

DO YOU EVER THINK OF IT IN THIS WAY?

If you save \$100 from your earnings during a year it is the same amount you would receive on a \$2000 investment for one year at 5 per cent.

To save, one must sacrifice. The best things of life are gained in this way. If you want to lay aside a part of your earnings, come to this bank and open an account. A bank account will assist you greatly in the undertaking.

We welcome the small depositor.
