

Grand Removal Sale.

THE SECOND WEEK

Grand Removal Sale.

of Haltom's Grand Removal Sale will be remembered by the people of this County as the Greatest Money Saving opportunity ever offered them or ever likely to be offered them again. All last week the people crowded our store to its utmost capacity, carrying

off thousands of bundles of all classes of merchandise. They saw, appreciated and bought heavily from the gigantic offerings of new and staple lines of Dry Goods, Clothing, Furnishings, Underwear, and, in fact, everything in our ENTIRE STOCK is sacrificed, with the exception of a few lines of goods which we are under contract not to cut. If we did we could not get these lines again. This week we will offer special inducements in many lines, so come and help us move by carrying away the stock. Get your share of these bargains. We must lose something, either by selling the stock at a big sacrifice or pay heavily for moving it into the new store. We prefer to let the people get the benefit of this. Remember that Haltom's, the Famous Home of Values, is the only store in Tillamook selling its stock out with the very best of legitimate reasons behind it. We must move and it is really better for us to sell out at a sacrifice than to pay the heavy cost of moving.

Shelby Electric Globes are the best money can buy. The Electric Company is not selling globes anymore, so we take this means of informing the public that we are the only firm in the city handling globes, and will save you a walk to the plant. King & Smith Co.

The fire alarm was given on Wednesday, and the hose company was soon on the run to the east part of the city. The fire was in the roof of the house occupied by H. Soura, but the women living near managed to get the fire out before the fire appliances arrived, and the manner in which they subdued the fire in the roof showed that in an emergency the women know how to go about it.

The Order of Owls was instituted Tuesday evening in Todd's hall, with 76 charter members. The Owls is a social beneficiary order, with Nests all over the world, the membership now being over 170,000. The next meeting will be held in Todd's hall to-morrow (Friday) evening. All those desiring to become charter members must get their names on the list before that time, as the charter will be closed at that meeting. Charter membership \$5.00.

Solon Schiffmann, to avoid further trouble, decided to plead guilty to a charge preferred against him by Deputy Dairy and Food Commissioner Catterlin for keeping his cheese factory in an unsanitary condition. The case was previously tried before a jury in Justice Sappington's court, but as two of the jurymen voted blank, the jury was unable to agree and was discharged. Justice Sappington fined Schiffmann \$25.00 which does not include the costs in the case.

Prof. W. R. Rutherford and the students of the Tillamook High School are soliciting subscriptions for the purpose of erecting a gymnasium for the public school, and several hundred dollars have been raised. It is proposed to erect a building to cost about \$1,000 and the students of the high school propose to raise enough money to erect and equip a gymnasium by public subscription and giving entertainments. They may not be able to raise sufficient funds this school year, and in that event expect to clear it of debt the following year.

Fred C. Skomp brought in a number of boxes of apples on Monday from his place on the Trask river, which were the equal of any apple grown on Hood River. They met with a ready sale, the Kings bringing \$2.50 a box, Alex. McNair handling Mr. Skomp's entire crop this year. Considering that the orchard does not get the cultivation and the trees the spraying that they should have, these splendid apples go to prove that the apple industry can be made quite successful and profitable in Tillamook County when the orchards are far enough away or protected from the cool northwest winds which blow during the afternoons in the summer months.
