It is a well known fact that the wealth

Many of our merchants gave vent to
their patriotism the 4th, by making some
extra fine displays in their show win-
dows. Flags and bunting were not
spared to help along the display. J. A.
Todd & Co. had as nice a display as was
ever seen in Tillamook. One window
contained pictures of the commanders of
our army and navy, also many pictures
of our battle ships, with the Maine, at
the time of the explosion, draped in
mourning. Our merchants deserve
much credit for the success of the decora-
tions.

A. L. Whitten, who is logging on the
Tillamook river, had the misfortune
to lose a large raft of logs last week.
The raft containing about 3,000,000 feet
of logs was started on the ebb tide for
the Truckee mill at Hobsonville and
reached there, when the tide was run-
ning out at a great rate, and could not
be snubbed but would break the ropes
as fast as they were tied, and went out
over the bar to break to pieces and scat-
ter up and down the beach. This raft
is one of many which have gone out
over the bar and it seems that something
might be done to prevent it. Logs lost
this way are generally a total loss.

Last Tuesday evening at about 6:30
o'clock, the fire alarm was turned in
and the fire companies were soon at their
posts. The fire was located in the roof
of the Larsen House and the hose was
soon strung out to that place. Through
some misunderstanding the water was
turned on before the boys at the nozzle
end of the hose were ready for it, and
the only good the water did was to
thoroughly wet some of them. Luckily
the fire was reached from the roof in
time and no water was needed from the
nose, to put it out. As the wind was
blowing quite a gale at the time, the
only thing, perhaps, that saved the Lar-
sen House, with several adjoining build-
ings, from burning, was that the fire was
discovered before it got under head-way.
This is the first time our boys ever failed
to do what they started out to do, and
wouldn't have failed this time but for a
little misunderstanding. A little more
practice is needed and we advise the boys
to do some good drilling as long as this
dry weather lasts.

The French say "it is impossible
that happens." This has proved to be
the case with the Mount Lebanon
Shakers. The whole scientific world
has been laboring to cure dyspepsia, but
every effort seemed to meet with defeat.
The suffering from stomach troubles has
become almost universal. Multitudes
have no desire for food and that which
they do eat causes them pain and dis-
tress. Sleepless nights are the rule and
not the exception, and thousands of
sufferers have become discouraged.

The Shakers of Mount Lebanon re-
cently came to the front with their new
Digestive Cordial, which contains not
only a food already digested, but is a di-
gester of food.

It promptly relieves nearly all forms
of indigestion. Ask your druggist for
one of their books.

Tillamook Improvements.

Jones Bros. have built a new room in
their stables for an office and harness
room.

Dr. Wiley has had the inside of his
house remodeled.

A. McNair has renewed the part of
his barn which burnt away last winter.

Dr. May is having some work done on
his residence.

Henry Alderman's residence is receiv-
ing an addition.

Mr. Olsen's fine house is almost
ready for occupancy.

F. C. Shanahan has his new music
store almost completed. It is neatly
papered and painted and is very attrac-
tive.

The Alderman, now the Allen House,
is receiving a fresh coat of paint.

Mr. Wheeler, our enterprising restau-
rant proprietor, has had his building
changed somewhat inside and has as
near a restaurant as can be found outside
of large cities.

Attorney Cooper is having a new barn
built on his residence property in town.

C. B. Hadley has helped the looks of
his place of business by adding some new
blinds to the windows.

Our Celebration.

The Fourth of July exercises in Tilla-
mook passed off very pleasantly. The
weather was all that could be desired
and the attendance upon the exercises
from the surrounding country was un-
usually large. It is estimated that fully
2000 people were on the grounds. The
day was ushered in by the firing of
a cannon and of course the inevi-
table fire cracker bore its part. The
procession formed at 10 A. M. It con-
sisted of carriages containing the officers
of the day, and the mayor and town
council, the liberty car with Miss Pur-
cell as goddess of liberty and a number
of little girls to represent the states. A
carriage drawn by Mr. Tuttle's shieland
ponies, driven by Frank Kerriman and
a colored coachman and containing Prof.
Walker dressed up to represent Uncle
Sam, and a fine display of agricultural
implements by Mr. Bailey. The prin-
cipal feature of the procession was the
Hillsboro brass band of 14 pieces which
furnished the music for the day.

The literary exercises took place at
the grounds in front of the school build-
ing. A comfortable covered platform
had been constructed and seats arranged
for about 500 people and after the audi-
ence was seated the following program
was rendered: Music by Hillsboro band,
song by 20 voices, Declaration of Inde-
pendence by Geo. B. Lamb, music by
band, song by choir, oration by Hon. N.
L. Butler, song by choir and music by
band. After the last song by the choir
editor Bowman representing the Tilla-
mook Telephone Company, read a dis-
patch announcing the sinking of Cerve-
ra's fleet by admiral Sampson. This
news filled the people with the wildest
enthusiasm.

The ping ucky parade in the afternoon
was a very tame affair, but the people
were good natured and enjoyed it all the
same. Mr. Coppinger, of the Kikapoo
Medicine Company, made a short ad-
dress.

After this came the races as follows:
Foot race 1st prize Horace Patchen, 2nd
Arthur Holden. Sack race 1st prize
Johnnie Olsen, 2nd Roy Werts. Wheel-
barrow race 1st prize Frank Mapes, 2nd
Clair Hunt. Tub race 1st prize J. Kim-
ball, 2nd prize Tom Handley Jr.

The Kikapoo Medicine Company
gave an entertainment in the afternoon
which was well attended and much en-
joyed.

The festivities concluded with a grand
ball at night at the opera house given
by Mark Miner and Eugene Jenkins.
The music was fine and the supper fur-
nished at midnight at Wist's hotel was
delicious. The attendance at the ball
was large.

The vocal music during the day was
under the direction of Mrs. H. H. Alder-
man and was very good. Mr. Butler's
oration was timely and eloquent. Take
it all in all the celebration was quite a
success.

County court is in session this week.
The new court consisting of Judge Sap-
pington, commissioners Ray & Wheeler,
sheriff Alderman and clerk Mason were
all present. Full report next week.

Commencement Exercises.

The Commencement Exercises at the
St. Alphonsus Academy took place last
night, as heretofore advertised. A large
number of invitations had been sent out,
and that they had been generally ac-
cepted was evinced by the fact that the
large audience room of the Academy
was crowded to its utmost capacity by
the patrons and friends of the school.
The programme was carried out in full
as published in our last issue and to say
that it was excellent throughout is the
least that can be said; The entire pro-
gramme was of such a uniform degree
of excellence that to give special men-
tion to any particular individual would be
unfair. We would be glad to publish an
extended write-up of the exercises but
as they occurred last night and we go to
press this morning it is impossible to do
so.

The entertainment was of an unusually
high order. The musical part of the
programme was the best we have ever
listened to in a school entertainment.
The singing by the children was espe-
cially fine. Everyone who has had any-
thing to do with the musical training of
children knows how difficult it is to
teach them to sing in time and in tune,
and the vocal training of the children of
St. Alphonsus Academy evinces a mas-
ter hand. Equally good was the in-
strumental music and the elocutionary
work. The two short dramas were ren-
dered in a very pleasing manner. The
closing address by Archbishop Gross
was apt and timely and well received.

Father Schell and the sisters of the
Academy have every reason to feel a
laudable pride in their work and the
people of Tillamook may congratulate
themselves on the excellent work done.

The war news this week is most en-
couraging—Admiral Cervera's fleet in
trying to escape from Santiago harbor
was caught by Samson's fleet and sent
to the bottom, not a vessel escaped—San-
tiago is hemmed in by the troops and
will soon fall. Our first expedition has
landed at Manila. The Ladrones Islands
are in our hands—Germany has moder-
ated her tone toward America—All goes
well. Important developments are ex-
pected soon.

The proprietors of the HEADLIGHT
have purchased the plant of the Tilla-
mook Leader. The former editor of the
Leader makes his announcement else-
where in these columns.

Letters from two of "our boys in blue"
Fred Stillwell and Charley Newman
were received too late for publication
this week and will appear in our next
issue.

E. T. Davies, of Portland, was in the
city this week. He sold a tract of land
on the Nehalem to Aleck McDon-
ald.

Mrs. Driffield and daughter Penelope
were in town on Tuesday and Wednesday
of this week in attendance on the clos-
ing exercises at St. Alphonsus academy.

The Brass Band.

The Hillsboro brass band which vis-
ited Tillamook on July 4th contributed
much to the enjoyment of the day.
There were fourteen of the boys with in-
struments as follows: W. G. Wall,
E. flat cornet; Benton Bowman, 1st B
flat cornet; John Wall, E flat clarinet;
Frank Williams, B flat clarinet; John
Archibald, solo alto; Chas. Lamkin, 1st
alto; H. Baughman, 2d alto; C. B. Brown
slide trombone; A. C. Suate, baritone;
J. B. Wilkes, tuba; E. E. Colestock,
snare drum; E. L. McCormick, bass
drum and Bert Hager, cymbals. The
boys play excellently and their music
was thoroughly appreciated by our music
loving and music hungry people. And
above all they were willing to play. We
have never seen a band more generous
and obliging with its playing, and our
people taxed the boys generosity to the
utmost. The boys made many friends
and we hope to see them again in Tilla-
mook.

Town Council.

The Common Council of Tillamook city held
a regular session on the evening of July 5th,
at which the following business was transacted.
