 The Potter-Chapin Realty Company filed with the County Clerk on Monday the plat of Bayocean Park. The land embraced in the proposed park contains the peninsula of Tillamook Bay, locally known as the Sand Spit, embraces the land on the Cape and extends the whole length of the peninsula, having a water frontage on the ocean and one on the bay as well. The land is platted with streets and an ocean and bay boulevard, and contains 4,030 lots, mostly 50ft. by 100ft. On the ocean side, and in about the center of the peninsula, 100ft. above sea level, a reserve is made for the large hotel which is to be built, and adjoining this, on the north, is another piece of land reserved for a bath house. In a direct line from this, on the Bay side of the peninsula, land is reserved for a pier, boat house and pavilion. A channel is to be dredged to connect with the channel on the west side of the bay, so that vessels can reach the pier. Water is to be obtained from the Cape and will be piped the whole length of the peninsula. In the long narrow neck of the peninsula, which is only 320ft. wide, a row of lots face the ocean and another row face the bay. There is also reserved, on the bay side a piece of land for campers, called Tent City. The Potter-Chapin Realty Company does not own the whole of the land on the peninsula, for the N.W. corner of the sand spit is a government reserve. *
 If the present plans of the promoters of this proposed summer resort are carried out, it will be necessary to have a wagon road built to Bayocean Park, and this can be done by crossing Tillamook river, west of Tillamook City, and thence through the Elmore ranch, making a water level road around the west and south sides of the Cape to Bayocean Park, which would make a very pretty road for driving an automobile, giving that section of the country a way out by road. *
Sunny Mead addition to Tillamook City. *
 The **W. S. Hayes** five acre tract, contracted for by the Tillamook Real Estate Company, will be platted and placed on the market. All lots sold on contract to be delivered July 1st, 1907. The steamer **Sue H. Elmore** left Tuesday with the following passengers: **Mrs. Huntsinger**, **Miss Pearl Huntsinger**, **E. B. Morgan**, **Mrs. Wiley**, **Mr. Moyer** and wife, **Mrs. Strange**, **S. B. Holt**, **Miss Holt**, **F. Mapes**, **G. E. McDonald**, **S. E. Eppier**, **Miss Josie Davis**, **S. S. Johnson**, **Homer Mason** and wife and **W. Stephens**.

H. L. Chapin and **W. B. Chapin**, who are connected with the Potter-Chapin Realty Company, were in the city Monday doing business in connection with the scheme to turn the Tillamook Bay peninsula into a great summer resort. It will be several days before the lots in Bayocean Park are put on the market, but it is stated that there is already a demand for them.

The remains of **Mrs. Ella R. Hays** were brought in on the steamer on Saturday, the funeral service taking place on Sunday afternoon at the Presbyterian church, conducted by **Rev. G. F. Zimmerman**, and the interment was in the Odd-fellows' cemetery. A large congregation attended the funeral service, thereby showing their respect for the deceased lady and in sympathy for the bereaved children and relatives.

The uniforms for the Tillamook Brass Band came in on the steamer on Saturday, and the boys made their debut in their new togs on Wednesday evening by giving a band concert on the business streets. One week from Saturday the band will give a concert at the opera house, assisted by a number of lady vocalists. Everybody buy a ticket and help the boys out, for they have gone to considerable expense in buying uniforms and expensive instruments.

Mr. G. M. Watkins, who died in this city on Thursday evening, was buried on Saturday, the funeral services being conducted by **Rev. D. L. Shrode** in the M.E. church in this city. **Mr. Watkins** was born in Tennessee on the 6th April, 1846. He went to Iowa when he was six years old. He was married in that state to **Miss N. J. Funk** in 1868. They came to Oregon in 1873, settling in Linn county, and his wife died on June 6, 1897. He came to Tillamook about nine years ago, living on his farm at Netarts, where he was much respected. **Mr. Watkins** had a stroke of apoplexy, with heart trouble, from which he suffered for several months. He had no children, but had a sister living in Iowa.

A suit was filed in the circuit court on Tuesday by the Tillamook Lumbering Company against **W. J. Woodside**, of San Francisco, for \$4,000. Defendant is the owner of the lumber schooner **San Buena Ventura**, who bought two cargoes of lumber from the company, agreeing to pay for the lumber on delivery at this port. As only part of the money had been paid on the first cargo, and none being in sight for the balance and for the second cargo, suit was brought and the lumber and schooner were attached. **Sheriff Crenshaw** took charge of the **San Buena Ventura** and the lumber on Wednesday, leaving **Elmer Baker** in charge. **H. T. Botts** is attorney for the Lumbering Company.

Resolutions of Condolence.

Hall of Morning Star, Rebecca Lodge, No. 52, I.O.O.F., Tillamook, Oregon, July 3rd, 1907.

OFFICERS AND MEMBERS.

We, your committee appointed to draft resolutions of condolence on the death of **Sister Ella R. Hays**, respectfully submit the following:

In the rapid march of time we are again reminded of the uncertainty of life by the death of those with whom in years past we have learned to love and respect. The sad duty devolves itself upon us to announce the death of our well beloved friend and sister, **Ella R. Hays**, who departed this life on the 30th of June, 1907, leaving four children, a mother, four sisters and a large circle of friends to mourn her loss. By her death hearts have been crushed and homes made desolate, yet we would bow in humble submission to Him who rules the universe.

The relentless scythe of time has again cut the brittle thread of life and our sister has passed through the dark vale to the sunlight of our lodge home beyond the grave.

Now one leaves the door that opens, When they pass beyond recall; Soft as loosened leaves of roses, One by one our loved ones fall.

Resolved, That we hereby tender to the sorrowing relatives of our deceased sister our heart felt sympathy in this time of their great loss.

Resolved, That these words of condolence be entered at large on the memorial page of our lodge records.

Resolved, That the N.G. be directed to cause the charter of this lodge be draped in the habitation of mourning for a period of thirty days.

Resolved, That the recording secretary be directed to furnish the family of our deceased sister with a copy of these resolutions duly certified under the seal of the lodge.

Fraternally submitted,
Mrs. Jennie Bailey,
Mrs. Delia Tyler,
Mrs. Mary Wilt.
