 Henry Jennings, who has been serving out a sentence in the county jail on a charge of bootlegging since the April term of circuit court was released Monday. Henry's appearance don't speak very well for the joys of jail life.  
 The Rural Free Delivery, which Congressman W. C. Hawley was instrumental in securing, was started Thursday. There having been no appointment made, Postmaster Baker appointed Merrill Smith temporarily to carry the mail.  
 J. J. Walter, president of the Necarney City Hydrocarbon Oil Co. of Portland, is in town attending Commissioner's Court. He expects to leave for the Oil well at Necarney City today where his men reported that they had struck oil.  
 John Aachim, who has been deputy Sheriff during the past term has resigned his position and intends to work at something of more financial importance. Sheriff Caenshaw has appointed Chas. Johnson as his deputy and we think him to be a good man for the place.

 The Commissioner's court is in session this week, it being the first session of the new court, which consists of Homer Mason, County Judge, H. V. Alley and Herman Farmer, commissioners. There is a large amount of work before the court this session, and they are not expected to adjourn before some time next week.  
 The new City Council met and organized Monday night. Alex McNair was elected Chairman of the Council the first thing, after which the Mayor read his message and appointed the various committees. After appointing George Willet the City Attorney and U. G. Jackson as City Surveyor, the Council adjourned, there being no other business.  
 Justice of the Peace E. W. Stanley arrived from California, where he has been visiting his old home for the past month, Tuesday. He came in over the North Yamhill road, enjoying the pleasures of riding horse back on a fat stage horse. Mr. Stanley says he spent a fine winter in California and is now ready to prosecute anyone who breaks the law.  
 A petition was filed in the County Court for an order setting aside as void the attempted incorporation of Bay City and hold for naught the same in order that new proceedings from the beginning may be had herein, so as to incorporate Bay City legally and to insure the proper assessment of property and to insure the legality of all city taxes and prevent thereby multifarious litigation which must necessarily follow unless the city is legally incorporated. The petition is signed by W. S. Cone.

Special price on Alfalfa hay, not lots \$25.00.—ROSENBERG BROS.  
 The Basket Ball game which was played at the Opera House Monday night between the Mount Angel Cubs and the Tillamook Commercial was attended by a large number of people who watched the Cubs defeat the Commercial by a score of 25 to 17. There is no fault to find with either team, but the Cubs are certainly a clean bunch of players and we hope them all the success we can for the rest of the season.  
 Jeff Fleck, Lyle Ross and Earl Ford were each fined \$10 as the result of a drunken brawl in Clement's saloon Tuesday. It seems that Fleck had been looking for trouble and when he came across Lyle Ross, the latter struck him in the face, blackening it, then Earl Ford, who wanted a hand in it, struck Fleck. It ended in each being arrested. Fleck left for his home at Hebo Wednesday, glad to leave Tillamook.  
 Go to F. S. Whitehouse & Son the leading agents, for Bond, Accident and Fire Insurance, as they write more than three-quarters of the insurance written in Tillamook County, because they are better equipped than any one else in the business.  
**Large Tillamook Timber Transfer**  
 Geo. W. Kiger and his Portland associates have lately closed a deal with the Miami Lumber Co. of San Francisco for a tract of 2500 acres of timber land on the Wilson River, known as the Hadley land.  
 Mr. Kiger has had this deal under way for some months, but due to the forest fire scare of last summer has been unable to close this deal until a few days past. This is one of the finest tracts of timber on the Wilson River. The Miami Lumber Co. formerly operated the Hobsonville mill on Tillamook Bay are now closing out their entire holdings in this county, both timber and mill.  
**Joint Installation of Officers of O. E. S. & A. F. & A. M.**  
 A joint meeting of the orders of Eastern Star and Ancient Free & Accepted Masons for the installation of the officers elected to serve for the year 1911, was held at the lodge rooms on December 26th, 1910. Past Masters Severance and Talmage conducted the services in a very impressive manner in the presence of a large gathering of members and invited guest.  
 The following is a list of the officers installed:  
 Order of Eastern Star—Lillian S. Groat, W.M.; Lulu Crenshaw, A.M.; Henry Morris, Sec.; W. A. Williams, Treas.; Annetta B. Mason, Conductor; Ruby Morris, Associate Conductor; Harriet Sarchet, Chaplain; Lola M. Shrode, Organist. Edna Lamb, Rebecca Williams, Rose W.  The Senior and Junior Deacons being absent their installation was postponed until the next meeting.  
 After the installation the members and invited guest adjourned to the Commercial Club rooms, where a most inviting and appetizing banquet was spread by the ladies of the O. E. S., which was disposed of in a manner highly creditable to the appetite of the feasters and the gastronomic quality of the spread. Music, dancing and a jolly good time followed.  
 The thanks of both orders are due to the Commercial Club for its hospitality in allowing the use of the club rooms for this occasion.  
 Carl Wallin and Frank Severance—Committee, A. F. & A. M.
