

MONTHLY MEETING OF COMMERCIAL CLUB.

Adopted Plans for Sewerage Committee Appointed Boost for 200 Members.

In the absence of President Web-ster, the chair was occupied by Vice President D. L. Shrode.

Sewerage Question.

The committee appointed to take the sewerage question which was composed of E. D. Claussen, Dwight, U. G. Jackson, W. C. and Will Spaulding, made its report which was briefly outlined as follows:

The committee endeavored to get a line on the sewer problem to starting point for work on the city when it is able to go with it and strongly urge the passage of the ordinance raising the bonded indebtedness at the next month.

The committee based their work on the growth of the city to ten thousand. The town is to be divided into sewer districts one west of regular line drawn from Montross to First Street to the race; and last of this line and including territory east of the railroad and south of the Fairview road, east outside of the city limits; third east of the tracks and of the Fairview road.

The proposed trunk sewer for district will run down Fourth street and northwest emptying into the river somewhere on the low land Hadley ranch. The trunk sewer district number 2 will begin on Ave. at present, with provision being east along Sixth or Seventh for the future growth of the town south to about 11th St. and directly west into Trask.

The third sewer district will be into the Wilson river. The outlets to the sewers will be beneath high water and the concrete basins at the motor driven pumps during high water periods.

The estimated total cost of the trunk as outlined above, together with intercepting sewers and laterals at the present time is \$45,000 to \$15,000 to \$20,000 would be in issue bonds, the balance being directly to the property and desired in ten annual installments under the Bancroft Bonding act.

Boost for New Members.

There are quite a number of men and others who are members of the club, an effort was made to increase the membership to 200, a committee was appointed, consisting of M. F. Leach, W. Watson, C. I. Clough, Dwight and Will Spaulding.

The last period was played most of the time in safe territory, for the home team, although things looked dangerous once or twice. Forward passes were tried repeatedly by the visitors but to no avail. At last the wearers of the red by a fake play, a twenty yard run, and repeated onslaughts of the line in which much advance in yardage was made, the ball was placed on Hillsboro's three foot line.

Things looked good for "Sap," the captain of the home squad, who with a broad smile of satisfaction on his face called his own number, received the ball, and forced his way through the enemies line for the third touch down. Eberman kicked the goal and the score stood Tillamook 17, Hillsboro 4 and as this was near the end of the game only a few more skirmishes were made when the last whistle was blown.

The victory will undoubtedly be the beginning of an active athletic career for the Tillamook High School and will place it in a place not to be looked down at by other schools.

"Feg" Cady an old O. A. C. star and all "Northwest end" reffered the game and gave satisfaction to both sides, a thing that is hard to do. Harry B. Humphrey an old P. U. man was the umpire and "Dusty" Rhodes of Willamette fame acted as field marshal while Damon Green and John Aschim were time and score keepers.

TILLAMOOK HIGH MOPS FLOOR WITH HILLSBORO.

Spirited Game of Football on Saturday Won by Home Team with Score of 17-4.

Saturday afternoon at quarter past two the foot ball teams of the Hillsboro and Tillamook High Schools met on the gridiron at the Gilford Stilwell Park to fight for their colors in a clean game of that manly sport, foot ball.

Tillamook started things going with a good kick off and the first down was made far into the enemies territory. Hillsboro was unable to make her yardage against the heavy bucking of the home line and it was only a short time until it was "Tillamook's ball."

After the first few skirmishes it was plainly seen that the visitors were outclassed in both speed and line bucking, and when, after the game had been played less than five minutes the T. H. S. men plowed through their opponent's line and made the first touch down, the spectators clearly ascertained what the result would be. Eberman failed to kick a goal for Tillamook and the score was T. H. S. 5, H. H. S. 0.

No more spectacular work was seen in the first period, but shortly after the second period commenced Verle Stanley took the ball on a fake play and by dodging interference made over thirty yards and was in sight of a touch down when he was headed off.

Shortly after this the Hillsboro made a touch-back as the result of a blocked punt, which was attempted by Eberman, Tillamook 5, Hillsboro 2.

Things did not remain in this condition long, however, for Sap-pington fooled the visitors by making them think that he would punt, when, instead, he made a forward pass to Eberman, who broke through the interference and ran down the field, sixty-five yards, making the second touch down. He was followed the whole distance by Kingsley Lytle the Hillsboro full, who is an eleven second man. Eberman succeeded in kicking this goal and the first half ended Tillamook 11, Hillsboro 2.

The second half started out with a great deal more life and vim than had been manifest, and it was plainly seen that the visitors were determined to wrest victory from the home team if such a thing were possible. But although they fought with all their strength and tried all the tricks known to their clever little quarter back, Schroder, they were unable to outwit the Tillamook bunch.

Because of the fact that the H. H. S. boys had played a number of games before coming to this place and as this was the first game for the home team, the visitors pushed back their opponents until it seemed that it would be impossible to keep them from making a touch down. Twice in the third period the outsiders were within less than five feet of a touch down but each time they were repulsed by severe onslaughts from the home line.

After Hillsboro had failed to make yardage the first time and had given the ball to the T. H. S. men, Eberman attempted a punt which was blocked by Long and the second touch back was recorded for Hillsboro. The second time the visitors came to the three foot line but when they tried a center rush the home team carried them back eight feet. This gave Tillamook the ball which they put in a safe position by a long punt. The period ended T. H. S. 11, H. H. S. 4.

The last period was played most of the time in safe territory, for the home team, although things looked dangerous once or twice. Forward passes were tried repeatedly by the visitors but to no avail. At last the wearers of the red by a fake play, a twenty yard run, and repeated onslaughts of the line in which much advance in yardage was made, the ball was placed on Hillsboro's three foot line.

Things looked good for "Sap," the captain of the home squad, who with a broad smile of satisfaction on his face called his own number, received the ball, and forced his way through the enemies line for the third touch down. Eberman kicked the goal and the score stood Tillamook 17, Hillsboro 4 and as this was near the end of the game only a few more skirmishes were made when the last whistle was blown.

The victory will undoubtedly be the beginning of an active athletic career for the Tillamook High School and will place it in a place not to be looked down at by other schools.

"Feg" Cady an old O. A. C. star and all "Northwest end" reffered the game and gave satisfaction to both sides, a thing that is hard to do. Harry B. Humphrey an old P. U. man was the umpire and "Dusty" Rhodes of Willamette fame acted as field marshal while Damon Green and John Aschim were time and score keepers.

The Foot Ball Banquet.

At 7:30 p.m. Saturday the Hillsboro men and T. H. S. foot ball squad together with Prof. Baker, Coach Moore and the officials were given a banquet by the merchants of the city at the Todd Hotel. Mr. Todd had had prepared a fine chicken dinner for the tired crowd which was certainly relished by all.

After dinner Prof. Baker made a few remarks and called on Mr. Ginn as representative of the Tillamook school to make the speech of the evening. The whole affair went off well and every one left feeling that the business men of this city are needed of much praise. The visitors stated that this is the most friendly place that they have visited this season.

North Channel Opened.

The long expected has happened at last. The north channel is open after two years of patient waiting. When the delegation of citizens who went down the river to welcome Representative Hawley Wednesday afternoon, beheld the change they could hardly believe their own eyes. It was so sudden and in fact almost too good to be true. Yet it all happened during the last two days owing to the increased volume of water coming down the river due to heavy rains.

Three-fourths of the water was passing out over the new channel at the rate of ten miles per hour while in the south channel no current was noticeable. At this rate it is only a matter of a few weeks at most until the south channel will be entirely closed.

In Mr. C. H. Wheeler's opinion the last boat passed over the south channel when the barge Nehalem and Tug Vosburg crossed out at high tide Wednesday at 1:30 p.m. The former was loaded with ten thousand cases of salmon from the Union Cannery. No more will a shifting bar interfere with navigation on this river.

Now we are on equal terms with Tillamook and it will no longer be necessary to ship goods that way. That's the best part of it all.

We can now take time to thank our Port Commission for the good work they have done on the jetty to help bring this change about.—Nehalem Enterprise.

Splendid Stock.

The dependable S. W. Miller is a Piano of today. Every stick of timber in its construction shows splendid standard stock, value and up to date features never found in pianos of a lower grade.

The S. W. Miller Piano works for its strings the celebrated Poelman German imported wire, which is the highest priced piano wire in the world. A piano with such strong, superior staple wire never disappoints, but stays steadily in tune, where a cheaply made piano would go wrong. We invite you to our store to see and hear this piano. Jones and Knudson originators of the direct selling plan in Tillamook from factory to home distributors.

Wants Dairy Ranch.

I have a reliable client who will pay cash for 40 to 75 acre dairy ranch in Tillamook county, mostly cleared, with or without buildings, with or without cows. Give price, distance to creamery and full particulars in first letter. Must be snap. Address E. M. Shutt, Heppner, Oregon.

Wanted for Cash, Cheap Farm Land in Tillamook County.

We have a customer who will buy for spot cash a cheap farm in Tillamook County. Answer at once. Ralph Ackley Land Co., 170 Fifth St., Portland, Ore.

Balked at Cold Steel.

"I wouldn't let a doctor cut my foot off," said H. D. Ely, Bantaun, Ohio, "although a horrible ulcer had been the plague of my life for four years. Instead I used Bucklen's Arnica Salve, and my foot was soon completely cured." Heals Burns, Boils, Sores, Bruises, Eczema, Pimples, Corns. Sure Pile cure 25c at Chas. I. Clough's.

A Father's Vengeance

would have fallen on any one who attacked the son of Peter Fondy, of South Rockwood, Mich., but he was powerless before attacks of Kidney trouble. "Doctors could not help him," he wrote, "so at last we gave him Electric Bitters and he improved wonderfully from taking six bottles. Its the best kidney medicine I ever saw." Backache, Tired feeling, Nervousness, Loss of Appetite, warn of Kidney trouble that may end in dropsy, diabetes or Bright's disease. Beware! Take Electric Bitters and be safe. Every bottle guaranteed. 50c at Chas. I. Clough's.

J. E. Parker 321 No. 10th St., Ft. Smith, Ark. says that he has taken many kinds of kidney medicine, but did not get better until he took Foley Kidney Pills. No matter how long you have had kidney trouble you will find quick and permanent benefit by the use of Foley Kidney Pills. Start taking them now. Chas. I. Clough Co.

Be sure you have the correct time Buy your watch here and you will have the best time always—ever accurate and dependable. Our stock of Gold and Silver Watches for Ladies and Gentlemen includes some of the best time pieces ever made. All kinds of Jewelry of the best grades at the lowest market prices. Jewelry repaired while you wait.

EUGENE JENKINS, Reliable Jeweler, Next to the Post Office.

Are You Giving Your Live Stock a Fair Deal?

You like a little salt and pepper—a little mustard—a little lemon extract—a little this and that to flavor your grub. Your cow, your steer, your hog under natural conditions would have a chance to get a bite of this, a bite of that and a bite of the other thing and so get a variety in its feed. But under the unnatural condition in which you keep them, they get every day about the same sort of stuff to eat. As a natural consequence they get "off their feed." Even if they do not, their digestive organs need the tonic effect which comes from a variety of feeding stuffs.

Watkins' Stock Tonic Is a scientific preparation which not only improves the flavor of the feed you feed, but also supplies that tonic element so needed to make your live stock do their best.

There is no longer any doubt about the need of a tonic for the modern domestic animal kept under artificial conditions. You must give them something to help them digest their feed and get the greatest good from it. Watkins' Stock Tonic supplies this need. It makes the animal relish its feed more; it aids in the digestion and assimilation of the feed, and in addition to that, it has a tonic effect upon the whole system.

Your animals need a tonic of this kind. Watkins' Stock Tonic is not a secret preparation. We tell you the actual ingredients that are used in it. You know exactly what you are buying, and pound for pound it will go farther and do more good than any other stock tonic or so called stock food ever made.

The Watkins Man will be glad to leave you a pile on trial, backed by the Watkins guarantee. Delivered by Wagon.

R. R. ROBERTS.

Many people suffer for years from disordered digestion, severe headaches or nervous troubles of one kind or another. These they ascribe to "biliousness"—to anything under the sun but the eyes, when, in many cases, the trouble is directly traceable to uncorrected eyestrain, which the wearing of proper lenses would entirely remove.

R. A. Wahlen, D.O., Eye Sight Specialist.

Foley Kidney Pills

TONIC IN ACTION - QUICK IN RESULTS Give prompt relief from BACKACHE, RIDNEY and BLADDER TROUBLE, RHEUMATISM, CONGESTION of the KIDNEYS, INFLAMMATION of the BLADDER and all annoying URINARY IRREGULARITIES. A positive boon to MIDDLE AGED and ELDERLY PEOPLE and for WOMEN.
