The Busy CLOTHING CORNER. July Clearance Sale.

It's a rather unusual time to inaugurate such a sweeping price reduction; but, as with all other sales at our store, there is a reason. The backward season leaves us with more Clothing than we like to carry. We will be compelled to sacrifice some of them sooner or later anyhow, so we have decided to close them all out now, right in the midst of the season, and give you the benefit of the discounts just when you really need them.

A 20 per cent DISCOUNT ON ALL CLOTHING for Men, Boys and Children.

You know the kind of Clothing we sell—Clothes that are made well and wear well—Clothes with an individual style that sets them far above the ordinary run of ready-to-wear garments. These are the garments we offer now at One-Fifth Less than Regular Prices.
