Sheriff's Sale. In the Circuit Court of the State of Oregon for Tillamook County. Daniel, Plaintiffs, vs. L. H. Kenney, Hallie Kopieske and Wm. Kopieske, Gust Nelson and Peter Nelson, Defendants. NOTICE IS HEREBY GIVEN.—That in pursuance of an execution and under the seal of the Circuit Court of the State of Oregon, for Tillamook County, to me duly directed, dated the 9th day of August, 1911, issued in pursuance of a judgment and decree of foreclosure and order of sale duly rendered in the above entitled cause and suit, wherein it was decreed and adjudged that the plaintiffs recover from the defendants L. H. Kenney, Hallie Kopieske and Wm. Kopieske, the sum of \$300.00, with interest thereon from July 1st, 1909, at the rate of 8 per cent per annum, for the further sum of \$75.00 as attorney's fees, and for the costs and disbursements taxed at \$30.00, and said execution and order of sale commanding me to sell the premises and real property therein described as follows, to-wit: The South half of Lot 3, and the South half of the North East quarter of the South West quarter of Section 7, all in Township 2 North of Range 9 West, Willamette Meridian, excepting a strip 100 feet in width across said land heretofore deeded to the Pacific Railway and Navigation Company. NOW, THEREFORE, by virtue of said execution, judgment, order and decree, and in compliance with the commands of said writ, I will on Friday, the 8th day of September, 1911, at the front door of the Court House in Tillamook City, Tillamook County, Oregon, sell at public auction to the highest bidder, for cash in hand, all the right, title and interest which the above named defendants, or either of them had on July 1st, 1909, or since had in and to the above described real property, to satisfy said execution, judgment, order and decree, interest and costs, and all accruing costs. H. CRENSHAW, Sheriff of Tillamook County, Oregon. Dated August 10th, 1911.

Seemed to Give Him a New Stomach. "I suffered intensely after eating and no medicine or treatment I tried seemed to do any good," writes H. M. Young, Editor of The Sun, Lake View, Ohio. "The first few doses of Chamberlain's Stomach and Liver Tablets gave me surprising relief and the second bottle seemed to give me a new stomach and perfectly good health." For sale by Lamar's Drug Store.

Cuts and bruises may be healed in about one-third the time by the usual treatment by Chamberlain's Liniment. It is a powerful antiseptic and causes such a rapid healing without maturation. It also relieves sore muscles and rheumatic pains. For sale by Lamar's Drug Store.

TARIFFS CUT, SAYS VEYSEY. Rate War May Follow Move of Elmore Interests on Coast. Rate-cutting has featured the appearance of the new gasoline schooner Tillamook on the Portland-Bandon route, according to Captain Lyndon Veysey, one of the owners of the gasoline schooner Anvil, which has been in that service several months. He says that when the Tillamook left here Thursday she carried a consignment of cement for Tillamook which was accepted at \$2 a ton, as it was classed as merchandise. The lowest rate in effect there has been on feed, which was fixed at \$4.

Besides, he says, the Tillamook cut the rate from Portland to Siuslaw from \$6 to \$5 a ton. One of the high tariffs has been to Newport at \$7 a ton weight, and to Florence it is \$6 a ton measurement, Captain Veysey saying that shippers there were satisfied, as they realize the difficulty of getting to the wintering the small harbors and the fact that vessels are often bartered several days. As the Tillamook is owned by S. Elmore & Company, which operates the Sue H. Elmore to Tillamook and in about 10 days will have the new gasoline schooner Patsy ready for service on the Oregon Coast, it is expected that lower rates will continue. They will be met for a time by Captain Veysey and associates. The gasoline schooner Wilhelmima is also in the same service, though not making Bandon, and all independent carriers may be involved.—Oregonian.
