# FIRST ALL-TILLAMOOK CHARITY SALE!

## Second Week in May, 8th to 13th, inclusive.

For the first time Tillamook's Greatest Store has invited all Churches in the city to share in the profits of a week's business. Six of these institutions have accepted the invitation and will participate in the week's business.

TEN PER CENT OF THE ENTIRE SALES FOR THE WEEK WILL BE DISTRIBUTED AMONG THEM. Representatives of the different churches will have charge of the store on separate days, and will receive the percentage of the day's business. They will, of course, use every effort to induce liberal buying that their share of the proceeds may be as large as possible.

I,—Haltom,—will use every effort to see that the offerings of each day are equally attractive. The regular sale program for the month has been so arranged that the best prices will be made from day to day, and several large events will continue all week, giving the congregation and friends of each church an equal chance.

Aside from the benevolent features of the sale, it will, from an economic point of view, BE ONE OF THE BEST BUYING WEEKS OF THE ENTIRE SPRING AND SUMMER.

Many new things for Spring and Summer will have their first showing this week. Among them are a number of extremely good values we've bought purposely for the Charity Sale.

Attend the Sacred Cantata,  
 "QUEEN ESTHER,"

To be given by Local Talent  
 at Tillamook Opera House,  
 Thursday and Friday, April  
 27th & 28th, at 8 p.m., and  
 help in a Worthy cause.

### Mr. Man, buy your Suit during Charity Sale—

A Kirschbaum Suit—the Stylish, Shape Retaining Sort of Clothes.

We often hear men of discernment say there is more style of the right sort in Kirschbaum's Suits than in any other ready tailored clothes a man can buy. Style is an odd, elusive thing. When so many makers fail to catch it, what is the wearer's guide? A wearer knows that one suit looks well on him while half a dozen of other makes give him an awkward air. If he goes to a store that can show him nothing but the awkward kind he may blame himself and take the least objectionable. A man may not be the best judge of his own appearance, but he will recognize the stylish suit as soon as he puts it on. The danger is that he may not get a chance to see it—may not go to the right store. "Haltom's" is the "Right Store" in Tillamook—the store where you find Kirschbaum's Hand-Made Clothes.
