A Brief Glimpse at Last Weeks Happenings

Sand Lake

While little Jeffie Hembree and Ray Wolf, were playing with an old rusty shot gun, which was known to be loaded and which had baffled all effort to remove the load, occasionally pointing the gun at one another and snapping it, (playing war) While the gun was pointed at little Ray it went off. A number of shots entered his face and body, fortunately it was not at very close range or it would certainly have proved fatal. At present the wounds are not suppose to be dangerous.

That little Ray's life was spared does not afford an excuse for giving little boys nine and ten years old, guns to play with. This was not a case (as of old) he did not know the gun was loaded.

Miss Lorena Robey and Miss Ruth Bewley are spending a few days with Mr. and Mrs. King.

Mr. Summer has commenced fishing at Woods.

Quite a number of our people are preparing to go hop picking.

Our roads are dry but rough.

A few of the Elite of Salem find their way in quest of our trout. Judge Boice and wife carried off an unusualy fine string.

BEAVER

S. H. Kennedy, who lives eight miles below here, just harvested 10 acres of meadow of hay. The hay filled 2 barns, one of which is 40x30x16 feet, the other is 26x26x24 feet, besides this a large rick 30x18x20 feet was made out side. A pretty good crop! Mr. Kenedy is 78 years old and did as much as any one else in pitching this hay.

Walter Kinneman, Alva Finley and Lena Coulson, while on Netarts beach each learned a lesson they will not forget soon. Miss Lena learned that she had just as well wade as to accept the aid of an old man to carry her through a slough of water and give out when half way through and drop her in the deepest part. Walter learned that it's just as good to let his shoes remain wet as to leave them on the warm sand to dry and let the tide carry them away and then have the pleasure of walking home in his bare feet. Alva Finley's lesson was more severe, as he is now doctering his legs, as far up as the knees, for a bad case of sunburn, having walked the entire length of the beach in his bare feet with his pantaloons rolled up.

All who have so kindly agreed to help with cash toward our new church will please pay the same to C. Mills inside of 15 days.

Eliza and Lena Finley went to the Hub Tuesday.

Rev. Dollarhide and family went out to Salem Tuesday to attend the Free Methodist camp meeting.

Finley's blacksmith shop is of great benefit to this entire surrounding country. Campers and cousters need have any fears that he will charge extortionate prices. His motto is: "Let us treat each other so we will be glad to meet again."

Burning brush and knocking down fern is the order of the day.

Coulsonburg

We learn that scarlet fever has broken out in the family of J. R. Dillow of Blaine.

D. F. Coulson returned from the valley on Tuesday of last week.

Mr. M. B. Petteys and daughter and Mrs. Vanderperle took an overland trip to the valley the first of the week.

Oretown

Our correspondent from the above place made a mistake in last week's items in stating that Mr McIntosh and Mrs Crim had gone to Portland. Mr. McIntoch has been home in the city for the past three weeks until 2 or 3 days ago, when he went to his creamery at the southern end of the county. We would ask our correspondents to be careful of all unnecessary errors.

Another serious accident occured on last Saturday night by which Mrs Ida McLaughin lost her life. Mr and Mrs McLaughin left the dance to return to Woods where they were stopping and when about three hundred yards above the Park she ask her husband to let her row the boat the rest of the way up and in changing from one seat to the other her feet slipped and she went in backwards and from what could be learned from the excited husband, was that he become so badly excited that he was almost helpless. The alarm was immediately raised and and in a very short time nets were strung across the river and boats were sent in search of the body which was discovered Sunday morning about 5 o'clock by Cliff Matoon and Lon Miller lying face down in about 3 or 4 feet of water at low tide. The body was immediately put in a box and conveyed to their home in Sheridan. Mr and Mrs McLaughin had only been married a few months.

IS YOUR HAIR TURNING GRAY?

What does your mirror say? Does it tell you of some little streaks of gray? Are you pleased? Do your friends of the same age show this loss of power also?

Just remember that gray hair never becomes darker without help, while dark hair rapidly becomes gray when once the change begins.

Ayer's Hair Vigor

will bring back to your hair the color of youth. It never fails. It is just as sure as that heat melts snow, or that water quenches fire.

It cleanses the scalp also and prevents the formation of dandruff. It feeds and nourishes the bulbs of the hair making them produce a luxuriant growth. It stops the hair from falling out and gives a fine soft finish to the hair as well.

We have a book on the Hair and Scalp which you may obtain free upon request.

If you do not obtain all the benefits you expected from the use of the Vigor, write the Doctor about it.

Address, DR. J. C. AYER
