J. F. Wetherly, formerly editor of the Ocean Wave, at Woods, came in on the steamer last week on a visit and will stay in the state to see the fair before he returns to Los Angeles, Cal. We welcome him back, for Frank was loyal to the south part of the county and championed it needs, even if he did play politics and acted the part of democratic war horse.
The dates for the cantata "Queen Esther" have been fixed for Thursday and Friday, April 27 and 28. The faithfulness of the chorus in attending rehearsals and their untiring energy foretell the success of the enterprise. The sale and distribution of tickets will be left in charge of P. W. Todd and C. I. Clough. Reserved seat tickets will be placed on sale at Clough's Drug Store, and may be secured after 9 o'clock Saturday morning. The General admission fee will be 50 cents; children under 12 years, 25 cents. Reserved seats 60 cents. Those living in the country who desire to attend should secure reserved seats early as the best seats will be taken first.

Grant Lederer turned up missing Friday when the preliminary examination was to have been resumed in this city in the afternoon. He had been admitted to bail in the sum of \$50, which was for feited and paid by his bondsmen.

Rev. W. B. Hollingshead, the presiding elder of the West Portland district, is in the city and is preaching in the Methodist church every evening this week, and as the rev. gentleman is an able speaker, a number of our citizens have gone to hear him, and all are invited to attend. The quarterly meeting of the M. E. church in this city will be held on Saturday, in the afternoon, at two o'clock. On Sunday morning, at 10:30, there will be a love feast. At 11 a.m. and 7:30 p.m. the presiding elder will preach.

A cougar was trapped by the Himes Bros. last week on the Trask river, and the chain breaking, the animal escaped with the trap fixed to one of its fore feet. It was tracked over the mountain and back again, when it was caught in another trap, which was attached to a rock weighing 26 pounds. With the two traps and the rock dragging from one, the cougar attempted to swim across the Trask river, but as the rock was too heavy to drag when in the water, the animal drowned before it could reach the opposite side. It was a large female cougar and measured seven feet.

B. O. Snuffer holds the lead thus far in Ralph Ackley's fishing contest, having captured a trout on Wilson river that weighed 2lb. 13oz., and which measured 21 1/2 inches from tip to tip. Ralph Ackley caught one out of the same river that weighed 2lb. 14oz., and measured 20 1/2 inches, but as his fish will not be allowed in the contest, Mr. Snuffer has the lead. The fish reported up to date are as follows:
H. Crenshaw, 1lb. 15oz., 18 1/2 in.
E. Jenkins, 1lb. 13oz., 16 1/2 in.
Rollie Watson, 2lb. 4oz., 19 1/2 in.

H. McKinley, 1lb. 7oz., 18 in.
B. O. Snuffer, 2lb. 13oz., 21 1/2 in.
Ralph Ackley, 2lb. 14oz., 20 1/2 in.

Wedding

Married, on Sunday afternoon, in this city, by the Rev. E. M. Patterson, pastor of the Christian Church, Mr. P. B. Vantress and Miss Bessie Hunt. The wedding took place at the home of the bride, which had been nicely decorated for the occasion, and at the appointed hour the bride, beautifully attired, and carrying a bouquet of orange blossoms, entered the parlor with the groom, where, in the presence of a few invited guests the ceremony was performed, and the happy couple started on their wedded life with the marriage vow that they would love and honor one another, and with the congratulations and best wishes of a large number of friends. After the ceremony a wedding dinner was served in the dining room. They received quite a number of useful and artistic presents. The bride is the popular and affable daughter of Mr. C. R. Hunt, while the groom has made many friends and won the esteem of those who have had the pleasure of his acquaintance. He came from his home in Newberg a few years ago to act as bookkeeper for the Truckee Lumber Company at Hobsonville, and is now one of the leasees of the saw mill at that place. Later in the day Mr. and Mrs. P. B. Vantress drove to their new home at Hobsonville, and the Headlight predicts that the union will be a happy one, and which we sincerely trust will be devoid of ruffles to mar their matrimonial bliss.

Death of Albert Mapes.

Died, at the residence of W. B. Alderman, near Tillamook City, on April 11, Albert Mapes, aged 78 years, 24 days. Deceased was born in Mayfield, Ohio, and was married to Miss Elizabeth Berry, December 22, 1853, at Lisbon, Ind. When the war broke out he enlist-

ed on December 18, 1861, in the Second Wisconsin Cavalry at Madison, Wis. and was discharged December 15, 1865. He came to Oregon in the November of 1884, where he has resided ever since. About four years ago he had a severe stroke of paralysis, which partly destroyed his organ of speech. He has since had several slight strokes, and bore his afflictions as bravely as though he were facing the enemy under the Stars and Stripes. A few years ago he united with the Presbyterian Church in this city while the Rev. C. P. Metzler was pastor. He leaves a loving wife and three children—Joel H. and James M. Mapes and Mrs. W. B. Alderman—to mourn his death, besides a number of relatives and friends. The remains were laid to rest on Wednesday in the Oddfellows' cemetery near Bay City and in the absence of the pastor of the Presbyterian church from the city, the religious services were conducted by the Rev. C. A. Stockwell and E. M. Patterson, while comrades of the G. A. R. acted as pall bearers. Quite a number attended the funeral out of respect for the deceased and to show their sympathy for the bereaved family.

For Sale.

For sale, cheap, if sold at once, \$30, a Registered Jersey Bull Calf, solid color. Full brother to Mr. Beals' fine bred bull of the best butter and milk strains in U. S. Dam Veralista, 173,640, made over 425 lbs. butter, over 6,000 lbs. milk, in ten months last year. She traces twice to Brown Bessie, 74,997, champion butter cow at the world's fair. Her grand dam, Ida's Dream 2nd, 90,217, made 28 lbs. 6 oz. butter in seven days. Sir, Flora's Chief, 61,478, who traces 13 times to Combination, 4389, the great fountain head of a great number of test-e-l daughters and champion butter cows, one of the greatest bulls that ever lived. J. F. Martin, South Prairie, Tillamook, Ore.
