Letter From Astoria.

Astoria, Ore., Jan. 28, 1908

Prof. W R. Rutherford,
Tillamook, Ore.

Dear Sir :—On behalf of the Astoria High School, the teachers and friends we want to extend to the Tillamook High School and friends our most hearty thanks for the most gracious treatment accorded to Sup't Clark and to our debating team. They all speak in the highest terms of praise of your team and the many kindnesses shown. They spoke most enthusiastically of the treatment of them in the debate by the members of your school. They enjoyed the banquet very much. We are sure that the contest has awakened a deep interest and engendered a most friendly feeling between the two schools.

Prof. Clark was very much pleased with the treatment accorded and wishes to thank those who spoke so kindly of our efforts.

The team arrived home safely and are eager for the fray again. Our next debate is with the winner of the Gresham Clatskanie debate.

Hoping that next year we may entertain you and extending our thanks to the judges, we are,

Yours very sincerely,
I N. Garman,
A. L. Clark.

From Earth to Heaven.

On Thursday last, about 3:40 p.m., little Helen Hoffstatter died at St. Alphonsus Academy. Her relatives, the Sisters and a number of friends were gathered about her tiny bed when she bid adieu to this world.

The sweet child was conscious to the last; just as patiently as she bore her long illness of ten or more weeks, so bravely she battled to her dying breath. Her houghts seemed to be with those she loved. One would almost imagine to hear these words from her quivering lips :

Good bye papa, brother, sister,
I am going to leave you now,
Going home to be with mamma;
Far beyond the agure sky.

Soon your grip will all be over ;
Days of toil will soon be o'er,
Then we'll meet and meet forever,
On the bright and heavenly shore.

The funeral took place at Sacred Heart Church, where Rev. L. A. Le Miller spoke very touchingly on the life and death of our little departed friend.

Many Sleepless Nights, Owing to a Persistent Cough. Relief Fund at Last.

"For several winters past my wife has been troubled with a most persistent and disagreeable cough, which invariably extended over a period of several weeks and caused her many sleepless nights," writes Will J Hayner, editor of the Burley, Colo., Bulletin. "Various remedies were tried each year, with no beneficial results. In November last the cough again put in an appearance and my wife acting on the suggestion of a friend, purchased a bottle of Chamberlain's Cough Remedy. The result was indeed marvelous. After three doses the cough entirely disappeared and has not manifested itself since. This remedy is for sale by all Druggists.

Neighborhood Favorite.

Mrs. E. D. Charles, of Harbor, Maine, speaking of Electric Bitters, says: "It is a neighborhood favorite here with us." It deserves to be a favorite everywhere. It gives quick relief in dyspepsia, liver complaint, kidney derangement, malnutrition, nervousness, weakness and general debility. Its action on the blood, as a thorough purifier makes it especially useful as a spring medicine. This grand alterative tonic is sold under guarantee at Chas I Clough's drug store. 50c.

Everybody is welcome when we feel good; and we feel that way only when our digestive organs are working properly. Dr. King's New Life Pills regulate the action of stomach, liver and bowels so perfectly one can't help feeling good when he uses these pills. 25c. at Chas. I. Clough's drug store.

Industry, Temperance, Virtue.

Just as the Jewish Synagogue was for men who believed in the God of Abraham, as the Church of Christ was for the believer in Christ, so the Independent Church is for the believer in the Spirit God. As every Church has a creed or standard, it is quite natural for the Independent church to draw a line. Industry is the first mark of a man, he who does nothing to support himself must live off the resources of others whether he sponges his living off his friends or relatives or schemes his living off the public or is maintained in a penal institution, it all amounts to the same.

Temperance is neither hot or cold, wet or dry. If we go north of the temperate zone we find few people of any note, who are contented with a few furs and a little blubber. Their intellect is limited to the mere support of life. If we go south of the temperate zone we find an indolent people that lay around in the sun like an aligator with no ambition. Temperate is moderate medium. Virtue If I were an artist and would attempt to draw a picture of virtue, I would not choose a barren old maid for my picture, but instead a young mother with her group of babies, whoes reliance for support was her husband who was a modle of industry and temperance, who was at peace at heart by the communion of the Spirit God. J C. Gove.

The wonderful ruins at Mitia, Mexico, can now be reached by a railroad recently opened from Oaxaca. When the Pan-American Railroad is built some of the most remarkable architectural relics in the world will be within convenient range of tourists, with an extensive choice of delightful winter climates.

The superintendent of public schools in Washington has been removed for inefficiency, lack of judgment, tact and mental pose, insubordination, libeling the school system, destroying dicipline, ridiculing the district commissioners, antagonizing the School Board and needlessly discarding 5400 text-books Any naval officer who happens to be in hot water will notice that there are others.

Save Money by Buying Chamberlain's Cough Remedy.

You will pay just as much for a bottle of Chamberlain's Cough Remedy as for any of the other cough medicines, but you save money in buying it. The saving is in what you get, not what you pay. The sure to-cure you quality is in every bottle of this remedy, and you get good results when you take it. Buying cough medicine is an important matter. Neglected cold often develop conditions, and when you buy a cough medicine you want to be sure you are getting one that will cure your cold. When you buy Chamberlain's Cough Remedy you take no chances. It always cures. Price 25 and 50 cents a bottle. For sale by all Druggists.

The Jumping Off Place.

"Consumption had me in its grasp; and I had almost reached the jumping off place when I was advised to try Dr King's New Discovery; and I want to say right now, it saved my life. Improvement began with the first bottle, and after taking one dozen bottles I was a well and happy man again" says George Moore, of Grimesland, N.C. As a remedy for coughs and colds and healer of weak, sore lungs and for preventing pneumonia New Discovery is supreme 50c. and $1.00 at Chas. I. Clough, druggist. Trial bottle free.

COMMON SENSE

Leads most intelligent people to use only medicines of known composition. Therefore it is that Dr. Pierce's medicines, the makers of which print every ingredient entering into them upon the bottle wrappers and attest its correctness under oath, are daily growing in favor. The composition of Dr. Pierce's medicines is open to everybody. Dr. Pierce, being desirous of having the search light of investigation turned fully upon his formulæ, being confident that the better the composition of these medicines is known the more will their great curative merits be recognized. Being wholly made of the active medicinal principles extracted from native forest roots, by exact processes original with Dr. Pierce, and without the use of a drop of alcohol, triple-refined and chemically pure glycerine being used instead in extracting and preserving the curative virtues residing in the roots employed, these medicines are entirely free from the objection of doing harm by creating an appetite for either alcoholic beverages or habit-forming drugs. Examine the formula on their bottle wrappers—the same as sworn to by Dr. Pierce, and you will find that his "Golden Medical Discovery," the great blood-purifier, stomach tonic and bowel regulator—the medicine which, while not recommended to cure consumption in its advanced stages (no medicine will do that) yet *does cure* all those catarrhal conditions of head and throat, weak stomach, torpid liver and bronchial troubles, weak lungs and hang-on-coughs, which, if neglected or badly treated lead up to and finally terminate in consumption.

Take the "Golden Medical Discovery" *in time* and it is not likely to disappoint you if only you give it a *thorough* and *fair* trial. Don't expect miracles. It won't do supernatural things. You must exercise your patience and persevere in its use for a reasonable length of time to get its full benefits. The ingredients of which Dr. Pierce's medicines are composed have the unqualified endorsement of scores of medical leaders—better than any amount of lay, or non-professional, testimonials. They are not given away to be experimented with but are sold by all dealers in medicines at reasonable prices.
