#### Haltom's Clean up Sale continues.

It was thought, by some people, when a Commission for the Port of Tillamook was being agitated four years ago, it would greatly increase taxation. Thus far nobody appears to be hurt or squealing on that score, while the Commission is a great benefit to the port.

The Tillamook Logging Company has entered into a contract to furnish the Tillamook Lumber Company with logs. The price is \$4.25 per thousand for hemlock and \$5 for spruce and fir. There is very little demand for hemlock logs, but it is different with fir and spruce.

We think we are justly entitled to the sum of \$6000 from the Independent, for, by the look of this week's issue of that newspaper, R. M. Watson didn't do a thing to last week's Headlight but "scoop" the whole of the commissioner's court for copy.

The sad news of the death of Representative Thos. H. Tongue was received in this city Sunday afternoon, and caused great surprise and sorrow, for a number of our citizens were personally acquainted with him for years. Plunged at half mast in honor of our distinguished congressman.

We believe it would be a good move if the two principal business streets of the city were block paved, for what with mud in the winter and dust in the summer, it would be a nice thing if all this could be got rid of in the business portion of the city. Anyway, would it not be economy in the end?

Mayor Talmage will have to appoint three persons to act as commissioners to serve on the Port of Tillamook Commission for six years within the next few weeks. The commissioners whose time expires are Messrs. Claude Thayer, P. W. Todd and B. L. Eddy (the latter being chosen on the commission on account of Mr. Frank Wheeler removing from the city). What appointments the mayor makes, they will have to be approved by the commission.

The city marshal will enforce the ordinance which requires children under the age of 18 to be at home after 8 o'clock at night, unless in company of their parents or guardians. There is some complaint because parents do not look after their children, allowing them to be on the streets when they should be at home. They and the larger boys have been causing some annoyance of late, so the marshal will stop this by enforcing the ordinance and arresting the older boys.

Representative B. L. Eddy made a square fight for the speakership, and finding that a deadlock was inevitable, gracefully withdrew from the fight in favor of Representative Harris, of Lane. Why his strength fell off when it was conceded he had sufficient votes is perhaps a move on the political chess board which the general public is not expected to see. The Headlight, although it would have been glad to have seen Eddy elected for the honor it would have conferred upon Tillamook county, is not at all disappointed, for we have always had in mind that the Tillamook man will appear to better advantage on the floor of the house than he would wielding the gavel. The contest was a friendly one and devoid of personalities. Mr. Harris will make a fair and conscientious speaker, and the Headlight congratulates him upon the honor conferred upon, and in doing so the editor doffs his hat to Lane county.

Those desirous of joining the Glee Club under the direction of Mr. Goddard, will leave their names (and one month's tuition fee in advance) with Prof. Whitney so that Mr. Goddard can set the date of first meeting and get down to actual business. The terms will be \$4.00

per month for Gentlemen and \$3.00 per month for Ladies. Club will meet Tuesday and Friday evenings at the Opera house at 8:30 p. m. and last until 10 p. m. Mr. Goddard's time is too much taken up with his other work to make a personal request to individuals, but desires to say that all are cordially invited to become members. Those who have weak voices will be especially benefited by these practices. The club will not be started with less than 16 voices. There are enough male voices already to make a start and only 4 more female voices are needed to put the club in operation. Altos are what are needed now to form the nucleus of a first class Choral Society. Tillamook has the voices and Mr. Goddard respectfully asks them to wake up.

#### Tillamook Commission.

A meeting of the Port of Tillamook Commission was held on Monday in the office of Mr. Claude Thayer, the secretary. President A. J. Cohn was in the chair, and the others present were J. A. Taft, F. R. Beals, P. W. Todd, B. C. Lamb and D. T. Edmunds. The death of Representative T. H. Tongue was deplored by the Commission, and to express, not only the sentiment of that body, but that of the entire county, the Commission unanimously passed the following resolution:

Whereas this body has been informed of the sad and untimely death of Hon. Thos. H. Tongue;

And whereas this body desires to express its appreciation of the high character of Mr. Tongue, and as well of his services to this state and to this county in particular. Now, therefore, be it resolved that this body does most sincerely deplore the death of Hon. Thos. H. Tongue;

That by his death the state has lost a most useful representative, and is deprived of a citizen whose abilities and industry have in the past contributed to her welfare and would in the future have added to the completeness of the pages of her history;

Resolved, That this county is deprived of a faithful friend, who has been for many years a factor in its prosperity and whose loss will always be mourned;

Resolved, That this body recognizes the sudden and terrible blow that has stricken the wife and family of our deceased friend and extends to them its most gentle and tender condolence.

There being \$128.33 in the hands of the treasurer, it was decided not to levy a tax this year.

The president was authorized to write to Captain Langfitt, calling the attention of the engineer to the fact that the steamers were grounding coming up, which is an annoyance to the shipping and an inconvenience to the port, especially when there is money available to make improvements.

#### Death of T. J. Lucy.

Mr. T. J. Lucy, a respected citizen of the south part of the county, died on Thursday last at Woods. The remains were buried on Saturday, a delegation of Masons from Tillamook City conducting the services according to the ritual of that order.  
Born in Knoxville, Tenn., the 24th day of March, 1843, and resided there until April, 1862. Went to McDonough Co., Ill., residing there till April 4th, 1865. He came across the plains with a team and settled in Linn Co., Or., Sept. 14, 1865. He was married to Eliza A. Purdy on March 1st, 1866, resided there till the 16th of May, 1873, when he went to Eastern Oregon, Umatilla Co., and settled on what is known as Wild Horse Creek near the present town of Weston, where he resided 16 years, till 1889, when he moved to Yamhill Co., Or., near Sheridan, till 1892. He moved to Woods, Tillamook Co., Or., where he resided till his death, Jan. 8, 1903. A widow and three sons survive him: W. H. Lucy, Astoria; J. F. Lucy, Portland; A. E. Lucy and Mrs. E. A. Lucy, of Woods. Became a member of the Weston Masonic Lodge, No. 65, in 1877. Was a volunteer in the Indian war in 1878 with the Snake and Bannocks. Was 1st Lieutenant under Capt. In 1877 he was elected the first mayor of the town of Weston and helped to frame its first charter.

#### Notice to A. O. U. W. Members.

Assessment No. 1 was due on the 1st day of January, and if the same is not paid by the 28th of this month you are suspended from all rights and privileges of the order.

There seems to be a mistaken idea with a number of members that their assessment is not due until the 28th, but the 28th of the month is the extreme limit fixed by the laws of the order. Your assessment is always due on the 1st day of the month, and then you are allowed four weeks in which to find your financier and pay up.

FRED H. DAVIS, Financier,  
Star Lodge, No. 76.

#### James Tone Passes Away.

We have to record another death this week of a well known citizen of Tillamook county, that of Mr. James Tone, who has resided in the county for about 15 years. The death occurred on Friday, the deceased being 71 years of age. He leaves a wife and eleven children to mourn their loss. The funeral service took place at the Catholic Church, being conducted by Father McDevett, at which a number of friends and relatives of the deceased were present, and the interment in a grave at South Prairie. Deceased was born in Ireland in the year 1834, and in 1850 left the old country for Canada, making his home at Guelph. He was married in that city in 1856 to Miss Ann Smith, and had a large family of 16 children. Eleven of these are still living, some residing in Canada and others in Oregon. Those residing in Canada are Mrs. M. Cooney and Mrs. McMullin, of Toronto; and Mrs. M. Golding, of Hastings; Misses Margaret, Anna and Julia Tone are making their homes in Portland, while Mrs. R. Mahoney, John, James, Frank and George are residents of Tillamook, as also is the wife of the deceased.

#### Body Leaves Washington.

At 7:45 Monday evening the Pennsylvania express for Chicago bore from the National capital the earthly remains of the late representative Tongue, of Oregon. If the train makes expected connections at Chicago and at Omaha and there are no unforeseen delays on the way, the funeral party will arrive in Portland next Saturday morning at 8 o'clock. In any event, it is hoped to arrive there Saturday afternoon in time to permit of the holding of funeral services at Hillsboro on Sunday. The details of the funeral have been left entirely to Mrs. Tongue and the members of the family in Oregon.

Accompanying the body in a special car were Miss Bertha and Thomas H. Tongue, Jr., the daughter and son of Mr. Tongue; Miss Raane, his secretary, and Miss Marcia Paschal, of Washington, an intimate friend of Miss Tongue, together with the Congressional escort consisting of Representatives Moody, of Oregon; Bishop, of Michigan; Davidson, of Wisconsin; Ramsdell, of Louisiana, and Bellamy of North Carolina.
