Too Much Money. 59 60 TO THE EDITOR TILLAMOOK HEADLIGHT. 12 00 Dear Sir,-Will you allow me space to 3 20 say a few words? At a special school 4 80 meeting held in this district No. 11, a 20 tax of five mills was levied for general 4 80 and incidental purposes. Now this in 2 00 itself would not convey much, but taking 11 40 into consideration the fact that the finan 11 40 cial condition of the district is such that 20 one fifth the amount or a levy of one 00 mill would provide ample funds for the 14 20 1 60 fiscal year, it is an unusual and startling 5 40 perversion of the taxing power. The 20 only reason given by the advocates of 3 20 the tax was to provide for the prob-1 co able future needs of the district, such as 4 60 the education of their grandchildren that 00 may be. Now the constitution and laws 40 of Oregon nowhere provide for raising 2 80 revenue excepting for the fiscal year, 9 60 consequently for a district to levy a tax 80 that will raise from five to eight hun-20 dred dollars in excess of that amount is 1 60 contrary to the spirit (and I also believe 80 the letter) of the law.
