HOW A WOUND HEALS.

When the Blood is Pure a Wound Heals Quickly. The Fact Demonstrated in the Case of a Baptist Clergyman of Ashley, Ohio.

From the Times, Ashley, Ohio.

Elder A. S. Shoemaker has been a life-long resident of Ashley, Ohio, and is favorably known by a wide circle of friends in this part of the state. For many years he was a prominent Baptist minister. He has been Mayor of Ashley for three successive terms, filling the position with dignity and honor, and has held other offices of trust. He is sixty-six years of age, hale and hearty, and attributes his present healthful condition entirely to the use of Dr. Williams' Pink Pills for Pale People.

"For about twenty-five years," he says "I was afflicted with rheumatism and was constantly in pain. I could not remain in one position for but a few moments at a time and could sleep but little at night. I was dragging out a miserable existence. Especially during damp, lowery weather I would be very miserable. I frequently remarked that I was a traveling barometer, as I could always tell when a change in the weather was coming. I tried a great many remedies that were recommended, but they did not help me.

"One day while at work and complaining of my pain in the presence of Mr. Elias Bishop, a neighbor, he asked me if I had ever tried Dr. Williams' Pink Pills for Pale People. I told him no. I had never heard of them. He advised me to try them, saying they had benefited him and might help me." I replied, "I had no use for any medicine as I had tried so many different remedies without receiving any benefit that I did not think it worth while to throw away my money."

"Time passed on for nearly a year until one night I was suffering intense pain and I thought of Dr. Williams' Pink Pills for Pale People and concluded to try them. In the morning I went to the drug store and purchased a box of the pills and commenced using them according to directions.

"It was the wisest thing I ever did. On the third night after commencing their use I went to bed and slept all night without a particle of pain. I continued taking the pills until I used five boxes and have not felt any symptoms of my old trouble since that time, now two years ago.

"Just after I stopped the use of the pills I met with an accident. In chopping wood I cut my foot very badly, the axe going clear through the instep of my foot. It was thought the wound would be very hard to heal for a man of my age, but to the surprise of everybody it healed quickly without any difficulty. I attribute this also to the good condition of my blood through the use of the pills.

"In rheumatism the blood has an acid impurity which irritates the sensitive tissues that unite the joints and cover the muscles, thus causing those insupportable tortures which rheumatic sufferers endure. Rheumatism is always dangerous as it is liable to attack the heart. Years ago those afflicted, were bled; as if taking away some of the impure blood could remedy the balance. This folly has been abandoned, and to-day physicians prescribe and druggists recommend the use of Dr. Williams' Pink Pills for Pale People, as these marvelous vegetable pills go directly to the seat of the trouble exerting a powerful influence in purifying and enriching the blood by eliminating poisonous elements and renewing health-giving forces, thus making a potent remedy for curing this disease.
