 hour previous to the time he had stated
 and in that way Mr. Watt was left.
 There is one feature about the rasp-
 berry bushes this year which is some-
 what strange. The new branches which
 grew in the spring of the year are now
 bearing fruit. Mrs. Kirk brought to this
 office a branch with ripe raspberries on it.
 There is still carelessness or wanton
 willfulness with young men with guns.
 A few weeks ago a shot flew over the head
 of E. W. Stanley, embedding itself in the
 barn, and last week he had a milk can,
 which was placed outside with water in
 it, destroyed by being shot through.

 State Board of Agriculture, enclosed in

 known as the Jenkins road, it was ordered
 that the supervisor be instructed to
 notify each and every person main-
 taining a gateway or other obstruction

 The Tillamook Lumber Manufacturing
 Company, which was recently organized
 and incorporated, bought the mill site,
 dock and warehouse of the Tillamook
 Lumbering Company in this city on Sat-
 urday, and also entered into a contract
 with F. S. Whitehouse to furnish about
 four million feet of fir and spruce logs. It
 has been decided to put in new machin-

 work will be commenced on the building.

 thousand feet. It is local people who
 are at the back of the enterprise, and by

A deal was closed at Astoria Saturday
 evening by which Walter W. Ridehalgh
 sells his entire interests in the Elmore
 Packing Company, which owns and
 operates several salmon canneries on the
 Oregon coast and at Grays Harbor, to
 Samuel Elmore. He also resigned as
 manager of the company to take effect
 immediately. Mr. Ridehalgh will make
 an extended pleasure trip to his former
 home in England and upon his return
 will probably engage in business at
 Astoria.

 the Harriman lines; Mr. R. B. Miller,
 general freight agent for the same lines;
 Mr. E. E. Lytle, president of the Pacific
 Railway & Navigation Company, and
 Engineer Geo. L. Davis, who came in
 last week, left on Sunday morning in the
 auto. On Friday they went to Nehalem
 and on Saturday went trolling on the
 bay, catching several salmon. This was
 Mr. O'Brien's first visit to Tillamook,
 and he was greatly surprised to find
 such a splendid dairying county. It was
 the green meadows which caused him
 to look in wonderment and draw a com-
 parison at the parched condition of the
 country in other places at this season of
 the year.
 A divorce case was filed in the circuit
 court on Wednesday by John P. Langley
 against his wife, Nellie Langley. These
 parties were married in Portland on
 April 24, 1904, and one child was born
 to the union which has since died. That
 during the month of June 1908, and
 while the parties resided at Willamina
 the defendant made frequent visits to
 Portland. That defendant told her friends
 that she had means of her own and that
 she made money from the "big bugs of
 Portland," and by selling her virtue.
 That during the month of July 1908 the
 defendant came to Tillamook and secured
 rooms at an hotel and then and there
 consorted with divers men in a lewd
 and lascivious manner, and committed
 adultery with a certain individual and on
 account of this the plaintiff prays for a
 divorce.
 Miss Clarice C. Reeher and Mr. James
 R. Prater were married, Oct. 6, 1908,
 at the home of the bride's parents Mr.
 and Mrs. James F. Reeher, Wilson, Ore.,
 at the White House. Miss Clarice is the
 eldest daughter of the family, is a trained
 nurse, and a graduate of St. Luke's
 Hospital, Spokane, Wash. Mr. Prater is
 a young farmer from Dayton, Wash.
 After the ceremony the young people
 went directly to their own home, as
 Mr. Prater has three hundred acres of
 grain to put in this fall. The house
 was beautifully decorated in autumn
 leaves and cedar boughs. Many beau-
 tiful presents were given the young couple.
 After a beautiful dinner, they departed
 for Forest Grove with the best wishes
 of all present. Rev. H. Belknap, of
 Hillsboro, officiated. The bride's little
 sisters, Jennie and Julia, acted as her
 attendants and ring bearers.

Resolution.
 Whereas, Our Father has removed to
 his Heavenly home our dear friend,
 Mrs. Talnage, and whereas we feel that
 we have lost a worthy President,
 therefore be it resolved that the Shakes-
 peare Club extend to the bereaved hus-
 band its sincerest sympathy.
 Be it further resolved that this resolu-
 tion be spread upon the annals of the
 Shakespeare Club, and that copies of
 the same be sent to Mr. C. W. Talnage,
 and also be published in the local papers.

City Council Meeting.
 A meeting of the city council was held
 on Monday evening, when Mayor S. S.
 Johnson and Councilmen Chase, Wilt,
 Lamb and Williams were present. In the
 matter of the dispute of the street oppo-
 site B. W. Stephens property, the city
 council instructed the city attorney to
 enter into a stipulation with the plain-
 tiff for a dismissal of the suit at the city's
 expense, which amounts to \$30,000.
 The Electric Light Company made two
 propositions to light the city, viz.:
 We will furnish you arc lights on our
 regular circuit in any number desired by
 the city and to be located as may be
 agreed upon at the rate of \$8.00 each
 per month, the same to be taken and
 paid for each month, for such period of
 time as the city may desire.
 Or we will furnish 14 arc lights on a
 special circuit at the rate of \$100.00 per
 month; or, if less than 14 be taken, at
 the rate of \$7.50 each per month. Pro-
 vided, that as to the furnishing of said
 14 arc lights, or less, on special circuit,
 the same will be furnished only upon a
 contract being made with Tillamook City
 for the same for a period of eight years,
 the same to be paid monthly.

A question as to the city's indebtedness
 arose as to entering into a contract for
 eight years, and the matter was referred
 to the city attorney to look into. A
 special meeting of the council is called
 for this evening to take up the light
 question.
 An amendment to the Mutual Tele-
 phone ordinance making the poles 30ft.
 instead of 40ft., was passed.
 As the Water Commission had not
 made a report to the city council, as it
 is required to do, orders were given for
 the commission to do so before the next
 city election.

Bills ordered paid were: A. L. Malone,
 \$3; J. B. Caples, \$1.72; W. T. Kimball,
 \$65; J. C. Gove, \$1.50; P. B. C. Lucas,
 50c.; Otto Schrafer, \$4; T. B. Hand-
 ley, \$15.
