The Elmore left port for Astoria Thursday with the following passengers: Mr. and Mrs. F. Lewis, G. W. Kiger, Mrs. Mitchell, Frank Mitchell, James Mitchell, A. Bernberg, Kaspar Schwivel, A. R. Hasselberg, C. R. Fleming and wife, J. French, L. C. Shilling, G. Hoffmann, Miss Boynton and E. F. Reynolds. She also carried a full cargo of freight.

On the advice of Chief of Police A. M. Cox, of Portland, Sheriff Crenshaw went to Nehalem on Tuesday and arrested Jacob Kamun, hotel keeper of that place, on a charge of soliciting and enticing children for immoral purposes. He is a man 50 years old, and the information of the complaint reads that this act has been committed upon the person of his 16-year old step-daughter, who has recently given birth to a child. Officers will come in from Portland to take him out.

Joe Emmenegger wishes to correct the statement made in last week's Herald in regard to the price of the four day old bull calf bought of John Hathaway, as the price was \$150. Its mother, De Hoop, of Riverside, a true Holstein Friesian cow, averaged 70 lbs. milk per day. Her mother was imported from Holland, and made an official seven day record of 25 lbs. 10 oz. of butter. Mr. Emmenegger has a 70 acre farm of the finest bottom land in the county south of Tillamook City, and expects to stock it with Holstein cattle in the near future.

The Interscholastic Debate between the Nehalem High School and the Tillamook High School will take place at the Commercial Club rooms on Friday evening, when the subject for discussion is "Resolved that it would be for the best interests of the United States to build and maintain a large navy." Those who will take part in the debate are: Nehalem—Herman Schollmeyer, Martha Alley and Frank Thompson; Tillamook—Beuly Stam, Elbert Ginn and Oscar Aschim. It is to be hoped that the people of this city will turn out and hear the debate.

Heartily indorsing the Tillamook Harbor project, the Portland Chamber of Commerce, in a series of resolutions, expressed the sentiment of the organization on the expenditure of \$65,000 for the improvement of the harbor. Among other enterprises interested in the project at Tillamook is the Whitney Company Ltd., which is planning to build large mills here. It is hoped to have the harbor in shape by the

time the Panama Canal is completed. It is planned to give Bay City and Tillamook Bay a channel 20 feet deep on the bar and 16 feet in the bay.

Several choice lots were sold in Maple Grove Addition during the week, the purchasers being Mr. E. Geinger, Mr. Fred E. Fesenden and Mr. Kasper Schlappi. Mr. Geinger made his wife a Christmas present of a lot. When the improvements are completed in Maple Grove Addition, consisting of graded and graveled streets, cement sidewalks, the planting of Maple Trees and City water mains, this will become the best location in Tillamook City for many handsome homes. The water mains are on the ground and will soon be placed, the street improvements are about completed and the other improvements are guaranteed for the near future.

Go to F. S. Whitehouse & Son, the leading agents, for Bond, Accident and Fire Insurance, as they write more than three-quarters of the insurance written in Tillamook County, because they are better equipped than any one else in the business.

New Year's Party.

Arrangements are well under way for the party to be given by the Commercial Club, which, while termed a New Year's party, since New Years comes on Sunday, the party will be held on the evening of the Friday previous, Dec. 30th.

The first impression was that this party would be a masquerade ball, but the Committee found some opposition to a masquerade at this time and thereupon decided to postpone it to February 14th, St. Valentine's day. It is hoped that this arrangement will give all ample time to plan and prepare their costumes in order that the St. Valentine's party may be attended by a predominant majority of masqueraders which is necessary to make a masquerade a success.

Admission to the New Year's party will be by ticket at the fixed price of one dollar, and a substantial part of the proceeds will go toward the Gilford Stillwell Park for improvements which are so badly needed. The improvement of this park is a matter which the Commercial Club realizes it is in duty bound to aid and feels that all members want to do something for it. Whether a dancer or not, get a ticket for this party and aid in the good work.

The High School boys will aid in the sale of tickets, and assist in providing decorations which will be made elaborate, and in harmony with the holiday season. Refreshments will be served and pains taken to provide a very enjoyable party for all. The High School boys

will try and see all the Club members, but if they happen to miss you, see James Walton, Burr Beals, Henry Diehl, Henry Plasker or Walter Baker and the matter of a ticket for you will be taken up.

Death of Mrs. S. E. Ray.

Death claimed another of our old citizens on Sunday, when Mrs. S. E. Ray, mother of Mr. Chas. Ray, passed away at her home at Cloverdale, and the remains were buried on Tuesday in the Oddfellows cemetery at that place. Her husband, Lester Ray, died about eight years ago.

Sarah Elizabeth Ray, whose maiden name was Hopkins, was born in Indiana, August 23rd, 1831. On December 9th, 1848, she was united in marriage to Lester Ray in Wisconsin. Later they moved to Missouri, and in 1871 they came to Oregon. In 1881 they came to Tillamook County and settled on the old homestead at Cloverdale, which now belongs to her son Chas. Ray. She leaves four sons, Chas. and Bert, of Cloverdale, Lester of Oretown and Frank of Oregon City; three daughters, Mrs. Ella Russell, of Kansas; Mrs. John Eiler, of Heppner; Mrs. John Lucy, of Portland.

Deceased came with her husband and family into this county nearly 30 years ago and has ever, during that time, exerted an influence for good. She was for years a member of the Presbyterian church and has always been a strong factor in the support of that organization wherever and whenever it has been possible for her to do so. She had a clear strong mind up to her very last days and it was more than a treat to listen to her stories in regard to events that transpired from that period just before the war and during the war up to the present time. She had a wonderful memory and could give dates and facts with great clearness.

Ends Winters Troubles.

To many, winter is a season of trouble. The frost bitten toes and fingers, chapped hands and lips, chilblains, cold sores, red and rough skins, prove this. But such troubles fly before Buxlen's Arnica Salve. A trial convinces. Greatest healer of Burns, Boils, Piles, Cuts, Sores, Eczema and Sprains. Only 25c. at Chas. I. Clough's.

"I had been troubled with constipation for two years and tried all of the best physicians in Bristol, Tenn., and they could do nothing for me," writes Thos. E. Williams, Middleboro, Ky. "Two packages of Chamberlain's Stomach and Liver Tablets cured me." For sale by Lamar's Drug Store.

BIG REVIVAL MEETINGS NOW ON.

Large Audiences in the Commercial Building Every Evening.

CONDUCTED BY EVANGELISTS TAYLOR & WEGNER

Large Chorus and Special Music Great Attractions. Taylor is a Great and Interesting Speaker.

The meetings being held at the Commercial Building are being attended with great interest, large numbers being present each evening, eager to hear the music as directed by Mr. L. E. Wegner, and the soul thrilling sermons of G. W. Taylor.

There is a seven piece orchestra each evening which is directed by Mrs. Taylor, a cornetist who can make any man sit up and listen. The solos of Mr. L. E. Wegner, who has one of the clearest voices ever heard in this town and of Paul Taylor who has the best voice for a boy which we have ever heard, are certainly worth listening to.

EVANGELIST G. W. TAYLOR.

The union revival meetings are demonstrating that the different churches can work together for the interests of the Kingdom. The efforts thus far under the leadership of Evangelist Taylor are thoroughly united and harmonious. Taylor is a master in every detail and is downright, dead earnest.

The excellent orchestra, the large chorus, the special solo features and the competent direction of Mr. Wegner are high class and entertaining, and best of all very helpful in living character values. But greatest and high over all are Taylor's tremendous gospel messages.

MUSICAL DIRECTOR L. E. WEGNER

It is a great opportunity for character evolution that no man or woman or home can afford to neglect. Fine crowds are attending every night and deep interest is being manifested.

Come and hear and see for yourself.

CLAUDE LAUGHLIN IS DROWNED.

Falls Off Henrietta at Dick's Point.

A sad accident occurred Sunday evening while the Henrietta No. 2, Captain Emmett Jenkins, Master, was returning from down the bay. As the boat was passing Dick's Point jetty, it seems that Claude Laughlin, who had been down the bay, fell from the boat, but no one knows whether he slipped and fell or whether he had heart failure. It seemed that something had been bothering Claude all day.

He had just been forward and stytated aft when W. G. Dwight said he saw something fall overboard, but only thought it was a box. Then someone said they heard a cry, which caused the captain to order the boat stopped, or an investigation made to see if all were on board when it was found that Claude was missing.

A search was immediately started and the body was found floating against the jetty. The fact that he did not sink makes it appear that he must have been knocked senseless when he fell. From the time that Captain Jenkins heard the alarm that a man was overboard until the time the body was recovered was not more than ten or twelve minutes.

Dr. Hawk held an inquest Monday when it was decided that death was caused by accidental drowning.

All who were aboard the boat at the time were residents of this place and it was all the more sad to them after spending the afternoon together and enjoying the beauty of the bay.

Mr. Laughlin was a salesman in E. T. Haltom's Department store, and was beloved and respected by all who knew him.

The funeral of Claude Laughlin was held from the Commercial Building, Wednesday afternoon, at 2 o'clock, under the auspices of the Owl Lodge, of which he was a member at the time of death. A large delegation from the Tillamook Commercial Club, which Laughlin had just joined, attended in a body.

The funeral services, which were conducted by Rev. D. L. Shrode, with the assistance of G. W. Taylor and L. E. Wagner, were very impressive.

The procession which followed the body to its last resting place was one of the largest ever to pay respect to a deceased friend in this city, there being over eight hundred persons who attended the funeral, most of the business places closing in respect for the deceased.

At the time of his death, Claude was thirty years old, he having been born in Illinois in 1880.

He leaves a father, mother and young sister in Illinois and two sisters in California, and a brother,

Ed. Laughlin, of this city, host of friends in Tillamook mourn their loss.

A great deal of credit is due to Emmett Jenkins in his effort in trying to save Claude in the recovery of the body.

Laughlin, also, for the fact that he brought the body ashore.

From the time that Laughlin overboard until the time the body was recovered the launch was on board the launch was not more than thirty minutes when the body was recovered from Lamb's dock.
