

WILD With Excitement

Tillamook
In a Fever of Excitement Over the Wonderful Cures Performed by Dr. H. H. Smith, The Great Medical Expert and Bloodless Surgeon.

Gem Theatre Packed-- Nothing Like It Ever Seen in Tillamook Before.

Dr. H. H. Smith and staff, of the Medical Institute of Liverpool, England, and Crawfordville, Indiana, lectured to a large audience last Tuesday evening. The doctors are agreeable and forceful speakers, and held the audience in close attention while they explained the theory and usefulness of their wonderful discoveries.

Many promises were made which seemed utterly impossible to believe and when the doctor invited those who were hard of hearing to come forward and be cured, L. S. Maynard, T. B. Turney and Chas. J. Chaffee responded to the call and were made to hear in a few seconds.

The doctor then called for cripples on crutches and J. A. Brant responded. He was afflicted with the giant disease, Rheumatism, and he was unable to walk except with crutches and great difficulty and pain. He was operated on with medicine for twenty minutes and walked off the stage free from pain and stiffness, followed by the wondering crowd, while the doctor broke his crutches. To say the audience was astonished and wild would be putting it mildly. The doctor was warmly congratulated. It seemed like a dream, but it was real. Ministers and doctors were in the audience, and they seemed as well pleased as anyone.

They treat the following diseases: Paralysis, catarrh, deafness, big neck, bladder and kidney diseases, rheumatism, scrofula, female diseases, bowel complaint, debility, dropsy, heart, liver and nerve diseases, cancers, piles and fistula cured without pain; all kinds of chronic diseases cured.

OFFICE AT HOTEL TODD.

9 a.m. to 9 p.m. including Sunday.

CONSULTATION FREE

The treatment is Medicine and Bloodless Surgery. Will not visit any other town in this county. All wishing treatment must come to Tillamook not later than Thursday, October 19, closing at 5 p.m.

NEHALEM VALLEY BANK

OF NEHALEM, OREGON
Nehalem, Ore., Oct., 10, '11.

To the HEADLIGHT Readers:
By the time this paper reaches you the last spike of the P. R. & N. will be Driven.

Today should mark the beginning of a new era in the growth of Tillamook County. Competition for freight will lower freight rates. Train service will give dispatch in the handling of perishable products. Passenger trains will be the means of bringing new settlers to our county. Improved shipping facilities by both rail and water will establish mills and factories.

The investigating eyes of thousands and thousands of people will be turned on Tillamook county during the coming year. Let us present to them a progressive and wide-awake community working in harmony for the development of the county as a whole.

Put aside factional strifes. Forget local jealousies. Dis-countenance obstructionists. Get together and work for a common end, the FULL DEVELOPMENT OF TILLAMOOK COUNTY.

Be progressive. To stand still means decay.

Respectfully, Frank A. Rowe.
