YOUR EYES! Stop and think about your eyes. They often pain you a little. You simply give them a rest and you are relieved. But they ought not to pain you with ordinary use. There is something wrong. Let me test them. I make no charge for that and if you need glasses or if it comes from some other cause I will tell you. DR. Henry E. Morris, Eye Specialist. At Jenkins' Jewelry Store, Tillamook, Ore.

Watch Repairing Tip. It's astonishing how many fine watches are ruined each year by being placed in the hands of poor and inexperienced workmen for repairs. A slight oversight on their part often causes an unnoticeable grinding and clicking that will wear out the best movement in a short time. Why run these chances? Leave your repairing in our hands and you will get all long experience and honesty can give. EUGENE JENKINS, The Reliable Jeweler.

TILLAMOOK CONSTRUCTION CO. Do their work neatly and promptly, see them before you build, or phone South 31. F. W. BERGER, Gen. Manager.

Notice. Notice is hereby given that the Board of Eighth Grade Examiners will hold the regular examination of applicants for Eighth Grade Diplomas, at the Court House in Tillamook City, September 2nd and 3rd, as follows: Thursday, Sept. 2.—Arithmetic, writing history, civil government. Friday, Sept. 3.—Physiology, geography, spelling. Two subjects each half day in the ordered named. Examinations to begin at 9 o'clock. Applicants who did not fail in more than two subjects at the last examination will be permitted to finish the examination at the above date. Questions will not be sent out to school districts unless there is a special request from a district for us to do so. There can be no charges made for the conducting of this examination. The State provides to meet the expense of but three examinations annually, and as there has been three given this year already, this one must be given without cost to the county or the school districts. It is given by the board at this time, for the purpose of giving pupils an opportunity to complete their examination and thus avoid taking the Eighth Grade again the following school term. There are several Eighth Grade Diplomas in my office at present that have not been mailed to pupils that earned them, because we had not as yet succeeded in getting the signatures of the teachers and the chairman of the boards attached to them. If pupils desire that I should mail them the diplomas and they will get the proper authorities to attach their signatures thereto, let me know by letter and I shall forward them to you at once. Respectfully, W. S. BEEL.

Women Who Wear Well. It is astonishing how great a change a few years of married life often make in the appearance and disposition of many women. The freshness, the charm, the brilliance vanish like the bloom from a peach which is rudely handled. The matron is only a dim shadow, a faint echo of the charming maiden. There are two reasons for this change, ignorance and neglect. Few young women appreciate the shock to the system through the change which comes with marriage and motherhood. Many neglect to deal with the unpleasant pelvic drains and weaknesses which too often come with marriage and motherhood, not understanding that this secret drain is robbing the check of its freshness and the form of its fairness. As surely as the general health suffers when there is derangement of the health of the delicate woman's organs, so surely when these organs are established in health the face and form at once witness to the fact in renewed complexion. Nearly a million women have found health and happiness in the use of Dr. Pierce's Favorite Prescription. It makes weak women strong and sick women well. Ingredients on label—contains no alcohol or harmful habit-forming drugs. Made wholly of those native, American, medicinal roots most highly recommended by leading medical authorities of all the several schools of practice for the cure of woman's peculiar ailments. For nursing mothers or for those broken down in health by too frequent bearing of children, also for the expectant mothers, to prepare the system for the coming of baby and making its advent easy and almost painless, there is no medicine quite so good as "Favorite Prescription." It can do no harm in any condition of the system. It is a most potent invigorating tonic and strengthening nerve nicely adapted to woman's delicate system by a physician of large experience in the treatment of woman's peculiar ailments. Dr. Pierce may be consulted by letter free of charge. Address Dr. R. V. Pierce, Invalids' Hotel and Surgical Institute, Buffalo, N. Y.

THE POET SAYS "Beauty draws us by a single hair." This seems like something of an exaggeration on the part of the poet, if at least does not apply to men. The man with a single hair would not draw worth a cent, unless as a curiosity. People to look their best need hair, they need all they ever have. If the hair begins to go it is time to use IMPERIAL HAIR TONIC. This preparation saves hair. It stimulates the hair bulbs, cleans the scalp of dandruff or eruptions, and promotes new growth.
