Another Assault at Rainier.

RAINIER, Or., May 20.—Tom Williams, a member of the Anti-Saloon League of this place, was assaulted by a barroom habitue named Gilbert Lacy early this morning. The saloons had just closed, and Williams was passing the postoffice building when Lacy came across the street and assaulted him. Lacy, Joe Brough, the bartender who is under arrest for assaulting W. C. Fisher a short time ago, and Nellie Sexton a waitress at W. C. Lee's hotel, were on the opposite side of the street, walking in the same direction as Williams. When Lacy crossed the street to make the assault, Brough and the Sexton girl turned and came back down the street. The City Marshal was not present. Williams is badly beaten about the face and head. Williams was one of the party who helped arrest the "Cockey Kid" the night of the assault on Fischer. No reason is given for the assault, except that the saloons were running wide open this morning, and Williams was looked upon as a spotter. Much criticism is heard on the street of the incompetency of the city marshal to cope with conditions in Rainier at the present time. It is predicted that blood will be spilled if a competent Marshal is not secured at once. Williams was converted about two months ago and joined the Methodist church. Prior thereto he was inclined to be wild, but was always considered a quiet sort of fellow, except when under the influence of liquor. Since his conversion he has not touched liquor until last night, when he is known to have taken a few drinks. There was a ball in town that night, which did not break up until early this morning, and Williams is said to have attended it. Lee owns the hotel and Log Cabin saloon. Gilbert Lacy was a frequenter of his place.

Postmaster Robbed.

G. W. Fouts, Postmaster at Riverton, Ia., nearly lost his life and was robbed of all comfort, according to his letter, which says: "For 20 years I had chronic liver complaint, which led to such a severe case of jaundice that even my finger nails turned yellow, when my doctor prescribed Electric Bitters; which cured me and have kept me well for eleven years." Sure cure for Biliousness, Nourishment, Weakness and all Stomach, Liver, Kidney and Bladder derangements. A wonderful Tonic. At Chas. I. Clough's Drug store. 50 cents.

HAZEL BEND.

Elmer Lucas is talking of going to Tillamook to work for Mr. Wheeler during this summer. Mr. and Mrs. W. N. Bays and daughter, Laura and Mrs. N. M. F. Dawson, went to Cloverdale Saturday and remained until Sunday. Mr. and Mrs. O. W. Kinnaman came up to their ranch last Sunday, attended Sunday school and then spent the rest of the day at Mr. Chas. Bays. H. L. Jensen and family visited Saturday and Sunday with Grandpa Jensen's at Hebo. Lloyd Brady was badly hurt last Thursday morning by a cow kicking him over and then trampling him. He has suffered a great deal with his shoulder which was severely wrenched, and he was much bruised and shaken, but at last reports he was thought to be a little better. One of Mr. Gladwill's horses got a nasty cut in the wire fence one day last week, but they do not anticipate any serious trouble in getting it healed as the weather is cool and cloudy. Ben Bixby is making cheese at Hazel Bend now, in place of Ralph Bunn, who has gone home. Mrs. Marie Smith has closed her school at Pleasant Valley, and is visiting her mother-in-law, Mrs. N. Smith, at Blaine for a few days before leaving for her home at Salem. Mrs. Lena McIntyre visited with Mrs. Grace Chopard last Saturday night. Report says Miss Ida Nicklaus has gone to Beaver to stay awhile with her sister, Mrs. Linnie Foland. W. N. Bays is putting up another barn on his ranch this summer, and will also build a milkhouse, we have been informed. Miss Fleta Bays visited friends on the other side of the river a few days ago. Quite a number of those interested in the Children's Day exercises met at the school-house Wednesday to make arrangements for the program and to practice songs, etc. Mr. W. N. Bays went to Tillamook last Monday. Mr. R. M. Dingess has been laid up with a severe attack of his old trouble with his back. Mr. W. D. Gladwill and family, Mrs. Grace Chopard and Norman spent Thursday afternoon at Mr. Chas. Bays's.

ACCEPTANCE OF NOMINATION.

As the Democratic party in Yamhill and Tillamook Counties at the primary election have voluntarily tendered me the nomination of their ticket for the office of Joint Representative in the Legislature, from the 14th District, without solicitation upon my part, and in fact without my knowledge in advance of their intention so to do, I deem it my duty to accept it, and make the race for the position, and in accepting such nomination, to state briefly some of the principles I adhere to, so that those who wish to favor me with their votes in June, may know before hand what to expect of me in event of my election. First—I adhere firmly to, and pledge myself to support the statement known as "Statement No. 1," which is in effect that I will support the people's choice for United States Senator, without regard to my personal preferences, or his political affiliation. Second—I am opposed to grants of all kinds, believing in equal rights to all and special privileges to none, and am especially opposed to the custom of grouping appropriations of public funds for different purposes, into one appropriation bill, thereby forcing the people to support a weak proposition with a strong one. Third—I believe the quickest, cheapest and easiest way to develop the whole country, is by building and maintaining good permanent highways, and if elected will favor such laws as will in my judgment facilitate the opening and permanent improvement of our roads with less expense and less "red tape." Fourth—I believe in the taxation of franchises and the gross earnings of corporations, as a means of reducing the burdens of taxation to the producer and the laboring classes. Fifth—While running for the office, I am running on the democratic ticket, yet I elected I will not favor the passage of any measure that I do not believe will benefit the whole people, as I believe the representative is no greater than the people he represents. I am a citizen first, a democrat afterwards.

IT IS DANGEROUS TO NEGLECT A COLD.

How often do we hear it remarked: "It's only a cold," and a few days later learn that the man is on his back with pneumonia. This is of such common occurrence that a cold, however slight, should not be disregarded. Chamberlain's Cough Remedy counteracts any tendency of a cold to result in pneumonia, and has gained its great popularity and extensive sale by its prompt cures of this most common ailment. It always cures and is pleasant to take. For sale by Chas. I. Clough's Drug Store.

Habit-forming Medicines.

What ever may be the fact as to many of the so-called patent medicines containing injurious ingredients as broadly published in some journals of more or less influence, this publicity has certainly been of great benefit in arousing needed attention to this subject. It has, in a considerable measure, resulted in the most intelligent people avoiding such foods and medicines as may be fairly suspected of containing all harping critics and all opposition that might otherwise be urged against his medicines, because they are now or known compositions. Furthermore, from the formula printed on every bottle wrapper, it will be seen that these medicines contain no alcohol or other habit-forming drugs. Neither do they contain any narcotics or injurious agents, their ingredients being purely vegetable, extracted from the roots of medicinal plants found growing in the depths of our American forests and of well recognized curative virtues. Instead of alcohol, which even in small portions long continued, as in obstinate cases of disease, becomes highly objectionable from its tendency to produce a craving for stimulants, Dr. Pierce employs chemically pure triple-refined glycerine, which of itself is a valuable remedy in many cases of chronic diseases, being a superior demulcent, antiseptic, antiferment and supporting nutritive. It enhances the curative action of the Golden Seal root, Stone root, Black Cherry bark and Blood-purifying Sarsaparilla, in all bronchial, throat and lung affections attended with severe coughs. As will be seen from the writings of the eminent Dr. Grover Cox, of New York; Bartholow, of Jefferson Medical College, Phila.; Sander, of Cincinnati; Ellingwood, of Chicago; Hale, of Chicago, and others, who stand as leaders in their several schools of practice, the foregoing agents are the very best ingredients that can be used for the cure of not only bronchial, throat and lung affections, but also of chronic catarrhs in all its various forms wherever located.
