

LAKE LYTLE!

Read What Mr. LYTLE says about it:

"To the Public.—We will operate regular passenger trains between Portland and Lake Lytle; will build a depot there as soon as the railroad is finished, and will make Lake Lytle the finest beach resort in Oregon. Garibaldi Beach, the ocean beach at Lake Lytle, has long been recognized as the finest stretch of beach in Oregon, and the location of the new resort, combining as it does, an inland mountain lake, with this broad, smooth beach is ideal.—**E. E. LYTLE, President, Pacific Railway & Navigation Co., Portland, Oregon.**

Lots at Lake Lytle are on sale at the office of F. R. Beals for \$75.00 and up, small payment down, balance on easy terms. Accompanying each sale is a guarantee to the purchaser of the establishment of a depot and daily passenger service, graded streets and a water system.

The doe was surrounded by a number of persons and captured, when it was found that animal's leg was broken, with the bone protruding through the skin. It was decided to kill the animal so as to end its sufferings and divide up the meat, which was unlawful for Dr. Matthews to do. They will have a hearing next week. •
