 Articles of incorporation of the Astoria-
 Seaside-Tillamook Railway Company
 were filed in the County Clerk's
 office at Astoria last week, the incorpor-
 ators being F. L. Evans, E. G. Fergu-
 son, H. G. Van Dusen and W. E. Buffum.
 Capital stock is \$2,000,000, divided into
 200,000 shares of \$10 each. According
 to its articles it will construct and op-
 erate an electric railway and is author-
 ized to maintain docks, elevators, ware-

 Thomas Coates returned from Port-
 land on Sunday with the letter of ac-
 ceptance from Mr. Lytle, but could give
 no further information as to when the
 work on the railroad would start up
 other than that which was published in
 our last issue. In the letter of acceptance
 Mr. Lytle is not very positive about the
 railroad being built in the time specified,
 for he says: "The conditions attached
 to the subscription of May 27th, 1908,
 are somewhat rigorous, but this com-
 pany hopes to be able to complete its
 railway line within the time stated and

avail itself of the subscriptions therein
 tendered."
THE HEMBREE CASE.
Motion Made and Affidavits Filed
that he did not Plead.
 Wednesday was the day set for passing
 sentence upon A. J. Hembree, the Gand-
 lake murderer, by Circuit Judge Burnett
 at Dallas, who had been found guilty at
 that place for the murder of his wife.
 When the case was called Hembree's
 attorneys made a motion and submitted
 affidavits that he had not been arraigned
 in court. To give District Attorney Mc-
 Nary time to procure evidence to dis-
 prove this, Judge Burnett continued the
 case until July 9th, when the motion will
 be argued.
 The records of the Court, both the
 Bench Docket and Court Journal, show
 that Hembree did plead, and is so re-
 corded. It seems that the defence is
 attacking Judge Galloway's entry in the
 Bench Docket, which is as follows:
 "Defendant present and pled not guil-
 ty. Motion for change of venue argued,"
 etc.
 As the words "pled not guilty" are
 written above the line by Judge Gallow-
 way, this is one of the grounds upon
 which it is proposed to knock out the
 recent trial.
FRAUD IN COAL LAND DEAL.
Judge McBride Sets Aside Deeds
of Nehalem Coal Company.
 ASTORIA, Ore., June 20.—At this morn-
 ing's session of the Circuit Court, Judge
 McBride rendered a decision in favor of
 the plaintiffs in the case of Charles
 Robitch vs. The Nehalem Coal Company
 and Frederick Robitch and Elizabeth
 Robitch. The two cases were identical
 and were brought to recover 480 acres
 of land located in the lower Nehalem
 River district, which the complaint as-
 serted the plaintiffs had deeded to the
 defendant company for \$4500 of the
 company's capital stock at the par value
 of \$1 per share. The complaint alleged
 that the land was sold upon the repre-
 sentation by officers of the company that
 the entire \$150,000 of the company's
 capital stock had been sold at its face
 value and the company had sufficient
 money to proceed with the development
 of its coal lands, whereas \$75,000 of
 the stock had been given as a bonus in
 purchase of certain tracts of land.
 Several other accusations of fraud were
 also alleged. The court, in rendering
 his decision this morning, held that the
 deeds to the plaintiffs' property had been
 secured through misrepresentation, and
 made an order directing that the deeds
 be set aside and the property re-
 conveyed to its original owners.

Dramatic Club Presents Drama.
 The Dramatic Club of St. Alphonsus
 presented the "Little Heroine," a drama
 in four acts, at the Academy hall, last
 Tuesday evening, a large audience being
 present to witness the performance. The
 play was entertaining and delighted the
 audience. The young amateurs did re-
 markably well, their performing pleasing
 the large audience, which was expressed
 in the hearty applause which they came
 in for every time the curtain dropped.
 H. Sander, "a squire," performed his
 part with much natural shrewdness. H.
 Plasker, "the villain," acted his part
 with great cunning. John Plasker was
 excellent in a comedy role. B. Sander
 took his part with precision and nicety.
 R. Maxwell showed great versatility. H.
 Bergstrom made a hit as a Dutch girl.
 E. Delman, "the orphan," surprised the
 gathering by her winning ways and
 naturalness. G. Wimer, "a heroine,"
 gave an excellent impersonation. L.
 Terwilliger, "colored Pete," was the life
 of the play, and showed by his make up
 on the stage great self-possession and
 ability.
 The musical program, in charge of the
 Tillamook Concert Band, was excellent.
 The Sisters extend their sincerest
 thanks to everyone taking part in this
 program, and the various tokens of
 kindness, on the part of their patrons, is
 most highly appreciated by them. They
 also wish to thank the audience for their
 presence, and votes to be present on July
 4th, but regret very much that a pre-
 vious appointment prevents them accept-
 ing the kind invitation.

SOME CAMPAIGN ECHOES.

Mrs. Abigail Scott Duniway Discusses Woman Suffrage Defeat.

PORTLAND, June 22.—I have finished reading the editorial Optimist, the North Bend Harbor, and many other newspapers, to whose journalistic courtesy I am indebted for complimentary subscriptions to their enterprising publications during the late electoral campaign, which landed them and the women together on the banks of Salt River, where we all lie gasping for breath, the men of the G. O. P. having been stranded by "Statement No. 1," and the women of all parties having been caught in the twisting tail of the Prohibition cyclone.

But there is no great harm done without some good occurring; and it does somewhat comfort the women in this combination of disasters to note the fact that not one of these defeated warriors, The Oregonian included, can say, as did Adam of old "the women did it."

My lamented and honored friend, Frances E. Willard, the most brilliant but most grievously mistaken woman of her day, was not there to lead the G. O. P. into ambush. The Equal Suffrage Association conducted its quiet campaign along strictly non-partisan lines, and the W. C. T. U. contented itself with a prayer-meeting and water-wagon campaign, leaving Clarence True Wilson and Mrs. Ralph W. Willour to vote together in the company of thugs, wife-beaters, home deserters, saloon and anti-saloon allies, "eminently conservative men," and men who spawn their progeny upon charity, all of whom will vote as a unit every chance they get against the rights and duties of the honorable mothers of honorable men who, as yet, are in the minority column.

Wait on, men and brethren! It will do you good to get a taste of "how it is, yourselves." Meanwhile, the stranded women of Oregon watch with quiet amusement the handiwork of our ambidextrous Governor as he detaches you from his hook of "Statement No. 1," and lands you wriggling in the maw of his capacious creed.

ABIGAIL SCOTT DUNIWAY.

Badly Sprained Ankle Cured.

Three years ago our daughter sprained her ankle and had been suffering terribly for two days and nights—had not slept a minute. Mr. Stallins, of Butler, Tenn., told us of Chamberlain's Pain Balm. We went to the store that night and got a bottle of it and bathed her ankle two or three times and she went to sleep and had a good night's rest. The next morning she was much better and in a short time could walk around and had no more trouble with her ankle.—E. M. BRUMITT, Hampton, Tenn. 25 and 50 cent sizes for sale by all druggists.

Born in Iowa.

Our family were all born and raised in Iowa, and have used Chamberlain's Colic, Cholera and Diarrhoea Remedy (made at Des Moines) for years. We know how good it is from long experience in the use of it. In fact, when in El Paso, Texas, the writer's life was saved by the prompt use of this remedy. We are now engaged in the mercantile business at Narcoossee, Fla., and have introduced the remedy here. It has proven very successful and is consistently growing in favor.—ENNIS BROS. This remedy is for sale by all druggists.
