At a special meeting of the city council on Friday evening, N. J. Myers was appointed special policeman and night watchman at a salary of \$65 a month.  
Saturday next King & Smith will give away the Teddy Bear (the largest in the city), to the girl getting them the largest number of sales for silver ware.  
What more appropriate and acceptable gift for your boy or girl than one of our savings books with a credit of a dollar or more.—Tillamook County Bank.  
On Monday evening, the 23rd, the pupils of St Alphonsus Academy will give a musical program, consisting of a Christmas cantata and several vocal and instrumental selections.  
The stores were out of flour, and as none came in on the steamer for A. McNair, Geo. Edmunds and Fred Sappington, and a small amount for W. Mills, this went like hot cakes.  
The strength of a financial institution is in its Capital, its Assets, its Honorable Record, and the Ability, Character, Experience and Standing of the Men who conduct its affairs.  
The subject for the debate between the Tillamook and Astoria High School is "Resolved that the railroads of the United States should be owned and operated by the government."  
C. N. Drew, who had charge of the lumber schooner San Buena Ventura while she was tied up in the bay, is not required any longer now that the vessel is safely berthed in this city.  
Married, on Dec. 4th, at the home of James Christensen, at Beaver, father of the bride, David D. Jones and Miss Leona D. Christensen, the ceremony being performed by the Rev. T. W. Williams.  
When you want Hams, Bacon and Lard, go to the J. D. Jones Packing Company, who supplies the wholesale and retail trade with the best home cured meats. You will save money by trading with this company.  
Fairview Grange will meet at their hall next Saturday, at which a good attendance is desired, as it is the annual election of officers, and all members are expected to take part, as well as pay up what they are delinquent on the books.  
District Clerk Alva Finley has completed the school census for this district which was taken the first week in November, giving 303 children of school age. The census taken last June was 263, which is a gain of 40 in five months.  
The ladies of the Presbyterian Church will hold a sale of fancy and useful articles on Saturday afternoon and evening, Dec. 21, in the store building next door to Sturgeon's, on Main street. The articles are suitable for Christmas presents.

**Lamar's Drug Store has the largest assortment of toys for Xmas presents in the city.**

Mayor Botts has appointed Mrs. I. M. Smith and Mrs. Hy. Crenshaw to serve on the Library Board, the personal of which is now composed of Prof. W. R. Rutherford, Miss Mildred Lister, Mrs. B. C. Lamb, L. Hiner, Mrs. I. M. Smith and Mrs. Hy. Crenshaw.  
Work on the road which the settlers of Blaine were building to give them an outlet into Yamhill county, and which would save ten miles travel, was stopped by Forest Warden Leach, as they were fencing up land in the government reserve and slashing for a road, without first obtaining permission to do so.  
The lumber schooner San Buena Ventura, which has been tied up at Dick's Point, under attachment, was brought up to this city on Tuesday by Sheriff Crenshaw and tied up for safe keeping, owing to the stormy weather on the bay. As she is loaded with lumber and her hull is covered with barnacles, it took two tides to bring her up.  
Call in and see the new stock of ladies' and gentlemen's shoe at P. F. Browne's, the Red Front Shoe Store. Just in on the last boat. It is a fine class of goods, suitable for the wet season, so now is the time to buy the best shoes placed on the market. No Christmas present is more appreciated than a stylish pair of ladies' or gent.'s shoes or slippers.  
Owing to the price of cheese taking a tumble, the Tillamook Creamery will make butter again this week, which it has not done for a number of years, and as butter is a good price in Portland, it will be shipped there by steamer. The cheese market has been firm the whole of the year up to the present time, with only a few thousand boxes to be disposed of. As there is but a small amount of cheese being manufactured now, the decline in price does not cut much figure.

**Edison Phonographs and Records for sale on easy payments at Lamar's.**

The steamer Sue H. Elmore came in on Sunday with freight and passengers, it being three weeks since her last trip, the weather being so rough it was impossible to get out. Freight has been accumulating at Astoria, which will be brought in as soon as possible should the weather continue favorable for a few weeks. Her passengers were Mr. Crutson, M. B. Sutton and wife, D. J. Phelps and wife, Mrs. Baker, E. J. Parker, Mrs. Thayer and daughter, Messrs. Lorich, Campbell, Robinson, Stock and Cannon.  
Mr. and Mrs. Geo. W. Kiger gave a party on Friday evening in honor of their niece, Miss Laura Kiger, who is staying with them this winter from Ohio. A most pleasant evening was participated in and a dainty lunch was served by the hostess. The guests were: Misses Blanch McNiff, Ida Goyne, Daisy Goodspeed, Vine Jenkins, Father Munson, Jessie Mason, Ruby McGhee, Marie Smith, Gertrude McKimens and Clara Watt and Henry E. Morris, Earl Crockett, Albert Plank, D. Newman, W. Lamb, S. Coates, U. Nolan and R. Watt.  
The November term of the circuit court lapsed on Friday of last week as neither of the circuit judges were here to hold or adjourn court, consequently it will not be necessary for the juryment to put in an appearance. It is the intention of Judge Burnett to call a special session of the circuit court about the 3rd of February, when it is expected he will have time to come here and take up the cases on the November docket, when another jury will have to be drawn. The judge, in calling a special session, will have to specify the cases to come up then. It was the intention of Judge Burnett to come in as soon as the bank holidays were over and adjourn court, but as Governor Chamberlain misled everybody by not making Thursday, Friday and Saturday of last week holidays, it is going to cause no end of bother to litigants.
