Something Interesting about the Ladies' NEW SPRING SUITS. BEAUTY AND QUALITY HERE.

Over three-fourths of our new stock of suits this spring will be in what may be termed "popular numbers," the bulk of them ranging from \$15 up to \$35, thus placing within the reach of every woman a splendid selection of fashionable suits at very modest prices.

The materials used are serge in regular worsted and fine French serge; hard finished worsted, sharkskin worsted and vigoureux; plain panamas and some soft finished suitings in light weight; the fancy weaves include stripes and two-toned effects.

The colors are very attractive—aviator blue, canard, catawba, corn, tan, caramel, silver gray, smoke, bisque, moss, reseda, banana, amethyst. Shepard checks and pastil stripes and bedford cords are shown as well as the plain colors.

Every size for women and misses are included in the great array of fresh and handsome suits now on display here

At **\$12.50, \$15.00, \$18.00, \$20.00 and up to \$55.00.**
