Troubles of a Pastor's Wife

This woman was peculiarly afflicted; physicians could do nothing to relieve her, yet she was cured in a simple way. She now sends a message to suffering humanity which should be helpful.

Probably no other woman ever suffered just as Mrs. Adams did, the wike of Rev. A. R. Adams, pastor of the Christian church at Blandinsville, Ill. Physicians were baffled by her ailment, and for years the was compelled to live a life of torture. To-day she is well and the story of her suffering and recovery will touch a responsive cord in the heart of every woman. "About six years ago," said Mrs. Adams, "my health began to fail. The first trouble I noticed was with my stomach; food did not agree with me, and my appetite failed until I could scarcely eat.

"I would begin to bloat before I was through with a meal, and the food felt like

"After eating I would have pains in my stomach with a smothered feeling which would finally extend into my throat and chest accompanied by a choking sensation.

"I began to bloat all over and my hands and feet commenced swelling until I thought

I had dropsy.
"In a short time I had pain and soreness in my left side which extended across my back accompanied by dizziness, and then

back accompanied by dizziness, and then followed severe paroxysms of pain extending from the lower part of my stomach into the region of my heart.

"During these spells a hard ridge as large as my arm would appear in the left side of my stomach and around the left side.

"I had a feeling of heaviness in my head and at times could scarcely hold it up or keep my eyes open, yet when night came I could not sleep.

"I also suffered intensely from female

trouble.

"I doctored with ten different physicians, but was not benefited. No two of the doc-

tors diagnosed my case the same.

"One day my husband noticed an article regarding Dr. Williams' Pink Pills for Pale People in the newspaper, and induced me to try the pills.

"I was also troubled with nervous prostration and numbness of my right hand and arm. My hand hurt so at times, tingling and burning, that I could hardly endure the pain, but that has all passed away.

"I now know what it means to eat a good meal without ruffering afterwards, and enion a good night's rest.
