of Available Merchandise in this SIMPLE FACT. As all Tillamook County knows Mr. Todd enjoys the honorable position of County Treasurer. A very few of his intimate friends know that the closing of one of the Portland banks lately tied up and endangered the loss to the county of a considerable amount of cash on deposit there. Taking no Chances as to its loss to the county, and that the county might have the immediate use of the money, Mr. Todd at once raised the entire amount and placed it to the county's credit, and now to reimburse this amount Todd & Co. decided to sacrifice their profits, and cost it necessary and start this Sale at once and continue same with unabated vigor until entire principal and interest shall be wiped out.
