Work on the improvements in Tillamook bay and Hoquarion slough will not be resumed until after the survey of the bar is completed. When that is done the Engineer's department will then determine which is the most practical way to expend with the best results the money now available. In all probability some kind of a dredging appliances will be attached to the dredge which will be more useful than the bucket which was previously used. It will be some months before the work will be resumed.

The Margarita Fischer Company is playing at the Tillamook Opera House all of this week beginning on Monday with the beautiful English Drama, "Mabel Heath." On Tuesday evening, the roaring farce comedy of "Captain Racket" was produced with marked success. Wednesday, the romantic border drama, "The Golden Giant," was given to the public with all of the realistic pathos and fascination that fine and artistic acting can produce. Miss Margarita Fischer, as usual, captivated her audience with the alternating depth and dash exhibited in her star part. To-night the beautiful old story of "East Lynn" will be played by a strong cast. The play is too well known to require comment. On Friday night, "The Gilded Youth," a farce comedy will entertain the usual crowded house, after which a grand ball will be given. Music will be furnished by Fisher's full orchestra. Dancers will find this the finest music to the cadence of which they ever glided. A large house is expected. Good order and prompting is insured. Dancing will continue to 3 o'clock Saturday morning. Don't fail to take that in. On Saturday afternoon at 2:30 o'clock a matinee of the beautiful drama "Esmaralda" will be played for the special benefit of those who are unable to attend evenings. The management has reduced the price of all tickets to twenty-five cents. No reserved seats. Saturday evening, the last of this engagement, "The Queen of Wall Street" will be rendered. This is at present the most popular drama on the stages of the eastern cities. It is an exact picture of life in America's great metropolis. This company has met with phenomenal success wherever they have gone. Their clean forceful rendition of the days great attraction has ranked them in the first place among America's traveling companies. Don't miss this opportunity of seeing their fine work. Tickets for all engagements on sale at the office of—C. BEN RIESLAND.

Resolutions of Condolence and Respect.

At a regular communication of Pacific Lodge No. 105 I. O. O. F. held on October 4th, 1902, the following preamble and resolutions were unanimously adopted.

Whereas it has pleased the great Architect of the universe to remove from our midst our late brother, Frank P. Simmons

And, Whereas it is but just that a fitting recognition of his many virtues should be had; therefore be it

Resolved, by Pacific Lodge No. 105 I. O. O. F. that while we bow with humble submission to the will of the Most High we do not the less mourn for our brother who has been taken from us.

Resolved, that in the death of Frank P. Simmons this lodge laments the death of a brother who was ever ready to proffer the hand of aid and the voice of sympathy to the needy and distressed of the fraternity, an active member of this Lodge whose utmost endeavors were extended for its welfare and prosperity, a friend and companion who was dear to us all. A citizen whose upright and noble life was a standard of emulation to his fellows.

Resolved, that these resolutions be spread upon the records of the Lodge and a copy thereof be transmitted to the family of our deceased brother and to each of the newspapers of Tillamook, Oregon.
