

TURNING THE FIRST SOD

For the Pacific Railway & Navigation Co.'s Railroad in Tillamook County.

We give below the pictures which were taken two weeks ago when the first sod was turned in this county in the construction of the Pacific Railway & Navigation Co.'s railroad, which failed to reach us for the issue in which a detailed account of the event was given. As, no doubt, a number of our subscribers will want to send this week's issue to their friends or keep it as a souvenir of the long looked for event, the pictures will be found interesting. Work commenced east of this city on what is known as the Eli Goodspeed place, which is to become the terminal grounds, and it was in the presence of a large number of citizens that Mayor Botts, whose picture is given in the center, turned the first sod in this county for a railroad.
