### CIRCUIT COURT DOCKET.

#### Long List of Cases with Five Divorce Suits.

Circuit court will convene on Monday next, with Judge Geo. H. Barnett on the bench. The docket is again long, there being 93 cases, but as quite a number of these have been settled, especially in the condemnation suits brought by the Astoria & Columbia River Railroad Co. and the Pacific Railroad & Navigation Co., there are five divorce cases. From general indications there are no criminal cases, unless Deputy District Attorney Cooper has some violators of the law he is jacking up.

## 10c. EYEGLASSES.

Have you ever gone through a ten cent store and found men and women buying eyeglasses at a counter where they could pick up a pair of glasses which magnified the letter printed on a newspaper? How much are your eyes worth to you? You would not give them up for a million dollars (\$1,000,000) and spend the rest of your days in darkness. Yet you are willing to put 10c. spectacles on million dollar eyes! It is one of the most dangerous things you could do, for the eyes are not able to stand such a fuse. It may be expensive to have your eyes carefully examined and fitted with proper glasses, but it may save your vision and even your health.

It is not economy for all to make a purchase of ten cent glasses. You can economize in a wonderful manner in a ten cent store, but not when eyes are a consideration.

I guarantee to fit you correctly and at a price that is reasonable. Examination free.

### DR. HENRY E. MORRIS.

#### A Reliable Remedy for Croup.

With the dry cold weather of the early winter months, parents of croupy children should be on the alert for ominous symptoms. There is no cause for anxiety, however, when Chamberlain's Cough Remedy is given in the house. If this medicine is kept as soon as the child becomes hoarse or even after the croupy cough has appeared, the attack may be warded off. Mrs. S. Rosenthal, of Turner, Michigan, says: "We have used Chamberlain's Cough Remedy for ourselves and children for several years and like it very much. I think it is the only remedy for croup and can highly recommend it." For sale by Clough's Drug Store.

#### A Hard Debt to Pay.

"I owe a debt of gratitude that can never be paid off," writes G. S. Clark of Westfield, Iowa, "for my rescue from death, by Dr. King's New Discovery. Both lungs were so seriously affected that death seemed imminent, when I commenced taking New Discovery. The ominous dry, hacking cough quit before the first bottle was used, and two more bottles made a complete cure." Nothing has ever equalled New Discovery for croup, colds and all throat and lung troubles. Guaranteed by Chas. I. Clough's druggist, 50c and \$1.00. Trial bottle free.

The Headlight and the Weekly Oregonian, \$2.25

#### He Fought at Gettysburg.

David Parker, of Fayette, N. Y., who lost a foot at Gettysburg, writes: "Electric Bitters have done me more good than any medicine I ever took. For several years I had stomach trouble, and paid out much money for medicine to little purpose, until I began taking Electric Bitters. I would not take \$500 for what they have done for me." Grand tonic for the aged and for female weaknesses. Great alterative and body builder; best of all for lame back and weak kidneys. Guaranteed by Chas. I. Clough, druggist, 50c.
