

**HEAVY COURT DOCKET.**  
With 87 Cases to Come up in the Circuit Court.

Judge William Galloway will convene the April term of the circuit court Monday next with 87 cases on the docket, which does not include criminal cases, which, thus far, include the Arstelt case and the local option cases appealed from the justice court. Whether a grand jury will be called that appears to be a secret, but, if so, it may mean a number of criminal cases, for the selling of poisonous, doctored whiskey ought to be investigated. The condemnation suits by the railroad companies will take up some time of the court, especially in the case where the Pacific Railway & Navigation Company brings an injunction suit to restrain the Astoria & Columbia River Railroad Company from building into Tillamook county, which is liable to be hotly contested by railroad attorneys.

**A Woman Tells How to Relieve Rheumatic Pains.**

I have been a very great sufferer from the dreadful disease, rheumatism, for a number of years. I have tried many medicines but never got much relief from any of them until two years ago, when I bought a bottle of Chamberlain's Pain Balm. I found relief before I had used all of one bottle, but kept on applying it and soon felt like a different woman. Through my advice many of my friends have tried it and can tell you how wonderfully it has worked.—Mrs. SARAH A. COLE, 140 S. New St., Dover, Del. Chamberlain's Pain Balm is a liniment. The relief from pain which it affords is alone worth many times its cost. It makes rest and sleep possible. For sale by Clough's Drug Store.
