

Bills Paid By Check Are Seldom Disputed.

There is a reason. The check you issue in payment, the stub to correspond, and the books of the bank, together with the payee's endorsement is a strong chain of evidence to contradict. The check itself is a receipt and is returned to you by the bank. Better have a checking account and pay bills but once.

The government census gives the three incorporated towns in Tillamook County a population as follows:

Table with 2 columns: Town and Population. Tillamook: 1352, Bay City: 281, Nehalem: 119.

Wilson River Lumber Co., a corporation, vs. John Newberg, Mathias Newberg, and Anna Newberg, and Erwin Harrison, guardian to John Newberg, which is a suit filed in the circuit court to quit title.

E. E. Finley, of Newberg, has bought H. A. Kinnaman's interest in the grocery store of A. Finley & Co. He is a brother of A. Finley, and will move to this city in a few weeks and will take an active part in the business.

The Yamhill County Summer Normal School will open for a six weeks' term at McMinnville College June 20, under the management of Curtis B. Poe. Credit will be given on the college records for all work done.

The Golden Gate left port Sunday morning with J. H. Hollister, C. M. Menifee, B. D. Sox, Sam Smith, Mr. and Mrs. Hunt, Cora Smith, W. Hunt, Hazel Hunt, J. A. Willis, Isabel Logan, and Ida Logan, also a good load of freight.

In buying our grass seeds we bought the best that money can buy so if you want good seeds, come and see us, but if you want a second grade seed go somewhere else, as we carry only the best.—TILLAMOOK FEED CO.

Ladd J. Bush vs. F. C. Stafford is a suit filed in the Circuit Court to recover the sum of \$2,750 on a promissory note; and Ladd J. Bush vs. Anna G. Stafford and F. D. Stafford is another suit filed in the same court to cover \$1000 on a promissory note.

The petition calling for a special election to incorporate the Port of Bayocean was not acted upon at the last meeting of the county court as it was not the regular, but an adjourned meeting, and for that reason the election will not be ordered until next month.

A unusual thing happened today. Instead of maintaining the prices on Heating Stoves on account of the cold weather, King & Smith Co. have reduced their entire line 10 per cent and will give with each stove a Handsome Iron Clad Alarm Clock. See our window.

Contractor J. W. Sweeney came down from Nehalem on Friday, and he expects that trains will be running on the P.R. & N. Co.'s railroad early the coming fall. He was down for the purpose of making arrangements with the mill company to take several million feet of logs he has on the right of way.

The Golden Gate came in on Wednesday with a full cargo, and had to leave some freight behind. Her passengers were Mrs. Cooper, I. Bearstad, P. Mastersen, H. Satcher, A. F. Loveall, Mrs. A. Roades, Mrs. Morgan, F. Tinner, G. Fosbind, L. Beser, Carl Nordstrom, Emil Erickson, L. J. Haulers, Frank Hart.

The Sue H. Elmore came in on Wednesday with the following passengers: Mrs. Asp, L. S. Bell and wife, H.G. Hansey, A.C. Nierwander and wife, C. R. Sutton, A. Lakan, Oak Nolan, E. C. Coon and wife, C. J. Steinnon, M. Murphy, Mr. Colander, Mr. Rooney, J. Lincham, R. W. Watson, J. A. Keller.

"Dement's Best" flour, \$1.35 per sack. "Marvel" Brand flour \$1.25 per sack. These prices will be in effect from Mar. 13 to Mar. 18, inclusive, for the purpose of introducing our flour, and proving to you that Dement's Best is the highest grade hard wheat flour on the market.—TILLAMOOK FEED CO.

Rollie W. Watson left on Friday on a business trip to Portland, going out by way of the Necarney mountain, as he missed the Elmore that morning, and returned yesterday. He sold four automobiles last week, and those who will operate at the steering gear of these horseless carriages are County Judge H. Mason, Webb Maddux, A. E. Worthington and F. J. Ayer.

The young men of the Methodist Church gave a delightful entertainment at the Gen Theatre Friday night. It was one of the funniest and most laughable entertainments given this winter and from remarks of those present we should judge that it was enjoyed by all. The net proceeds went toward paying for the new piano at the Methodist Church.

W. S. Bryan returned to this city on the Elmore, after an absence of about six months. Mr. Bryan is

well known in this city, having been book keeper for the firm of A. McNair & Co. up to the time when they closed out their stock of groceries, after which he was in the employ of the Tillamook Lumber Mfg. Co. as bookkeeper. At present Mr. Bryan is visiting at the home of his daughter, Mrs. Rose Williams.

Mrs. Frank Hannenkratt, who was taken suddenly sick with peritonitis and was not expected to live for several days, is reported to be somewhat better.

Rev. H. C. Shaffer, of Portland, presiding elder of the Oregon Conference, United Brethren in Christ, will preach 10 a.m. and 8 p.m. next Sunday at the U.B. church. The theme in the morning will be "The Great Salvation" and in the evening "The Home." The latter service is an unusual one. We wish those not accustomed to church attendance might hear it. There will be communion in the morning.

M. C. Banfield and W. C. Francis left on Friday, going to Nehalem, where they paid S. G. Reed a visit for several days. The editor and wife accompanied them in the auto, and returned home the same evening. The roads in the north part of the county are in fairly good shape for automobiles, but the ruts in the roads need leveling down and quite a few chuck holes need filling up, especially those near Road Supervisor Zaddach's place at Nehalem.

An effort is to be made to have the ladies who have been attending the Tillamook Commercial Club the past twelve months, to organize and form a Ladies' Auxiliary. Thursday of each week the club is open to the wives and female members of their families, and the Thursday evening social features of the club have been much enjoyed and well attended. As the ladies have done considerable entertaining, it is thought that by organizing they would be able to accomplish more for the club.

The first automobile party to come to Tillamook from Portland this spring reached this city on Friday, and was composed of S. O. Murray, Mark Sidell and C. M. Sidell. The machine belong to Mr. Murray, who is interested in Bayocean property. They experience most difficulty in getting over the roads as what is known as the reservation, where they encountered considerable mud and had some difficulty in getting through. Mr. Murray will not attempt to take his machine out until the roads are in better shape.

Captain E. W. Spencer, of Portland, came in on Saturday on a visit with Captain O. W. Hosford on the Golden Gate, and notwithstanding that he could have gone back as a "dead head" in that vessel, he preferred getting back to the placid waters of the Willamette and Columbia rivers by the overland route, for when he saw a few "comers" on the Pacific ocean, with a storm brewing, he came to the conclusion that the big pond on the coast was no place for veteran captains who know all about navigating vessels in the neighborhood of Portland, so it is not likely that Captain Spencer will ever accept any more invitations to risk his life on the big pond.

Mrs. Anna Ebbeson, who ran a milk ranch east of town 12 months ago, and then bought some property at Blaine, where she has been residing, was committed to the state asylum today. The officials had considerable trouble in removing her from Dr. Boals' office on Wednesday after the doctor had examined her as to her mental condition. The poor woman visited this office on Tuesday, and from her conversation one could readily see that she was crazy on religious matters. One of the remarks that she made was that she had seen the picture of the editor as a Tillamook booster, and then impressed upon the editor that he should be a booster for the Lord, for that was the only way to boost up the price of land.

The following passengers that went out on the Golden Gate were: L. Ackely, Nellie Ackely, S. A. Murry, M. Sidwell, C. M. Sidwell, Mrs. F. Labonwill, Mrs. A. M. Rice, F. J. Burt, Mrs. J. M. Murry, John Oskes, L. Oskes, G. S. Wistadt, Mrs. Wistadt, A. M. Mywa, J. A. Keller, Mrs. Keller, L. C. Crutty, W. S. Staallon.

Go to F. S. Whitehouse & Son the leading agents, for Bond, Accident and Fire Insurance, as they write more than three-quarters of the insurance written in Tillamook County, because they are better equipped than any one else in the business.

Notice to Commercial Club Members.

The regular annual meeting of the Commercial Club will be held Monday evening, April 24th, at the club rooms for the election of officers and the transaction of other business that may come before the meeting. Every member in good standing requested to be present. ERWIN HARRISON, Sec'y.

Nearly a Bad Accident.

Chas. Reynolds met with what might have been a very serious accident last Thursday. While coming from Bester's Ford, on the Wilson River, he found it difficult to climb the short hills on the road, the passengers having to help push the car up the hill.

As he came to the hill just the other side of the Donaldson place, at the bottom of which there is a bridge, he told John Bolin and Morris Schnall, who were in the car that he thought he could make it up all right. But when he was about two-thirds of the way up the engine stopped and the car backed down.

As they neared the top the next time Mr. Reynolds told the men who were helping that he thought he could make it all right if they would take out the blocks from the wheels, but the car only ran a short distance when it stopped, and when Charley reached to put on the brake he missed the lever and the car, dashed down the hill. Just as the car ran onto the bridge, instead of turning the wheel the right way, Mr. Reynolds turned it so that the car was turned cross ways of the bridge and allowed to run off. The only thing which saved it from a total wreck being the railing of the bridge.

Gus Case and Frank Devine were sent for, and after getting the car back into the road, fixed it up in condition to come to town.
