The STORE that MAKES GOOD!

TODD & CO.,

The Clothiers and Furnishers.

We are still doing business at the old stand. We are not making any sensational sales or clearance sales.
 We never mark our goods up in order to make reductions.
 We sell at a fair profit, not at cost. We make one price to all, and that as low as possible for a successful business.
 We appreciate your patronage, and shall treat you in the future as we have in the past.
 We will take **CLEARANCE HOUSE CERTIFICATES** in trade on your account or note.
 We believe they are perfectly good, and should be taken by every one without hesitation. They are backed by the very best securities to the amount of one and one half times the face of each certificate, and will be redeemed February 1st, 1908.
 Anyone telling you that these certificates are not good is either ignorant or has no good motive in view.
 All those owing accounts of over 30 days, call and settle, we want the money because it is due us.
 In conclusion let us state that we are headquarters for everything that men wear.
 We are the oldest firm doing business in Tillamook City. Call and see us at the old stand.

And now the trouble is all over—our banks are stronger than ever—stronger than the Rock of Gibraltar!
