

## ANNOUNCEMENT.

On and after Dec. 28th we will occupy our elegant new quarters in the Big New Concrete Fireproof Block. We have met with many sore disappointments on account of our inability to get moved earlier, but now that is all past and we will actually get moved by the above date. The new store embodies all the best ideas in modern Dry Goods innovations, being elegantly appointed, comfortably arranged, brilliantly lighted, steam heated, with ample window display and inside space. You will find it a pleasure to trade at Haltom's Big Modern Store. We will at all times have plenty of intelligent business-like sales people in our employ who will use every courtesy towards you in showing you our stocks. We will keep up the policy of purchasing only the best values in merchandise and selling them at prices that will make our customers our friends. In short, it will be a **Busier, Bigger and Better Haltom's than ever.**

We wish you all a most Merry Christmas, a Happy and Prosperous New Year, and many, many returns of both. We thank our customers and friends for the loyal patronage given us during the past year and take this opportunity to assure you all of our greatly enhanced facilities for caring for your wants in the future.

Very Sincerely Yours,

**E. T. HALTOM.**
