**GLENORA.**

J. F. Reeber is building a large barn. Wm. Ryan returned to his home on the river Monday.

Cougars are getting too friendly to be comfortable up here. A large one was trapped by the Reeber boys a few days ago, and today another was seen near the bridge sneaking behind two of the family who were fishing. Arthur Reeber happened to be crossing the bridge and saw it, about 10 feet from the absolute fishermen. "See that panther," he yelled and ran at full speed to the house for a gun. By the time he returned the animal was out of sight. The boys traced it for half a mile, when it disappeared over the mountain. They hope to be able to trap it.

Mrs. Reeber just returned from a two weeks' visit at her daughter's, Mrs. C. A. Hoyt, of Forest Grove. While there another grand daughter was added to the family circle, to the joy of the parents and grandparents.

Stella Smith is visiting her sister, Mrs. M. B. Illingworth.

Paul Hubl and J. F. Reeber went to Forest Grove on Wednesday.

Spring is here, and crops are looking fine.

**A Twenty Year Sentence.**

**Beware of Ointments for Catarrh that Contain Mercury.** as mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally, and made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials free. Sold by Druggists, price 75c. per bottle. Take Hall's Family Pills for constipation.

**H. M. CAKE,**

Candidate for U. S. Senator on the Republican ticket.

The race between Cake and Fulton at the primaries looks like a big cake victory. Is it an easy matter for a few men to meet and declare against Statement No. 1; it is a different matter to get people to vote for a man who will not support their choice for United States Senator unless that choice happens to be his own. Fulton has greatly weakened himself by having his friends fight Statement No. 1, showing that he is afraid to abide by the will of the people, but must resurrect the old machine methods in order to win. Cake, on the other hand, is an avowed champion of Statement No. 1, and is willing to abide by the verdict of the ballots. He wants to be senator if the people want him—not otherwise. It is the opinion of the Review, based on reports from all parts of the state, that the next legislature will be composed largely of Statement No. 1 members, and that the man who receives the endorsements of the people at the general election will be the next United States senator from Oregon, as he should be.—Jefferson Review.

It is a great remedy and one of the best patent medicines on the market. I handle some others for the same purposes that pay me a larger profit, but this remedy is so sure to effect a cure, and my customer so certain to appreciate my recommendation to it, that I give it the preference." For sale by all druggists.
