

**High School Flashes.**

The High School began the last semester Monday morning. The program of the first half has been carried out practically without a break. The students have been giving better attendance than ever before, only a few having dropped from the ranks and the run of sickness is over, all the seats will undoubtedly be filled.

At present there are about half a dozen who have not recovered sufficiently from the measles to be back to their classes, but we hope that they will all be back by next Monday. Among this number is Clent King, the captain of football last season and a leader in all the out-door sports in the school, who because of injuries received during football season has been advised by his physician to take a six months rest. This will necessitate the loss of our most valuable man, at least until base-ball season.

Friday night the members of the Emersonian Literary Society gave one of those shows which are characteristic of all the High School shows. At both shows the house was packed and from all that could be heard everyone got twice his money's worth. After the last show the members of the Student Body were entertained by the Emersonians at the Gem. Lunch was served after which each went to his respective home. The total receipts were \$59.50 and after the expenses are paid it is expected that there will be at least \$30 which will go to the Gilford Stillwell Park.

Mice have been litering to quite an extent in the school house of late. Monday noon one of the 'Freshies' commonly known as the 'Infant' captured one of the long-tailed enemies of woman, and turned it loose in the assembly room during study period, but he knew not that Prof. Baker could read thoughts and after a private interview with the young man Tuesday morning, it was announced that he had something to say to the school. We hope it may have the desired effect upon his actions and tend toward making a man of him.

Carpenters were busy putting another division in the High School. This time it was in the eighth grade room which was petitioned for the purpose of moving the seventh grade room. Mrs. Ford has taken charge of them and Miss Seaton who has been the principle of the Fairview school during this winter has resigned and taken charge of the sixth grade downstairs.

The Emersonians give their program this Friday and from all appearances it will be a good one.

At present the two societies and the Junior and Sophomore teams are making preparations to play a set of games at the Opera House, Friday night. The line up of the teams are as follows:—

- Emersonian. Ciceronian.
- Ralph Himes C. Howard Harris
- V. Stanley R. F. H. Sappington
- F. Eberman L. F. John Ebinger
- Benly Stam R. G. Arthur Wallace
- P. De Lillis L. G. W. Anderson
- Junior. Sophomore.
- Howard Harris C. Arthur Wallace
- H. Sappington R. F. John Ebinger
- F. Eberman L. F. V. Stanley
- Oscar Aschim R. G. Benly Stam
- W. Anderson L. G. Harry Ebinger

There may be some changes but this is the arrangement at present. We hope that all who can will go to the boys play and encourage their favorite teams. Good swappy games may be expected by both sets of teams as they are nearly equal in weight and strength. Come see the best of all indoor games and spend the best evening of the winter.

Go to F. S. Whitehouse & Son, the leading agents, for Bond, Accident and Fire Insurance, as they write more than three-quarters of the insurance written in Tillamook County, because they are better equipped than any one else in the business.

**Tortured For 15 Years.**

By a cure-defying stomach trouble that baffled doctors, and resisted all remedies he tried, John W. Modders, of Moddersville, Mich., seemed doomed. He had to sell his farm and give up work. His neighbors said, "he can't live much longer," "Whatever I ate distressed me," he wrote, "till I tried Electric Bitters, which worked such wonders for me that I can now eat things I could not take for years. Its surely a grand remedy for stomach trouble." Just as good for the liver and kidneys. Every bottle guaranteed. Only 50c. at Charles I. Clough's.

You are probably aware that pneumonia always results from a cold, but you never heard of a cold resulting in pneumonia when Chamberlain's Cough Remedy was used. Why take the risk when this remedy may be had for a trifle?—For sale by Lamar's Drug Store.

How to cure a cold is a question in which many are interested just now. Chamberlain's Cough Remedy has won its great reputation and immense sale by its remarkable cure of colds. It can always be depended upon.—For sale by Lamar's Drug Store.

**Speedy Relief from Kidney Trouble**  
"I had an acute attack of Bright's disease with inflammation of the kidney's and bladder and dizziness," says Mrs. Cora Thorp, Jackson, Mich. "A bottle of Foley's Kidney Remedy overcame the attack, reduced the inflammation, took away the pain and made the bladder action normal. I wish everyone could know of this wonderful remedy."—C. I. Clough.

Sedentary habits, lack of outdoor exercise insufficient mastication of food, constipation, a torpid liver, worry and anxiety, are the most common causes of stomach troubles. Correct your habits and take Chamberlain's Stomach and Liver Tablets and you will soon be well again.—For sale by Lamar's Drug Store.
