The trial of James Lane, of Tillamook, for an offence against his wife's niece, in Yamhill County, occurred before Justice Hopfield. Bond of \$500 was given for his appearance at circuit court next session. Bondsman were from Tillamook county. The trial really amounted to waiving of examination.

Mrs. John Groat entertained the Shakespeare Club on Friday afternoon at the regular monthly meeting, at her home in this city, when a large number of the members and invited guests were present to enjoy the afternoon's entertainment. The decorations were autumn leaves and roses and Mrs. Groat served a dainty lunch for the ladies, which was pronounced excellent.

Arrangements were all made on Monday for the reception of Congressman W. E. Humphrey, of Seattle, Wash., a member of the Rivers and Harbors Committee, and Congressman W. C. Hawley, who were to arrive here on Tuesday. A telegram was received from J. O. Bozorth, who was in Portland, that it would be ten days before they would be able to come here. They were to meet with the different ports and speak at a public meeting.

The first through trains on the P. R. & N., on the new railway schedule, went into effect last Friday, when the outgoing train had a large number of passengers who went to Portland. The first incoming train had about one hundred passengers, and would have come through on time, but owing to two work cars getting off the track previous to the arrival of the passenger train, these had to be put back, which caused the delay. The train was four hours late and it was after six o'clock when it arrived in the city. A large crowd assembled at the depot, which would have been much larger had the train been on time, as quite a large number of persons had come in from the country to witness the arrival of the first passenger train. On Saturday the train came through on time with a good number of passengers on board. Owing to a slide the trains were unable to get through on Wednesday, but did so today.

J. J. McGinnis, of Hebo, was one of the farmers in the south part of the county who refused to sign the Grangers' petition, for he is in favor of a ten mill road tax and thinks it is selfishness on the part of some of the residents of Fairview, who have obtained good roads. Mr. McGinnis is a fair and level headed farmer, and thinks it would be a great hardship on a number of the citizens in his part of the county to shut down on road work. He also pointed out how easy it is to get to Tillamook City now to what it was a few years ago, on account of good roads, for where it took them nearly a day to get here they can come in about four hours without traveling hub deep in the mire at so many places. Mr. McGinnis is a good road booster for the south part of the county and wants to see the good work continue.

Mrs. James Walton and son, with her sister, Miss Elene Fawk, and William Walton, came in from Salem last week, and Miss Fawk will visit here for several weeks.

THE S. W. MILLER.

A Piano of Known High Quality Built by S. W. Miller.

A piano builder of known ability. Three years ago the S. W. Miller factory at Shebogan, Wisconsin, produced only seven pianos per day, but since January 1st, 1911, their output has been 20 pianos per day, and they frequently work overtime to keep up with orders.

This is a well merited growth that we are proud of, and you'll like the S. W. Miller. For sale from maker to user, from factory to home, at the store of Jones & Knudson, Tillamook, Ore.

Elder Hoven Has Resigned.

Last Sunday V. E. Hoven, for more than three years pastor of the Church of Christ, in this city, formally presented his resignation, which will take effect the first of next month. He has accepted a call from the Cottage Grove Church and is being urged to come at the earliest possible date. His many friends received the announcement with sorrow, but want that for himself and wish him happiness and success in his new field.

Some of the leading members have known for several months of the decision of the pastor, and are making arrangements for his successor.

Mr. Hoven is anxious that the present Evangelistic effort, under the leadership of his old time college friend, Evangelist C. L. Organ, of Iowa, shall be especially helpful to the whole church in preparing for the coming of the new minister.

Considering the weather, the audiences are large at every service. The remaining days of the meeting promise to be great in every way. Social gatherings, Friday evening after church for the large chorus and orchestra. Basket dinner Sunday for the entire church and friends. An all day service will be a great feature. These meetings will continue another week, at the close, Evangelist Organ and wife go directly to Des Moines, Iowa. Hear them tonight.

Intelligent Piano Buying.

Making a good piano buy depends largely on knowing the whole truth about the special piano you buy. You can safely take the word of your home merchant who could not afford to deceive you about a piano or any other article he sells you.

We are enthusiastic about the supreme good quality contained in the S. W. Miller Piano because we know it is the truth, but please don't expect to hear of the good qualities of the S. W. Miller Piano from people and agents who have pianos of their own to sell you. We will guarantee to save you from \$100 to \$300 on our direct system of buying direct at factory and selling direct to home.

We are the originators of this plan of distributing pianos in Tillamook County at the store of Jones and Knudson.

The Evangelistic Meetings.

The special gospel meetings at the Church of Christ will continue over next Lord's day, and perhaps longer. Large audiences greet the Evangelist every night. The pure gospel in story and song is proving itself to be what the people want, and they get it. Evangelist Organ is true to the old Book. His sermons are stirring, educational and helpful to all. He believes in changing a person's inside before his outside can be changed, hence he appeals to the intellect, the sensibilities and the will. Let those who want to boost this town come out and show their colors. It is just as true now as it ever was that "Richeousness exalteth a nation, but sin is a reproach to any people." Come and hear the following subjects discussed:

Friday night, "Necessity of Christian Union."
Saturday, "True Basis of Christian Union."
Sunday, a.m., "How to Observe the Lord's Supper," p.m., 2:30, "The Devil's Battle Ground," p.m., 7:30, "Burning the Books."
Basket dinner Sunday. Each to bring his dinner. The ladies of the church will furnish hot coffee.

Splendid Stock.

The dependable S. W. Miller is a Piano of today. Every stick of timber in its construction shows splendid standard stock, value and up to date features never found in pianos of a lower grade. The S. W. Miller Piano uses for its strings the celebrated Poelman, German imported wire, which is the highest priced piano wire in the world. A piano with such strong, superior staple wire never disappoints, but stays steadily in tune, where a cheaply made piano would go wrong. We invite you to our store to see and hear this piano Jones and Knudson, originators of the direct selling plan in Tillamook from factory to home distributors.
