The Sound Sleep of Good Health.
The restorative power of sound sleep cannot be over estimated and any ailment that prevents it is a menace to health. J. L. Souther, Eau Claire, Wis., says: "For a long time I have been unable to sleep soundly nights because of pains across my back and soreness of my kidneys. My appetite was very poor and my condition much run down. I have been taking Foley's Kidney Pills and now sleep as sound as a rock. I eat and enjoy my meals, and my general condition is greatly improved. I can honestly recommend Foley's Kidney Pills as I know they have cured me."—C. I. Clough.

Watch For the Comet.

Rheumatism.
More than nine out of every ten cases of rheumatism are simply rheumatism of the muscles, due to cold or damp, or chronic rheumatism. In such cases no internal treatment is required. The free application of Chamberlain's Liniment is all that is needed, and it is certain to give quick relief, give it a trial and see how quick it will relieve pains and soreness. The medicines usually given internally for rheumatism are poisonous or very strong medicines. They are worse than useless in cases of chronic or muscular Rheumatism. For sale by Lamar's Drug Store.
