

JURY LIST FOR 1901.

And Other Matters Transacted by the Commissioners.

Below will be found the continuation of the board of county commissioners' proceedings which was held last week: The tax levy for the year 1901 was continued.

Claims for bridge work were allowed as follows:
L. Jensen\$21 00
Wirt Sappington 36 00
John Fleck 8 75
C. Jensen 3 35

It appearing to the court that County Judge Sappington had funds in his possession collected from the sale of lumber at the county saw mill, it was ordered that he pay the above claims.

In the matter of the taxes upon certain lands belonging to the estate of W. S. Runyon deceased, it was ordered that \$2,600 be accepted in full satisfaction and compromise of all taxes and penalties against said lands, and the clerk was directed to issue tax redemption certificates upon payment to him of the sum of \$1,588.58, balance remaining.

The petition of A. Bencheid for a county road was taken up and the road was ordered opened. Claims of Peter Luthi and James F. Tomlinson for damages were considered, and on the recommendation of the viewers of damages the court allowed Peter Luthi \$25, but did not consider the lands of James F. Tomlinson would be rendered less valuable by reason of the location of said road.

Petition of Fred Beals for a duplicate county warrant, No. 3703, for the sum of \$111, was ordered drawn, owing to the original warrant being lost.

'SPLICED' IN 1900.

Thirty-Eight Couple who Know now if Marriage is a Failure.

Cupid was on the alert in Tillamook county last year and 38 couple fell victims to his darts, and they know now if marriage is a failure or blissful joy and happiness. Considering the number of marriageable young ladies in the county the weddings last year were not very numerous. For fear of being charged with running a matrimonial bureau, we should like to mention the names of some of these amiable, accomplished young women who would make sweet, pretty brides and domesticated wives, only it may induce some of the old widowers or bachelors to put on their "meetin'" going duds and tag them around like young dudes, for there are several of these old cronies around who are just dead-stuck on getting married, but the trouble is they cannot get a woman to get stuck on them, and we believe Cupid has given up the job trying to match make for them. Three county officials became Benedicts. Below will be found the names of those who were married last year, and by January 1902 if we can run across the increase of population these union have produced we shall have a pretty good size birth list:

- January 3—Robert L. Huston and Mary A. Jackson.
- January 10—F. D. Pierson and Clara Seamon.
- January 29—William N. Reddaway and Annie N. Ellis.

BAILEY'S FOOD BILL.

Commissioner Asks \$500 a Year for His Office.

Food and Dairy Commissioner Bailey has completed the new dairy and pure food bill, and has gone to Salem to explain it and urge its passage. The bill calls for an annual appropriation of \$500, of which \$200 goes to the Commissioner for salary, \$200 for expenses, and \$100 for a deputy. The bill gives the Commissioner more authority over dairies and creameries than he ever before had, and strikes hard at bogus jams and jellies. The dairy features of the bill are as follows:

Section 1. No person by himself or his agent or employes shall render, manufacture, sell, or offer for sale, expose for sale, take orders for future delivery, or have in his possession with intent to sell any article, product or compound, made wholly or partly out of any fat, oil, or oleaginous substance or compound thereof not directly or wholly produced from pure, unadulterated milk or cream of the same, which has been or is colored to imitate yellow butter produced from pure unadulterated butter or cream of the same. Provided that nothing in this act shall be so construed to prohibit the manufacture and sale of oleomargarine in a separate and distinct form, and in such manner as will advise the consumer of its real character, free from coloration or ingredients that cause it to look like butter.

Section 2. Any person or persons, firm or corporation, who shall manufacture butter under the separator process shall apply to the Oregon Dairy and Food Commissioner for stencil or plate with the number and name of manufacturer and where manufactured; and also they shall be required to wrap each roll or square of butter in wrappers which shall contain the words "Oregon creamery butter."

Section 3. Every person or persons, firm or corporation, who shall at any creamery, cheese factory, or private dairy, manufacture cheese in the State of Oregon, shall at the place of manufacture brand distinctly and durably on the bandage and box the true grade of cheese as in this act provided, as follows: "Oregon full-cream cheese," "Oregon half skim cheese," "Oregon quarter skim cheese," "Oregon skim cheese."

Section 4. Each square or roll of butter representing to be one pound shall contain 16 ounces; each square or roll of butter representing to be two pounds shall contain 32 ounces.

Section 5. The Oregon Dairy and Food Commissioner shall keep a correct list of the names and location of any person, person, firm or corporation engaged in the sale of milk or cream in cities of 10,000 or more inhabitants, and shall number the same; and every person, persons, firm or corporation in said cities is required to notify the said Commissioner if the said dairy or creamery should be sold, or location changed; and any person, persons, firm or corporation, engaged in the sale of milk or cream in cities of 10,000 or more inhabitants shall, upon engaging in said business, and on the first day of March of each year, apply to the said Commissioner for a stencil or plate, giving the number and location of said person, persons, firm or corporation, engaged in said business, which number shall be placed in a conspicuous place on each delivery wagon owned and operated in said sale or delivery of milk or cream.

Section 6. The use of borax and boracic acids and salicylic acids and injurious antiseptic in the manufacture of butter and in the use of milk and cream, is prohibited.

Section 7. Every person or persons, firm or corporation, who shall manufacture cheese shall apply to the Oregon Dairy and Food Commissioner for stencil or plate, giving the number, quality or grade of cheese, name of manufacturer and county in which the said cheese is manufactured.

Section 8. Whenever any person, per-
