There is an unusual large run of salmon in the bay this season, and the fish being unusually large, the fishermen are doing a land office business. But suppose Tillamook had a railroad the fishermen on the bay would be strictly in it.

Mrs. V. A. W. Schlappi and children departed Tuesday morning for Marshfield, their future home. Mr. Schlappi preceded them to the Coos bay country, going by the beach route with his team. They leave many friends in Toledo.

George Haag has taken an appeal in the replevin suit in which a jury gave a verdict in favor of Joseph Michael as the owner of a certain boat that was in dispute as to its ownership. S. S. Johnson and W. H. Cooper are the attorneys in the case.

An effort is to be made next month to organize the different cheese factories in this county, forming a Cheese Makers' Association, and it is expected that State Dairy and Food Commissioner Bailey and Mr. Tom Richardson will be present and take part in the organization.

Dr. W. C. Hawk and wife, of Jefferson, and Geo. Conner and wife, of Albany, registered at the Larsen house on Friday and left for their homes on Sunday. They were looking over the county with the object of seeing what opportunities there are here for capital and business.

Joseph Michael vs. George Haag is a suit filed in the circuit court in which the complaint sets out that the latter trespassed and carried away logs belonging to the former, for which he asks damages to the amount of \$62. Attorney W. H. Cooper represents Michael.

W. C. King returned from Portland on Monday, where he had gone to see what help could be obtained in that city with regard to helping out with the cost of obtaining the free rights of way for the Lytle railway. He returned empty handed, for no one in that city was willing to help the Tillamook people with a difficult problem confronting them, that of obtaining 60 miles of free rights of way.

Dr. C. S. Kelsay, recently of Portland, a graduate of the North Pacific Dental College, will locate in Tillamook City about the first of October, and will have his offices in the Olsen building. Mr. Kelsay comes to this city to make a permanent location, and as a dentist he has first class recommendation, being up to date in all kinds of dental work and will guarantee to give satisfaction.

It is hoped that our dairymen here took occasion to inspect the fine exhibit of dairy machinery, etc., made at our late fair and carnival by Monroe & Shelton, of Portland. They are the manufacturers of the milking machine, which they explained to the dairymen while here and which was put in operation and demonstrated at the state fair at Salem, attracting considerable attention. The above firm is well known in this section for the excellent quality of its goods, and is well worthy of patronage.

We are sorry to announce the death of the young son of Mr. and Mrs. Erwin Harrison, which occurred early Wednesday morning, the cause of death being croup. Much surprise and regret was felt at the sudden death, for the little fellow had a healthy appearance and was out with his mother Tuesday afternoon. The funeral took place Thursday, conducted by Rev. F. G. Zimmerman, pastor of the Christian church, and much sympathy is felt for the bereaved parents at the loss of their first born, which was 15 months old.

A number of rights of way have been secured for the Pacific Railway & Navigation Company and placed on file in the Clerk's office. There appears to be a tendency amongst the farmers to do the right thing, for in about 15 miles of rights of way already secured the damages asked amount to about \$100 a mile. Some of those who have given rights of way are John Larsen, Gus Trimpster, Theo. Parks, Lloyd C. Smith, L. L. Smith, John Hickey, W. H. Hoskins, Henry Lederer, Johanna Hobson, Frank Craven, M. H. Ripley, A. C. Daniel and E. R. Bales.

Much credit is due to the spirit of interest manifested by several Portland business houses in our recent Street Fair and Carnival, as shown by their contributions as follows: Marshall Wells Hardware Co., one of their finest Niagara steel ranges, worth \$75; Mason, Ehrman & Co., grocers, \$50; Pacific Coast Biscuit Co., \$25; De Laval Dairy Supply Co., \$10; Blake, McFall & Co., stationers, \$10; M. Sellar, hardware and crockery, \$10; Geo. Laurence Co., harness and saddlery, \$5.00. It is substantial interest like the above that counts, and the people of Tillamook county being the ones benefited, should reciprocate by using their goods, which are handled by our dealers here.

Special attention was attracted at our recent fair by the De Laval Dairy & Supply Co.'s splendid display of all kinds of dairy and cheesemakers' supplies, installed and under the supervision of their popular representative, Mr. R. H. Knight, who received several first premiums on the exhibit. The above firm, besides being the largest of its kind on the Pacific Coast, needs no introduction to the business men and cheese people of Tillamook county, enjoying here the patronage of the majority of the users of dairy supply goods, and which justly merits the reputation it has won in west coast parts for excellent quality and first class service. The fair committee also received a cash contribution from this firm, and can only bespeak for it the hearty support of all desiring best of service and supplies.

It is estimated that it will cost in the neighborhood of \$20,000 to secure the rights of way and terminal grounds for Mr. Lytle's railroad, and with that object in view, at a meeting of the business men it was decided to solicit that amount of money, and on Wednesday \$11,000 was subscribed. When the full amount is subscribed Mr. Lytle will be guaranteed a free right of way, and it is hoped that those who have not subscribed will do so at once, as Mr. Lytle wants to commence work forthwith. As Mr. Lytle's amended proposition, that of being granted terminal grounds in this city, free rights of way between Tillamook City and Nehalem and the rights of way between there and Buxton to cost not more than \$10,000 is the best railroad proposition ever made to the Tillamook people, no time should be lost in accepting it.

Vote of Condolence.

The Tillamook Development League, through its Executive Committee, at a special meeting convened for the purpose, at its rooms, on Wednesday evening, September 26th, 1906, on motion made and unanimously carried, adopted the following resolutions; that

Whereas, our President, Erwin Harrison and wife, have sustained severe affliction in the death of their infant son; it is therefore hereby

Resolved, That we extend to them our profound and heartfelt sympathy in their time of great bereavement, mourn with them in their grief, and commend them to the comfort which only a kind and All Wise Providence can give.

It is further Resolved, That a copy of these resolutions be sent to the bereaved family; also to the newspapers of our city; and incorporated in the records of the Development League.

TILLAMOOK DEVELOPMENT LEAGUE, By J. S. Lemar, E. T. Halton, Ralph Acasby, C. L. Clough, W. G. Dwight, J. R. Harter, Executive Committee.

Weather Forecasts by Telephone.

The subscribers to the Pacific States Telephone & Telegraph Co. in Tillamook City and vicinity are to be supplied with a daily forecast of the weather through an arrangement between the United States Weather Bureau and the Telephone Co. These subscribers may have the benefit of the weather forecasts by calling up the Long Distance Central office at any time during the day after nine o'clock in the morning.

B. C. LAMB, Agent.

Starving to Death.

Because her stomach was so weakened by useless drugging that she could not eat, Mrs. Mary H. Walters, of St. Clair St., Columbus, O., was literally starving to death. She writes: "My stomach was so weak from useless drugs that I could not eat, and my nerves so wrecked that I could not sleep; and not before I was given up to die was I induced to try Electric Bitters; with the wonderful result that improvement began at once, and a complete cure followed." Best health tonic on earth. 50c. Guaranteed by Chas. I. Clough, Druggist.

Sountain Pen

Grand Premium Offer for Ninety Days.

WE have been successful in closing a special contract with THE CONSOLIDATED FOUNTAIN PEN CO., of Brooklyn, N.Y., whereby we can present a guaranteed SOLID GOLD,

Deafness Cannot be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube gets inflamed you have a running, sound or imperfect hearing, and when it is entirely closed, deafness is the result, and as the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed. However, since cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous lining.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

P. J. CHENEY & CO., Toledo, O. Sold by Druggists, 75c. Take Hall's Family Pills for constipation.

CLOUGH'S PLAIN TEAT BISTOURY

For Cutting Obstructed Teats.

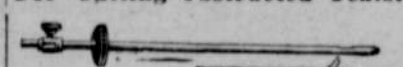

Illustration shows instrument both open for cutting and closed for inserting.

This obstruction may be a stricture or other growth of a tumorous nature, which is often the result of the bite of a dog, a kick or a bruise caused by going over a fence or through a dense underbrush; or the cow may have had some trouble with that quarter of her bag, and in milking and forcing the thickly curdled milk out, a small rupture had resulted, so that when the scar tissue formed, the opening became smaller.

I also carry of German silver milking tubes, four different lengths. Improved instruments for opening obstructed teats without cutting. Feed Probes or Sounds.

Clough's Drug Store.

See Dr. Henry E. Morris. Office: Palace Hotel.
