CHAS. I. CLOUGH, TILLAMOOK, ORE.

I have heard some people say that none of the merchants had their Xmas stock all in yet. I wish to correct that by stating that I have had all of mine in the store for the last two months. A visit to my store will prove that, from the display I am showing.

BOOKS.

There is hardly a person who has Christmas gifts to buy who should not consider the selection of books. Books are equally desirable for young and old. They are treasured for a lifetime and never lose their value. Large as our stock was last year, it is almost doubled this season. The variety is greater and the stock throughout is larger. It includes all the latest and most popular novels, together with standard fiction, poetry, etc. Also books for girls, books for boys and books for the little people. You can find anything you want, and can be suited, no matter what price you want to pay.

I do wish you would give us the pleasure of a call and look over this collection of books, you will find it a wonder, and an education, and you may see something you will want later on.

Sea Shells & Tillamook Souvenirs

My collection of sea shells is large and varied, ranging in price from 5c. to 60c. no higher. I have often had people say that they thought some of my shells would be worth \$2 or \$3. The souvenir shell spoons are the neatest thing out for mailing as they are light and strong. A great many of the shells are hand painted, making them very beautiful and attractive.

Christmas Cards.

You have a large number of friends at home or at a distance to whom you do not care to send any special gift but to whom you would like to send some token of remembrance. Christmas cards fill the need. We have a fine assortment of the new ones at all sorts of prices from a few cents up.

New Albums.

Albums are good gifts and photos accumulate so fast nowadays as to make new albums necessary at short intervals. We have a splendid stock of them, and we wish to add, also, that we bought them direct from the manufacturers at jobber's prices. We do not believe there is anyone in this locality who can compete with us on their prices or assortment. Some of this season's albums are strikingly attractive.

Celluloid binding at 25c. to \$5, with fifteen or twenty prices between.

Special Presents.

You don't want to give what every body else gives. We know that and kept that in mind when we were selecting Christmas goods.

We did not buy a "whole lot" of any one thing. We looked and looked everywhere and anywhere to get things which were especially odd or especially pretty or especially attractive in some way, "and we got them."

We are satisfied with this stock of gift things which we have collected. We are sure you will be delightful with them.

Remember when you come here you get articles which are hard to duplicate, you get things which everybody else hasn't got and can't get now.

Come in as soon as you can so that you can take your pick of the entire stock—come before all the best goods are sold—come today.

Hair and Cloth Brushes.

A fine Hair or Cloth Brush makes a very useful and most acceptable present to give anybody. We have a fine assortment of splendid brushes—both hair and cloth—some with fancy backs, others with backs of handsome natural woods—all of them have good, strong bristles, bristles that are put in to stay in.

A fountain pen is the busy man's or woman's companion. It is a perpetual convenience if it is a good one and a constant annoyance if it isn't. We guarantee those we sell to be first class. Prices differ a little, probably more than the quality of the pens. Prices \$1 to \$6.

Waterman's Ideal Fountain Pens lead the world, and this is the guarantee you get when you buy it. Absolute satisfaction—your money back—and the pen fitted to your hand. What more could you ask?
