THE CREED
 Of the Church of Christ is Christ, the same as that of Peter, expressed in the good confession, "Thou art the Christ, the Son of the living God."
 It is simple, comprehensive and perfect.
 Human creeds differ and cannot all be right. They are used to better understand and explain the Bible, but since they differ in vital points, it is necessary to first know and understand the Bible before accepting any one of them, and after understanding and knowing the Bible, the man made creed, even the right, is useless, and if wrong, then vastly more than useless.
 Come to the Bible School next Lord's Day morning to learn and discuss more of the living creed, revealed by God, that needs no reviser.
 Lessons—Matt. xvi. 13-29.
 Hours—10 a.m. to 11:30 a.m.
