroughly versed in law, a man of good judgement, thoroughly fair and honest. He should have every republican vote.

In an editorial last week, we spoke of the government under the Sherman act purchasing 4,500,000 ounces of silver annually. We should have said monthly instead of annually.

A most thoroughly honest and capable man is C. S. Moores of Klamath county republican candidate for State Treasurer and he will be elected.

There is no doubt that A. M. Austin will be the next county Surveyor. He has the qualifications and is a universal favorite. Be sure and vote for him.

J. R. Finley of Beaver, Republican candidate for Justice of the Peace in the 3d. district is an old soldier and an honest, capable man. He will be elected.

D. R. N. Blackburn, republican candidate for Attorney General is one of the most successful lawyers in Oregon. He must be elected.

The republicans of the first district will do themselves honor by electing James S. Gray of Nehalem for Justices of the Peace.

Tom Goyne must be elected for Justice of the Peace in the 2nd. district. To do otherwise would be a burning shame.

A. A. Ford is the man for constable. He is an old soldier and a capable, honest man. You owe him your vote.

Next Monday we cast our ballots. Let us be sure we do it right. The only way to do it right is to vote the Republican Ticket, straight.

Don't make a mistake in voting for constable of the 3rd. District. Hans L. Jensen is the man to elect.

J. E. Tuttle will be the next coroner. Everybody is betting on Tuttle.
