We understand that work on the United Railways, over the Wilson River route, will start up in a few weeks, and an effort will be made to get it through this year. Work will not only be commenced at both ends, but railroad camps will be started at different parts of the route, and to overcome some of the difficulties of obtaining stringers and ties for the road, small saw mills will be started at different places, which will cut up the timber obtained in the right of way.

The Executive Board of the Tillamook Commercial Club had an interesting meeting on Tuesday night and took up a number of things of interest to the club and city. The Board adjourned until Monday evening to meet with Mayor Talmage to discuss city affairs and city drainage. The Port of Tillamook will also be given an opportunity to meet with the Board to see what can be done to expedite the improvement of the harbor front and channel to the bay, as the people of this city are getting restive on account of the delay in these improvements.

County Judge Homer Mason, who was at Nelen last week looking over the Necarney mountain road with the Clatsop County Court, is not in favor of expending much money on that road at present, as there are so many other roads which need fixing in the county, and which will be of more benefit to the citizens. He will, however, consent to sending the County Surveyor and a board of viewers over the road this year so as to ascertain what it is liable to cost to put it in shape. The Judge, however, thinks that it is way ahead of the times to improve the road, and expend a large amount of tax money upon it when there are other roads needing improving which are of far more importance to the county.

Death of Mrs. Mary E. Phelps.

Heart failure claimed another of our citizens on Monday, when Mrs. Mary E. Phelps passed suddenly but peacefully away at the home of her brother, Mr. J. R. Eldredge, in this city. Mr. Eldredge had left his home in the morning, and on his return thought his sister was resting and would not disturb her. Finding that she still remained on the couch he eventually went to her and to his great surprise found she had passed away. The deceased was an interesting and refined woman, and had many friends, who were also greatly surprised to hear of her death.

The funeral will take place on Friday, the religious services being in the Christian Church, of which she was a member, and the interment in the I. O. O. F. cemetery. The deceased was a member of the Eastern Star and that order will take part in the funeral services Friday morning.

Mary Elizabeth Phelps, daughter of Jas. H. and Sarah Eldredge, was born in Madison County, N. Y., Aug. 7, 1830, departed this life Mar. 13, 1911, at the age of 72 years, 7 months and 9 days. She came to this county about 22 years ago, lived at Woods for one year, then on her farm at Sandlake, and the last five years of her life she lived in this city.

Besides her brother, J. R. Eldredge, she leaves two sons, George R. of Seattle, Wash., and Willard L., of Boise, Ida., her husband and daughter Alida having preceded her in death.
