You've got a great treat in store for you—and this is the store it's in. We're going to show you some of the liveliest clothes you ever saw; special snappy models made for us by

HART SCHAFFNER & MARX,

It seems as though the weavers had made a special point of getting beauty in design this spring. A new lot of beautiful gray fabrics, and a big variety of blue fabrics, plain and with self stripes, and with many fine and handsome patterns.

The new models also are particularly good; there's no doubt about it. The clothes we get from Hart Schaffner & Marx have styles about them which you don't find in any other clothes made. All the fabrics are all-wool; and the tailoring is the kind that such fabrics and such a reputation deserve.

SUITS, \$20 to \$35. OVERCOATS, \$20 to \$35.

This store is the home of Hart Schaffner & Marx clothes.

STUNNING SPRING SUITS For the Ladies.

Suits for women and misses, splendidly finished, of fine serges, diagonals, sharkskin, Panama and novelty suitings; late spring models; beautifully lined with peau de cygne, taffeta and satin. Styles featured are the favored roll or notch collar, with either moire, satin or dainty Persian trimmings. The selection of spring shades is most attractive, presenting plenty of pretty tans, grays in light or medium tints, reseda, blues, lavender, black, rose and smoke.

Be sure and see this magnificent showing before you make your spring purchases, and don't forget, our splendid facilities for making alterations when necessary.

Suits range in price as follows: \$12.50, \$14.95, \$20.00, \$22.50, \$25 and \$27.50 and every one of them a beauty and a splendid value.
