Tillamook Has Splendid Celebration.

The most successful celebration ever held in Tillamook city. Prof. E. H. Whitney was grand Marshal, and Mayor S. S. Johnson was the orator of the day.

The eagle screamed, tons of powder were burned, and two days of most pleasant enjoyment marked the anniversary of our national birthday in this city. Miss Vida Rogers, as Goddess of Liberty, and Harold Mason as Uncle Sam both represented their parts well, and were the recipients of many remarks of praise by all present. The oration of Mayor S. S. Johnson was most appropriate for the occasion, and ended all too soon. The committee under the leadership of E. H. Whitney is entitled to great praise for their management of the celebration.

Over Thirty-Five Years.
In 1872 there was a great deal of diarrhoea, dysentery and cholera infantum. It was at this time that Chamberlain's Colic, Cholera and Diarrhoea Remedy was first brought into use. It proved more successful than any other remedy or treatment, and has for thirty-five years maintained that record. From a small beginning its sale and use has extended to every part of the United States and to many foreign countries. Nine druggists out of ten will recommend it when their opinion is asked, although they have other medicines that pay them a greater profit. It can always be depended upon, even in the most severe and dangerous cases. For sale by all Druggists.

On March, 18, 1907, I had a similar attack, and took Chamberlain's Colic, Cholera and Diarrhoea Remedy which gave me prompt relief. I consider it one of the best medicines of its kind in the world, and had I used it in 1902 believe it would have saved me a hundred dollar doctor's bill. Sold by all Druggists."
