44 now doing milltary duty in Manila. .12 | He writes; "You can read the more or less unre. .62 liable newspaper reports of us and what .50 we are doing, but we hear no news from .84 the states except by mail. An effort is .84 being made to establish a newspaper to Joe Altenberger last week. .50 be known as the American, which is to .75 be printed half in English and half in .12 Spanish. It will give us the news of the 25 world, although very brief. It is pro-.75 bable we will be here for several months on his claim this fall. .60 yet, but we do not know. You are bet- Mr. Burton, the old gentleman, had a .26 ter able to know when we will be re- stroke of paralysis early in the autumn .62 turned than we are.

.50 The other day I mailed you some copies .12 of papers and a book of pictures, show .00 ing scenes of this vicinity which will give .25 you some idea of the place we are in and .12 some of the difficulties we escaped by .12 the prompt surrender of the city, My 87 health continues fine. The only thing I .87 can complain of is my catarrh, which .25 bothers me some, but not worse than .94 usual. There are quite a number of the .50 boys sick, but I believe as much of .37 it is caused by fear and abuse of the .00 system as by the conditions that exist .50 here.

.50 The climate is warm, sometimes hot, .87 still I roll my blankets pretty closely Sunday. .75 about me toward morning. The water .25 used should all be boiled. A man must .50 be temperate in eating and drinking. .00 Our bulletin board said the other day .50 that we had 1500 men of our 17,500 on .75 the sick list. Some of these were of .75 course were very sick, but many of these C. Mills, Thursday of last week, Mrs. .25 have a sore toe or a boil, or a cut fingure Dillow Cleo and Malva on Friday, Mr. 25 or something of that sort, that is of no Currier and Rev. Armstrong on Saturday, .50 consequence, but requires a little care, Mrs. Mary Swabb on Sunday, F. D. Vin-.50 and possible unfits a man for duty.

"If you could see what an easy time Chapman, of Blaine. nts we are having and how little hardships Rev. Armstrong, the United Brethern cutting out 240,000 railroad ties for a om we are having now you would not feel preacher for this year, preached his first mining firm in California sorry for us or worried. The Americans sermon last Sunday to a large audience are treated as friends by all classes and | who appreciated his sermon. 35 where every we go we are treated to Joseph Hollett, our new shoe and harwine, cigars, etc., and every where it is ness man, so far has been kept busy and 60 "Buenas Dias Americans." If the U. S. not one single complaint is yet heard of 20 If not it is a good place to stay away Joseph. from. At the present time I see nothing 20 that a man without capital could do except he be an M.D. If we hold on here 00 an American teacher would do weil, and I may stay and start an Eng-20 lish school. There is an American school church house, post office and residence of week. marm here now and she is getting all J. R. Finley, all built by him, shows that 20 the pupils she can manage. Skilled he is a good carpenter and flew builder, mechanics and civil engineers will be in as well as a good postmaster and jusdemand in a short time, for there will be tice of peace. railroads to build, streets and roads to Helo, Sand Lake! How about helping over the islands then there will West creek to your place? Why it weeks. to be openings for others. Capital would be real nice to have it open, for it Mrs. Hurlbut, of Cape Merese lightcould be used to good advantage, would bring us so close together. Then house, was on the Beach visiting friends but you and I have none of that.

just begun, and the band is playing and shop, store, shoe shop, etc. the congregation is singing, "While on Well done, our new preacher means others thuo art calling- do not pass me business. In this second service he reby." I do not care for the service, except ceived donations enough to build a last few days. for the music, and I can hear that and parsonage write, though I feel as if I ought to go and at least pretend to be interested in the sermon, for the chaplain is the best d friend we boys have here. If we go Lake, are visiting at Woods. broke he lends to us, changes our money from American to Spanish, or vice versa and secures the checks for us that we send home. He is our information bureau and general adviser. Looks Svenson, Mary S. Downs, Silos P. M. and has charge of our library. The horses.

We have lived through the rainy to an all around fight, the principle ac season here and I am curious to know tors being A. C. Southmayd and Leon Peter, Peter Brant, H. E. Good- what the dry season is like. As for coun- Miller. Both claim the belt. try, I can say nothing, as I have seen none of it, having been in the city of Milk Bill have gone down to the Little Cavite or here all the time, and crossed Nestucca hunting, and when they return by water when I came from there here. we will all bave meat.

for a county road was ordered It may amuse you to know some of Last Saturday our usual quiet town the nick names in my company. There was treated to two fights, the first was is "Buntoe" Kennedy and "Middoon," between Authur Demick and Chas Wilthe broken down sport; "The Professor," liams. Demick struck at Charley with a who builds flying machines; a big Ger. club large enough to fell an ox, but Chas man is called the "Dutch Admiral," and dodged and threw up his arm, received a little short German with rings in his a severe bruise on the arm. Demick ears is the "Kaiser," one of the boys struck at him a second time and missed, have a very tranquil, innocent face- and the by standers interferred and stopwhich greatly belies him-and he now ped the fight. But Andy Heater could wears a fringe of dark brown whiskers; not stand to see a large man fight a 'Von Locus" and "Shorty" are two small one with a club, so he struck Demmore of the boys, and then there is ick, but the by standers interfered before "Easter" and "Redy Huffy" and the "?" they had exchanged many blows. Andy At the meeting of the board on Tues- and Cy Cleg. That is enough of this I and Charley are carrying their arms in
