 The School District Boundary Board held a meeting on Thursday, when the following business was transacted: G. W. Prices will be the same as before.  
 Ex-Senator J. W. Maxwell, who has been in California and New Mexico for several years, has returned to the county to take up his residence here. He is looking well, but is not quite as fleshy as he was when he left the county. As it is a long time since the ex-senator left this Little Kingdom of Tillamook, we wonder whether it will be necessary to naturalize him. Mr. Maxwell, like a good many other persons who have gone away from Tillamook, is glad to get back and shake hands with his old-time friends once more.

 'Tis hard to break the tender cord,  
 When love has bound the heart;  
 'Tis hard, so hard to speak the words,  
 Must we for ever part?  
 Dearest, loved one, we have laid thee  
 In the peaceful grave's embrace,  
 But thy memory will be cherished,  
 Till we see thy heavenly face.  
 Died, at her home at Pleasant Valley, April 29th, Hulda A. Hiatt, wife of Wm. Hiatt, aged 52 years, three months and one day. Mrs. Hiatt was born at Monmouth, Oregon.  Call not back the dear departed,  
 Anchored safe where storms are o'er,  
 On the border land we left them  
 Soon to meet and part no more.  
 When we leave this world of changes,  
 When we leave this world of care,  
 We shall find our missing loved one,  
 In our Father's mansion fair.

The committee was called together and met in Attorney Botts' office, and after discussing the matter came to the conclusion that it was almost next to impossible to raise any more money, and Mr. McCamant was notified to that effect.

**BEAVER**  
 Monday of this week was a big day for the horsemen of Nestucca valley. B. O. Snuffer gave a dinner to a company of his friends at the Gilbert Hotel. We learn there were about 30 invited.  
 Quite a number of the patrons of the Hemlock cheese factory have had to haul their milk to Beaver factories. All because of a small explosion in the boiler of their factory there.  
 The Beaver cheese factory is busy every day now.  
 Mother Kinnaman is still quite poorly, and does not seem to gain much strength.  
 The church in Beaver is receiving a much needed coat of paint.  
 And still it rains, but then this would not be Tillamook if it did not rain.  
 We are informed that Rev. A. W. Ginn will preach at Beaver next Sunday, May 10.  
 Last Sunday morning we noticed that Mt. Hebo had on a snow white dress.  
 Trout fishing seems to be pretty good sport along Beaver creek now.

**SANDLAKE.**  
 R. R. Creighton's auction sale was a very quiet affair, there being a small crowd. Nearly everything went for half price and less. That was good for them that bought, but very hard on the one who sold. Mr. Creighton intends to make his future home in Idaho and we all wish him success.  
 Herman Tohl and wife, of Hemlock, visited with E. R. Hayes and wife Sunday.  
 E. E. Webb and daughter Elsie are visiting with friends and relatives at Cloverdale and Oretown this week.  
 Ira Diamond is making cheese and cranberry boxes this week, and if the water stays up long enough he intends to saw out several thousand feet of road plank.  
 J. R. Thompson left for the valley last week, and this being leap year, we are afraid poor Jim is a-goner.  
 Jay Hoyt, of Sandlake, has hired out to work for Mrs. Bales for the summer.  
 Clyde and Lillie Webb, the Sandlake carpenters, have just completed a fine warehouse.  
 L. A. Hoyt's cheese factory started up last week with Miss Ethel as head cheese maker.

**Keep a Written Account**  
 of all Your Expenditures.  
 You know from experience it is hard to save from your earnings—but it can be done if you set your heart and head in that direction. The only way to do it is to keep an account of what you earn and what you spend.  
 The simplest way to keep this record is to have a bank account—deposit your money with this bank and pay all bills by check. Your bank book and returned checks are the record you want—they will tell the story of your money both earned and spent.  
 Now would be the proper time to begin.  
**Tillamook County Bank,**  
**TILLAMOOK, ORE.**

**HOBSONVILLE.**  
 Miss Leola Dunham has just finished a successful term of four months school at Vostburg, and she passed through here Monday on her way home to Independence.  
 Captain Forby, wife and two children, of the Life Saving Station, went to Bay City Tuesday.  
 John Hobson made a flying trip to Garibaldi Sunday.  
 Quite a number of Hobsonville people attended the school exercises at Bay City, Friday night.  
 Mrs. Fred Kabke has been real ill in bed for the last few days.  
 Mr. and Mrs. L. Bypum are waiting patiently for their tent, which was to come on the last boat but didn't, they intend to enjoy tent life for a while.  
 Mr. Gaines had the misfortune to smash two of the fingers on his right hand the other day while working in the mill.  
 Mrs. Bent has been under the weather several days.  
 Condor Thorrell, who has been employed in the mill here, left Tuesday for

his home in Truckee, Calif. He will be missed by his many friends.  
 Mrs. Loue Kiefenburg is quite ill. Dr. Hawk, of Bay City, was called to her Tuesday.  
 Mr. and Mrs. Mandis were Tillamook visitors Wednesday.  
**BOULDER CREEK.**  
 Mr. and Mrs. H. A. Chopard and Norman spent last Sunday at the home of Mr. D. H. McIntyre.  
 G. H. Robison has sold one of his horses to W. N. Bays and has been trying to purchase another one to work in the place, as he has only one left, and ranching with one horse is uphill business.  
 There was a surprise party at W. D. Gladwill's last Monday night to celebrate Mrs. Gladwill's birthday. Those present were: H. L. Jensen and family, D. H. McIntyre and family, E. P. Mills and family and M. A. Cady and family. We have heard no particulars, but presume they had an enjoyable time.  
 H. A. Chopard has his shingle camp in

operation now, and is turning out some fine shingles. He is making for his own use, but will also sell to any one who wants them. His wife is the silent (7) partner in the firm. She does the baling, so of course it is done ok.  
 H. L. Jensen is building lots of new fence, which makes a great improvement in the looks of any ranch.  
 E. P. Mills bought a horse of Bert Sherwood, at Hebo, a short time ago, and was out the other evening taking a sleigh ride behind his team of grays.  
 Our mail has been put on the summer schedule now, which makes it convenient when one wants to communicate with Tillamook, as our mail connects with the Tillamook mail, and a letter will reach its destination the same day it starts, instead of lying over in Beaver until the next day as it does in winter.  
**To Correspondents.**  
 Several communications are crowded out this week, including a letter from Mr. L. D. Ackley, which will appear in our next issue.
